We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

Dear Coaches, I just finished the first draft of my first book. Before I begin the editing process, should I already start with the book cover? I'm not clear on the timing of these steps. Thank you!
Judy

Anthony (Tony) Williams

When hiring an editor for the first timer, what qualities am I looking for, i.e., USA-based? Cost range?, Fiverr \$250-\$900?, Upwork \$22-\$40+ per hour? approx \$1,200, TUB \$24 per 1000 words, Publishing Services \$2.50 per 100 words.

Any input/suggestions/feedback will be appreciated

The topic I'm potentially selecting for my first book is "Stop Overthinking Workbook". Is it ok though if I put a part in the beginning of the book to explain overthinking, its causes and how to address it before then putting the workbook at the end. That seems like a more natural flow to me for the book

Thanks very much for your help

Much appreciated

Raheel Memon

I have decided on a topic, i.e., "Emotional Intelligence". When I look at the topic idea in publishing.ai, there are further sub-topic ideas generated (shown in the link below and also I)

<https://app.publishing.com/manuscript/book-topics/54065>

- Navigating Emotional Triggers
- Cultivating Self-Compassion through Emotional Intelligence
- Emotional Intelligence for Conflict Resolution
- Enhancing Social Skills with Emotional Intelligence
- Mastering Emotional Habits

My question is; Do I need to pick one of such sub-topics for the book? I originally wanted to create a book on emotional intelligence generally which ideally would cover all these sub-topics

I know its not necessary for most studens but I did buy Bookbeam to help increase my options in discovering great and hot topics with relatively low competition.

Are there ANY recommendations that you have as to specific helpful settings that I can use?

Katherine Ayars

I just completed Module 2. Now I'm being asked to complete tasks before moving onto Module 3. The problem is that I moved through all of the Module 2 videos, and the tasks were not addressed in any of the videos. (Example: Download DS Amazon Quick View) I don't know what this is or how to download it. Are there videos in Module 2 that I'm not seeing? Thank you very much!

Will you please give me feedback on these covers? Question - Do the pictures need to depict the places I have in the book, or does that matter?

I couldn't find much on how a back cover or spine should be made for your hard/paper back book.
Could you go a little more into detail into how you should create these things?

Judy Holm

Dear Coaches, I'm at the stage for book cover design. Can you please confirm that we can use 99 design for just the ebook cover, and then have the files sent to a less expensive source on fiverr for paperback and hard cover designs? Thank you!

Gene Sower

Do I need to format my final transcript BEFORE having my cover designed and, also, which video tutorial talks about formatting the transcript?

Barbara Burton

When creating a bundle, can I start with book #1, then add to the collection later?

Your thoughts on these titles???

Homesteading for Resilient Living: All the Tips, Tools and Strategies You'll Need for Sustainable Independence

The Art of Homesteading: Master Self-Reliance, Nurture the Land and Embrace Freedom to Build Your Dream of Independence

Hi Coaches, Can you please advise me on the best way to edit a book once an AI or ghostwriter has written it to ensure we can claim copyrights accordingly? I have Grammarly pro and use thesaurus to change words, rewrite paragraphs, etc., but I'd like to know if there is a more innovative and time-saving way. Thanks

Pamela Williams

If you are answering questions or giving feedback on book titles, I would love input on my 2nd book I am working on. I have come up with the following title and subtitle:

Propaganda Power: The Step-by-Step Guide to Identify Disinformation and Build Emotional Resilience

(102 count)

Thanks! ~Pam

I'm running ads for the first time, using the higher end of the suggested 'sweet spot' bids. They've been running for four days, and I've had only one click and \$.45 in ad spend. I understand this isn't enough time to evaluate a campaign properly, but should my bids be higher in a competitive shopping season?

Oleg Velker

Is the cover of the book generated by AI as well? If yes can you send me a link to a tutorial?

Sheene Lanham

Since we choose the exclusive option for ACX for the audiobook, if we wanted to put the audiobook on another platform, does this mean we would have to get book narrated again by someone else?

Ashley Trudo

I just joined. So excited! For my first book, do you recommend I go with a topic that "sells" or write something I'm passionate about first? I would love to start making money back as soon as possible.

Ukponmwan

How soon can one start the process of publishing a book?

Raheel Memon

I'm only at the start of module 3, so I don't know if this specific matter will be covered later on in the course

I bought a black Friday deal on an AI text to voice program because it was cheap. Would such a program be ok to use to later on voice my book for audible. If not, then I can just cancel my membership within the cancellation and refund money back guarantee period

Thanks

Shannon Pope

I want to offer the audiobook version of my book along with the paperback and hardback version as several of my competitors are doing this in my fitness niche. What is the easiest way to do this? I looked on ACX and there isn't anywhere on the platform where I can download the recorded audio files. I'm assuming that the audiofiles would be hosted on Google Drive just like videos are and then the link to them shared in the book? Thanks so much for all your help!

Julia Goh

I'm using Grammarly to proofread my manuscript. After it's done, the app informed me that "89% of your text has patterns that resemble AI text". Is this good or bad? Should I ignore this, or should I re-write parts of the book myself, so that it sounds less AI written?

Paula Jo

Hi coaches,

Please let me know what you think of the following book titles and sub-titles:

Hello Coaches! I am in process to collect the reviews. I have now 6 reviews and I am wondering if I can to promote the free Amazon's ads for 3-5 days to get more reviews or do I have to wait until I will collect the 15 reviews? Thank you!

Folly Somado-Hemazro

Hello coaches, Can I create an audiobook for a topic such as chair exercises for seniors or outdoor survival skills for my first book?
