The logo consists of the letters 'FYI' in a bold, white, sans-serif font, centered on a blue rectangular background that has a slightly distressed or torn edge effect.

There are many students on this call, all at different points in their publishing journey. We receive many questions and do our best to choose the ones that are applicable and helpful to the majority of attendees on this call.

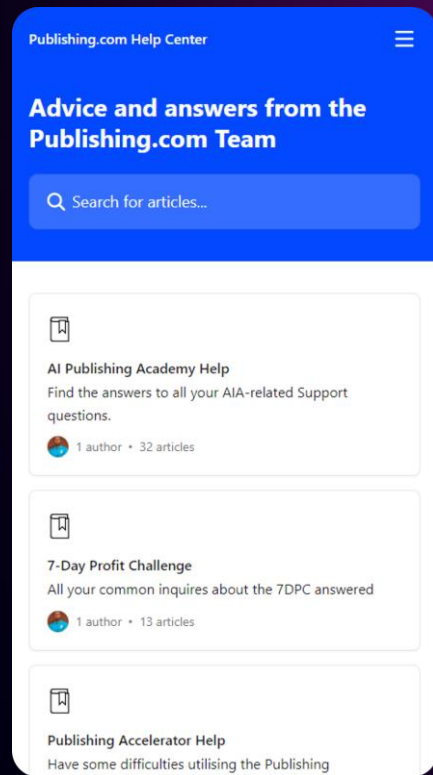

We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

My book topic is Life Skills for Teens. I have a couple of titles I would like your opinion on:

Complete Life Skills for Teens: Your No-Nonsense Guide to Personal Growth, Strong Relationships, and Financial Independence in Just Minutes a Day!

No Nonsense Life Skills for Teens: Your Complete Guide to Personal Growth, Strong Relationships, and Financial Independence in Just Minutes a Day!

No Nonsense Life Skills for Teens: How Anyone Can Achieve Personal Growth, Strong Relationships, and Financial Independence in Just Minutes a Day!

Wasn't sure if I should keep the phrase "in Just Minutes a Day!" or add something different.

Robert

Also had another book title option:

The Complete Life Skills for Teens Guide Book: Your Step-by-Step Plan for Personal Growth, Strong Relationships, and Financial Independence

Juliann Newton

Can you please tell me your opinions on the title I have chosen? Does it look acceptable?

"Anger Management for Parents Made Simple: Successful Strategies for Stressed Parents to Identify Triggers, Stay Calm, and Raise Confident, Emotionally Healthy Children" Thank you so much.

Shane

Hi Coaches,

I carried out a Trade mark search for the words Inspire Her as the Title for my book is Inspire Her: A Self-Love Workbook For Teen Girls and a trademark came up in Class 16 Publications, namely, books, workbooks, and journals in the field of financial planning for women.

Because my book is not in the field of financial planning for women does the Inspire Her trademark apply to me? thanks

Ray

Dear Coaches, I have PoC for my topic; please, each of you weigh in with your thoughts:

I am writing a series of books for business leaders where my experience and educational attainment of having earned an MBA and Ph.D. may move some people to buy more of my books (although some may perceive my work as too academic). What are each of your thoughts on the advantages, disadvantages, and recommendations regarding using both my MBA and Ph.D. in my author by-line and bio? Also, on the first KDP "Kindle eBook Details" page, there are only 2 cells (boxes) for the author's first name and last name, so how do I include my middle initial, and MBA and Ph.D.?

Related: Although I am self-publishing through my LLC, how do I get KDP to recognize my LLC publisher name since my Amazon account is in my personal name even though payments are in KDP as going to the LLC and the LLC's bank account?

Thank you! Ray

The AI created a book that I am completely unhappy with. It's supposed to be for parents to help their children to learn about finance - Title Money Matters: A Kid's Guide to Financial Freedom - but it's so detailed and complex that even I don't want to read it and I've been in the financial industry for almost 20 years. Is it possible to scrap the whole thing manuscript and start again? In my notes, I asked for it to be easy to read and the outline seemed like it would be ok, but it's really not at all what I was wanting.

Deb

another note to my previous question regarding finance book for kids - it's almost 60,000 words

How is my Title?

8 Timeless Steps to

End Procrastination or Academic Probation

and Accelerate Student Success

Learn How to Align Time and Activate the Part of Your Mind

that Reduces the Stresses and Pressures of School and Work Life

Kavian aka Kay

I used publishing services for formatting however on the ebook version when uploading it came back with misspelling errors, they are willing to fix it, but I also noticed they changed the lingo that was not in my manuscript do I need to do a comparison to see if there are more errors like this?

Ben

The AI Publishing software suggests that I include a travel website with my book for readers to plan their travel and such. It mentions this in the manuscript. This would be a huge undertaking. I see the advantages as it would allow an interactive component. Thoughts on this? Suggestions? I would also want to add a video introduction from the author (I am a professional actor and spokesperson) with QR code and I thought it would add a unique element. Thoughts?

DEB

I was looking for q&a recordings but they only go up to June 2021 in the link given in the training videos. Is there somewhere else I can find them

Kathryn

Do we put a prompt for a review in the conclusion of our 7 DPC book? If so, please point me to the module that teaches how to do this. Thank You!

Kurt

Hi Coaches, don't take this as a complaint. I sent questions to the Publishing.ai group. They respond but don't answer my questions. They say to watch the videos, but those do not cover my questions. I am on limited budget and want to use my one credit as best as possible. I have an Outline and am making edits. I want to get a basic idea of what the manuscript uses as prompt based on the sub-header lines "**Header**: subject text" to get best output. How do I get help?

Kurt

One other question on PubAI. I have 3 versions of outline in the tool. How do I make sure the version I want gets pulled into the writer? Thanks!

Laura

I'm hoping this is my last cover design. Would you please provide any advice for improvement Is or is it ok. I used Midjourney for the photo and Can a for the background. This is my 30,000 word book

1. I have a couple of titles for my book from the 7 day challenge Please let me know which title is best. The book has over 12,580 words. I am going to order the cover of my 7 day challenge book and before I do that I have to have the title very clear. I have thought about the following titles and the subtitle is after the titles.

1. The longevity Blueprint
2. The longevity handbook
3. Longevity fundamentals
4. Longevity essentials for busy people
5. The no nonsense guide to Longevity

As a subtitle:

Science-backed evidence for a long, healthy, and happy life

Please let me know. I do want this book to sell and I will do a promotion within my contacts. 2. What is the price I should assign? Thank you for your collaboration.

Cynthia

Hi Coaches.

My Proof of Concept is Couples Therapy Workbook.

Here's the Title. Tell me what you think. Thanks a bunch! 😊

i'm working on my first 30k book with a ghostwriter and it seems we are going to exceed the 30K word count. Is there a hard line limit suggested to stay under with word count? How do I decide if it is better to cut content from the outline or pay for the extra word count?

Alan

Hi Coaches

Please review my two titles

1. Calming the ADHD brain
2. ADHD Shutting down your child's brain

sub-title A proven guide to manage emotions, self regulation and increased focus. Build confidence and succeed in school and life.

I believe ADHD has passed POC. What say you?

Enrique

Feedback on book title/topic. Title: Gods presence and faithfulness. Subtitle: You're never walking alone.

Sandra

For Fridays cal - 2nd title review

Topic: Personal Finance and Retirement for Beginners

Title: Financial Planning & Retirement Guide for Beginners

Subtitle: Master Money Management, Saving and Investing to build a secure financial future

Mercedes P.

I am still in the process of writing the book with the ghostwriter. Do you recommend we start reviewing people's books on Pubby to build the points? Then, once we publish the book, we can have other people reviewing for us. Do you use Pubby during the pre-Launch or Post-Launch?

Enrique

What is the Ai picture generator software you guys recommend?

Rachael

Hi Coaches! is trim size and book size the same thing??

Rachael

Hi Coaches! Am I supposed to somehow give credit or acknowledge my illustrator, ghostwriter, and editor in my book? I am terrified I'm going to do something wrong and KDP will block my book or take it down or something!

Enrique

Topic and title feedback: Battling the inner warfare for Athletes. Subtopic: Mindfulness & Concentration Techniques

Linda

After receiving the formatted versions of a book from Publishing services. How do you insert the images into these formatted book files.... Thank you

Catherine

I heard that you can't copyright a book with AI content through Amazon and KDP won't allow it on Kindle. Is this true? How do you work around this if you want Chat GPT to help write your book? Thank you

Elizabeth (Rene')

Hi Coaches -- I have chosen & paid for my winning Design on 99Designs! The course told us to purchase the ebook package. Now, once I gain the files, I will go to Fiver to get a different designer to do my paperback and Audible cover. Or do I go back to pay 99Designs? Thanks!

DeAnna M.

1) How is my first book title? Any feedback?

"Mindset 101: How to Unleash Your Highest Potential for Personal Growth, Lifelong Success, and Abundance."

2) Should I choose to use the Beta AI vs the hassle of finding a ghostwriter? I feel like Beta might be a better option for me as I loved the outline it already created.

Max

Do we create the review page before or after we publish the book since we need the book ASIN for the Review page?

Jim

I'm working on a low content book. It will be an activity book for kids. From what I see these are paperback only. I plan on sending PDFs to people so they can review the book when I publish it just like when you get reviews for your 30k book. Will Amazon let me run a free promotion so I can get verified purchase reviews? If not, is there a way to get verified purchase reviews for the activity book? Any other suggestions on getting reviews as soon as the book is published.

Thanks

Howard

Please provide your thoughts and suggestions as I decide on a book cover. Thanks

I would like feedback on this title. Meets POC. The book is not a planner/organizer itself.

The Stress-Free Guide to Creating an End-of-Life Organizer: Your Quick Guide to Peace of Mind: Wills, Healthcare, and Legacy Planning Made Easy

Greg P

Do you recommend focusing on books directed to seniors and women as they are more avid book readers?

Greg P

Do you recommend focusing on books with POC topics that can remain popular?

This is in contrast to books focused on topical subjects such as the iPhone 14 topic that become obsolete in a few years?

Greg P

What about when the book covers a topic that applies to all models of a certain year such as Android phones? The phone features are the same for their standard sized screen as well as its larger version. The functionality is based on the operating system rather than the actual phone. Is it a good idea to put that in the sub title? For example: "Android Phones for beginners: step by step guide for all 2024 models using OS 14"

Greg P

What are your suggestions for seasonal topics like gardening books? If I start in February and the book takes 3 months to publish, its already past its prime buying window of early spring planting planning. Should I target publishing the book in December so I can build momentum into the spring?

Hi Coaches, here's a copywrite question:

There was a post on the AIA FaceBook page yesterday by Vera Miller who said her copywrite application was denied because it was written using AI. What specific question related to using AI is asked when filing for copywrite and how can it be answered honestly to obtain a copywrite that acknowledges AI was used but modified and edited?

Thanks!

Kurt

Hi Coaches, How can I get answers from PubAI? I sent an email to Help with detail questions on Outline, and they responded saying to go watch the video. Video did not answer my questions. What can I do to get help. Thanks
