Submit your questions live on the call in the Zoom Q&A field. We will pick and choose the best the questions to answer.

FYI

There are many students on this call, all at different points in their publishing journey. We receive many questions and do our best to choose the ones that are applicable and helpful to the majority of attendees on this call.

We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

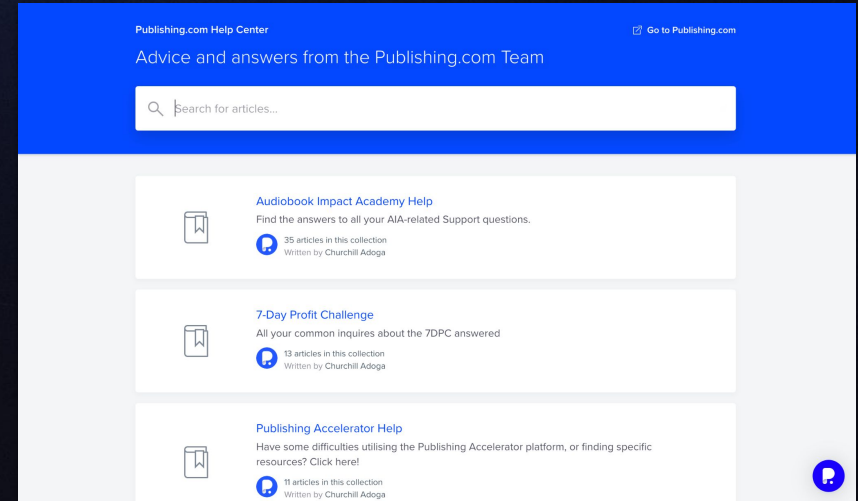

Most Frequently Asked Q&A Questions:

Visit our Help Center

help.publishing.com

- Account related (resetting password, Facebook group, etc.)
- KDSpy, incognito, Chrome etc.
- 7 Day Profit Challenge
- Pen names

In the Help Center, you will find clear answers (with videos) to all of these questions, so we will likely skip all questions related to these topics.

PS Monthly Discount - May

AIA students on Q&A calls get monthly discount codes from Publishing Services for various packages. New codes shared monthly and active all month.

Hello coaches and fellow students. After a couple of weeks of failed proof of concepts, I finally found a suitable topic that is exciting to me. Please tell me what you think of the following titles and Subtitles and if they would pique your interest.

The course only shows how to find categories for paperback, and I have added my paperback to 8 more categories. But I learnt that finding categories for my eBook is a bit different. Can you please show me how to find categories for my eBook. Thanks!

Could you please critique my title and let me know if my book will still show up in search (Amazon and Audible) if someone is searching for “social skills for teens?”

I don't have SSN yet, can i still go on with this...

Hi Coaches,

I took another hard look at topics that I can contribute to, and all of them failed the POC criteria. Somehow, books on effective or persuasive communications don't sell. Only one became a blockbuster, but I can't compare to this author.

I'm stumped, because my ideal audience would be Asian professionals who are shy/introverted/brought up never to brag. They have a lot to offer but aren't seen, heard or promoted in the western workplace. There are tons of people with this pain point and I have the communications strategies for them.

However, they may not even know there's help out there.

Do you have any insights into this?

Rose

Working on 7-day challenge. Intro recommended doing before module 2. I am wanting to add different images throughout, but not sure how it will come out when I submit to kindle (still on day 5). Writing on word doc, but will be putting in google drive when done. Should the images be put in place in word or is there something more specific when it goes through kindle?

Thank you for any help/recommendations!

Jill

So I am not clear on setting up ACX and KDP accounts now as opposed to later. I have not decided if I will start as a DBA or an LLC. It is said I can change that later but I don't want to do double the work. I have a bank account set up now for business only but it is just in my name. When I later have an LLC, will I have to open a different bank account specified by the bank as a business account or do you think I can keep the same bank account whether I am a DBA or an LLC?
