We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

I went to <https://copyright.gov/public-records>. The results were "Not found..." I went to <https://uspo.gov/trademarks/search>. It was confusing. I did 3 Title/Subtitle searches. Not sure which to pick. Not sure I searched correctly either. These were my searches at copyright.gov/public-records. I want to be super certain any one is ok to use. Need your help.

I am new, one of the lectures talks about using Publishing.ai to generate book topic ideas, this feature does not show on my publishing.ai page. Is there something I am missing?

Timothy Jerrow

Curious about how many books I can try to publish per year. Are saga books possibly? Create a story and build on that original story? I understand that this is not a "how to" book but I am very interested in doing this.

Dan Priest

Hi coaches...i want to write a book about the relevance of ancient herbalism in today's society + offering some herbal remedies.

If I check in KDspy under Ancient Healing Remedies, I seem to have POC.

I have a few book titles could you have a look at them and offer some guidance.

Timeless Healing:How to benefit from the relevance of Holistic healing in Today's world with 250 "Holy Grail" herbal remedies

Nature's Pharmacy:Reclaim control of your wellness and unlock the secrets of Natural Healing with 250 essential Holistic remedies for a healthier life

Healing through History:The Mind, Body and Spirit benefits of Ancient Holistic remedies and how they compare with modern medicine, with 250 herbal remedies included.

Bridging Eras: Ancient Holistic Remedies and their Modern Counterparts. Unlock the secrets of Natural Healing and reclaim control of your health and wellness with 250 essential "holy grail" herbal remedies.

Christine

Hello, Please critique my title and subtitle. The phrase that met POC is "National Park RV Camping for Beginners." Here are 3 options and I'm not particularly attached to any of them so let's tear them apart and create the best title/subtitle possible!

1. RV Camping in National Parks for Beginners: Your Complete Guide to Master Campground Reservations, Map Out Your Dream Route, and Navigate Park Regulations Like a Pro
2. RV Camping in National Parks for Beginners: Your Blueprint to Master Campground Reservations, Confidently Navigate Scenic Routes, and Conquer Park Regulations--Even if it's your first trip
3. RV Camping in National Parks for Beginners: The Ultimate Guide to Planning Routes, Choosing Destinations, and Stress-Free Adventures

Please provide some feedback on the following book titles. Which would be better to use:

1. Parenting Elevated: Mindful Parenting Techniques for Reducing Stress and Raising Happy Kids
2. Parenting Elevated: Expert Advice on Raising Confident Kids with Mindful and Positive Parenting

Thank you for helping!!

Hey Coaches, please review my first ever attempts at book title creation. I'd love to get your feedback on what works, what doesn't, what flows, what doesn't, and all the wisdom you care to share. (I've watched the videos, gone through the Final Checklist and at times think I should start all over again so, please be kind)

(I'm breaking this up into 3 slides per the 500 character limit)

THANKS! (see next..)

Main keyword is Greenhouse Gardening for Beginners. There are many books with that exact phrase as the main title so I've used variations.

The Best Beginners Guide to Greenhouse Gardening: From Setup to Mastery, Optimize Climate, Soil Health, Plant Selection and Pest Control for a Bounty of Vegetables in all Seasons 178

The Ultimate Beginner's Greenhouse Gardening Guide: Easily Master Climate, Pest Control, Plant Selection and Care to Enjoy Sustainable Organic Harvests in any Season 165

These speak more to desired results rather than the specific action items. Does this work or is it not recommended??

Beginner Greenhouse Gardening: From Setup to Mastery – Best Strategies Made Simple for Creating and Enjoying a Healthy, Pest Free, Sustainable Organic Garden Years-Round

Character Count: 170

A Practical Beginners Guide to Greenhouse Gardening: From Seed to Harvest, Grow More, Save Time, and Enjoy Fresh, Healthy Vegetables, Fruits, and Herbs Year-Round

Character Count: 162

Does it matter if the PDF copy of the book you sent to the earlier reviewer does not have a book cover?

Terrie Huberman

Hi Coaches.

I know we get several generations of each section in the Pub. AI except for the actual manuscript...Since I'm still generating outlines for my book and finding what will be best, should I start a new 'project' under the publishing assistant for each version? Or is that considered a new book?

I hadn't made a final decision for an outline yet and I changed the vision of my book to add steps in bullet form, and the version I had already completed, didn't save... OOPS!

Bee Andrews

For the title session on Saturday 2/1, How is this, please? "Succeed as a Woman with ADHD: How to overcome negative self-talk, enjoy work and relationships more, and learn to love yourself."

would you send reviewers a watermarked PDF from final word docx being sent to PS for formatting, or would you wait and only send/share the official PDF product from PS after it's formatted?

what fonts do you prefer when formatting your books.

do you ever use san serif?

what font sizes?

do you use any extensions or other apps to organize your ChatGPT conversations?

Laura Smith

I am in the very beginning of picking out my topic and want to get the best out of my 1:1 so I am curious about picking out topics. When looking for a topic is it better to find one that there are a lot of books about it already or a topic that has fewer books about it when looking in Amazon Books?

Ron Williams

My 2nd attempt at a title. As a result of your suggestions on my 1st try. I think this is much better.

2. Embrace Healthy Aging: through a simple actionable plan of small daily habits to maximize strength, balance and mental clarity while experiencing a renewed purpose in life. (143)

Just want to be successful after taking this course, how could you all make it possible?

Rachelle Escudero

I took the advice from a previous question I had and hired a freelancer on "Upworks" to edit and format my book. So far he is professional, engaging and very knowledgeable. He also helps with launching my book.

My Question: He recommends I sign up for a VPS. Is this normal? this is what he wrote

"One more thing I wanted to mention is that you will need to purchase a VPS as well. The VPS will cost approximately \$15 to \$20 per month. This will help prevent IP clashes, which could put your account at risk. You can purchase a VPS for your location to ensure that no IP conflicts occur.

Amazon bans accounts due to IP clashes, so investing in a VPS is worth the cost. It will also save us from repeatedly requesting OTP verification from you."

I'm working on a book on Travel Tips - I have a long list - is there software that will organize info into chapters as well as write it out?

How do I make my ghostwriting services available to clients here? (30 years experience as a professional journalist/writer/editor)

linh nguyen

If I want to hire a editor for my book, how do I protect my work from being pirated when I send them the word file? Can I trust editors on Fiverr? I see on module 3 that there are steps to work with a ghost writer but there's no video for human editors.

Courtney Clark

I want to use exercise diagrams/illustrations as my book. My question is how to create this using AI, if I want to model and demo it myself and add the images. And for the audio book, I would guide the exercises using my voice (which I plan to narrate), so how can I do "both --and" ? I like "both and" , as opposed to one or the other. Please advise.

Hi, I have two titles, which one is more appealing?[Pronounced "Yidrasil"] 1- NORSE MYTHOLOGY, Journey through Yggdrasil, and the nine worlds. Unveiling the gods, goddesses and mythical creatures there. From the Creation to the end, Ragnarok 2- NORSE MYTHOLOGY, Yggdrasil, deep are the roots of its legends. The branches of fate hold the nine words in place. Venture into the ancient stories, and meet the gods and goddesses.

What's up, coaches. I have a lot of questions. Should I keep my book enrolled in KDP select if I want sales? If my name is not on the cover of the book, and it's someone else's name, but I made and published the book, what would that look like to others? Is publishing.AI open to literally everyone or just AIA members?

Bernadette Fischer

Hello, coaches. I am a new member, joined 2 weeks ago and almost done with my first book. I'm curious how I can access Module 4 (Finishing Touches), when will it become available? I finished Modules 1-3 but 4 remains locked. I also hope to set up my publishing business this year, and would like to know whether I should wait until I start getting paid from my first book, or do you recommend that I set things up now as if I already have income from the business? When would be an optimal time to establish an LLC? What else am I supposed to do before I launch on KDP from a business perspective?

Thank you in advance.

Edna Mattos

Regarding references:

The manuscript already contains references provided by Publishing.ai.

I purchased the Grammarly plan to include the plagiarism check.

This check mostly provides additional “citations”- a multitude of extra citations—in addition to the references that Publishing.a.i provides. It also flags that it is AI-generated and that it should be noted as such. How do I handle this?

In most cases, I changed some of the words, but Grammarly still continues to reference the same citations. If I include these additional citations, I will probably have more pages with references and citations than what the whole manuscript contains. In some weird cases, they are totally unrelated to my topic. How do I address this issue?

On a separate topic, I sent you information regarding (3) different titles that I am considering. I did not receive a Zoom code to join the discussion for the next meeting. I’m assuming this was not discussed, and perhaps tabled for the following session, but again, I didn’t receive a Zoom code to join the discussion, and the transcript hasn’t been uploaded yet.

The Q&A transcripts do not have subjects to refer to, and they are not listed chronologically by date either. Navigating this is extremely time-consuming and inefficient. Just saying.
