FYI

There are many students on this call, all at different points in their publishing journey. We receive many questions and do our best to choose the ones that are applicable and helpful to the majority of attendees on this call.

We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

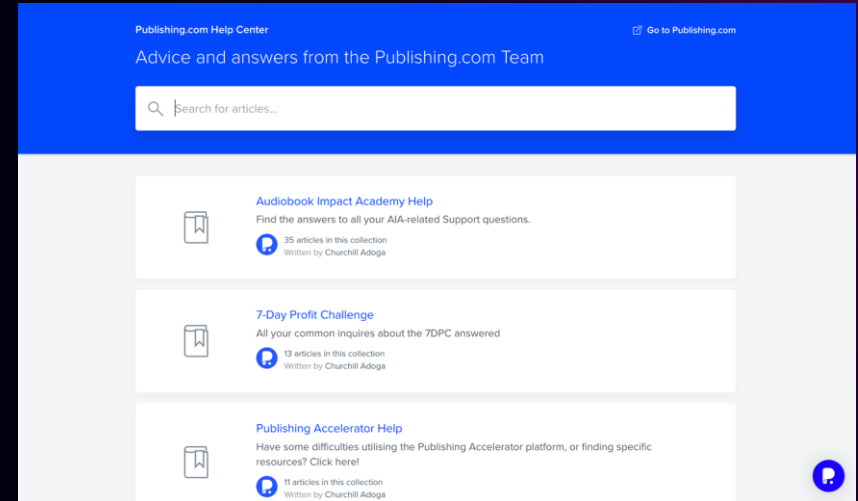

Most Frequently Asked Q&A Questions:

Does the trademark issue occur for company names as well? In other words, if I can register my domain name with Godaddy, which means there are no other businesses online with that exact name, does that mean I can use it on the internet for my business? Or, do I have to do the trademark search for any business that might have it a word within the name trademarked? The trademark lesson seemed to be about book topics not business/domain names.

Hi,

I have found two very promising writers on Upwork. They both passed the Zoom Interview and I would like to proceed with a paid writing test. What is the best way to go about this? Should I post a "job" on Upwork for a writing sample and invite them to accept it? I created a Slack account based on the Twins suggestion in their video on hiring a ghost writer. Is it a violation of Upwork policy to just work out the details via Slack? What do you recommend?

Thank you for all your help!

I have checked Model 3 Lesson 4 and Model 4 Lesson where AI lesson is supposedly located, but couldn't find it. Am I missing something or is it not supposed to be on the dashboard?
