I copied and pasted my manuscript to Grammerly , chapter by chapter. I now want to bring it all together but it is in sperate folders. I don't understand how to get them all together again for formatting.

Tarcisio

Hi coaches!

I understood we cannot have more than 5 or 8% plagiarism, Does it mean in one paragraph from one source? What about if we have many paragraphs with 1% ?

Tarcisio

Hi Coaches, I love those sessions. Thank you.

I joined AI Publishing 4 weeks ago. I have been following step by step. Now, I am working hard to proofread and check for plagiarism using Grammarly; I am very conscious of those aspects. Also, I feel I need to have a fair amount of knowledge about the book's contents so I can put my own name on it and talk to people confidently about the subject. However, because of my time constraints, it is probably going to take me another 3 days to finish this stage; I have done 87%

1- Is it too bad/slow?

2- Do I still need to send it to a professional editor?

3- Are there people who edit and format it, or does it need to be sent to different people?

4- What is the difference between using Reedsy and having a professional formatting it?

Thank you so much

georganne

Hi. would you please review the following titles (3). I've followed with a list of titles from top selling books by non authority figures. i was confused with the response to my previous inquiry about the "problems solved" aspect. thank you so much.

POC is Beekeeping for Beginners. there seem to be a lot using the title 'beekeeping for beginners' so trying to stay away from that.

Hello,

I am in the process of finding a ghostwriter on Upwork.

At the meeting, the writer said she doesn't have access to a camera and can't walk to an internet cafe because she has a baby.

Her profile looks great, has good reviews and the blue tick says "This freelancer's identity has been verified through a government ID check and a visual verification".

Should I go ahead and ask for a paid written sample?

Hello; I am still a newbie and working at a turtle's pace due to demanding work hours and dealing with family matters. I have 2 questions:

1-Once I've requested an outline, can I still add a new ASIN, that I like to generate the next outline? (or does this confuse the system?)

2-Can you bundle a 30k book with a 7DC book? Do they need to be in the same MICRO-category or could you merge, say, menopause and caring for aging parent? Both are aging related issues.

Thanks in advance. I will likely not be able to sneak away from the office to wait for my question to be answered but will pop up in the chat if I can.

Michele

Hi. More questions relating to ASINs and outline generation:

ISSUE: I had generated an outline with 5 ASINS. I saved it, found another ASIN I liked, and generated a new outline with it added. I prefer the first outline.

QUESTION 1: Can I revert to the initial outline and if I do, do I have to remove the ASIN that was added after? (assuming I do!) There does not seem to be any info in the training relating to adding/deleting ASINs.

QUESTION 2: Can I generate a new outline (or multiple) using only the first 5 ASINS or does the system retain info from that 6th ASIN? I'd like to see variations of the first outline that I generated. Or...

QUESTION 3: Am I better off creating a new folder and starting over with the same topic, using the first 5 ASINs?

Jody

I'm new. What is the 7-Day Profit Challenge and where can I learn more about that? Thanks.

Also - there's no way to sign up for the Q&A calls this week (as of the time sending this message). Still stuck on last week. I tried Incognito and got same message. Thanks.

Abraham

Hi, I'm creating a fun fact low-content book.

I collect the facts by going through some sites and copying the itinerary.

Now, I need to change the wording; my question is, what does that mean exactly? What's like the following: copy/paste - "The longest reigning monarch ever was Louis XIV of France. He ruled for 72 years, 110 days. Exhausting." I'll change it to this: "The longest reigning monarch ever was Louis XIV of France. He ruled for over 72 years."

Is that okay?

Tori

Looking for title and cover feedback. My title is:

Low key looking for another word for "handbook", but I can't seem to find another I like.

I seem to recall some kind of review process for titles, maybe? or even manuscripts? but I don't remember where we access those processes. Thanks

Kurt

Hi Coaches - got a kinda dumb technical question about creating the ARC. Cover and manuscript are done, and have PDF file of each. What I heard from many is somehow creating a single PDF containing the Cover and manuscript. How is that done as I don't have software to edit PDF? Thinking but don't know maybe to load to KDP and maybe export from the previewer? Thanks for guidance. Cheers!

Hi there Once I've finished the book, is there any way of checking that the title, subject and everything else is correct and that the book is ready for publication?

The two versions of the same only differ in layout - place of the subtitle, plus font size for the bottom line (my designer prefers one, while I like the other). One design has not yet been corrected for the missing space in the BY MID-CENTURY

Hello, I've finished my book, checked it, now I need to know how to show it to Turnitin, please?
and what's after that? How to publish it? Thank you

Alex

Dear Friends, I spent a lot of time fighting with your AI trying to write additional phrases in my book in a proofreading mode. The manuscript would freeze for a several minutes, preventing me from writing, saving- freezing-saving, etc. It's taking a lot of time. IMHO your software programmer must make a switch, so we'd turn AI editing OFF while working on final editing. Thank you

I saw a video about the two tools I need to download for gathering research. At the end of the video they said there was a link for them and it was not there at the end of the video. How do I access it? I am trying to find the video that I am mentioning and I cannot find it.

Hi coaches, I'm so excited. Just got my formatted 30K files back, and getting ready to submit for QSA. I have started my FB review process, and also started reaching out to my 750+ personal friends and work colleagues, A dozen of which already responded the same day to get an ARC. Even if FB reviews don't work so well, my personal contacts should get me well over 100 reviews. I think I'm gonna go ahead and push it up to Amazon anyway unless you think I should wait for some reason.. I'm gonna need to pull it back in a few weeks anyway to update the copyright page. You guys have been absolutely the best with your support and advice. Many many thanks. & cheers

Hi again Coach and Everyone :-) What do you suggest about my current challenge on Pubby? Usually they have good Customer Support, but in this case I need a little extra help. My two errors which I clarified to them in several emails are: I told them the wrong Reviewer Name (I thought it was my regular name, but actually I use a pen name); and in this case after reviewing I forgot to log that into the Pubby Account. So, Pubby told me I had missed the deadline and they canceled that book. When they told me that, I realized my mistakes, and have emailed them 5 times, including the link to my review on Amazon, but have yet to hear back from them regarding restoring the snaps to my account. Does Publishing.com know anyone there/ have any connections? Or is there something I can do? I spent the 4.99 and hope the review will equal snaps. Thank you!!

Hi, hoping for a little help!

I'm struggling with understanding where to land with my Topic/Title/POC.

My topic is co-parenting, POC checks out, so do I have to keep my title general to co-parenting due to POC? If I title it "Co-parenting After a Difficult Divorce", does this niche it down? When you think of it, all co-parenting books are usually for after a divorce. However the POC of "Co-parenting After a Difficult Divorce" is not good. If I stick to the general Co-parenting topic, I'm not sure how to title it without niching down or having it lack interest such as "The Ultimate Guide for Co-parenting" or "Co-parenting Success" which I feel are weak and and unrelatable.

I would love some clarity.

Thank you

Claudia
