Hi Coaches! Can you check POC for me? Thank you!

1. First time mom postpartum guide
2. Pregnancy guide for dads
3. Social skills for teens with autism
4. Money skills for teens

Charles

During topic research should I be overly concern of the topic matching exactly ?

anne white

My topic could be Managing Anxiety Through Art and Creativity : Exploring the Therapeutic benefits of Artistic Expression in Anxiety Reduction. I have been exploring topics for weeks. I saw there are a lot of Amazon Best Sellers on reducing or managing Anxiety. So I went to Chatgpt and asked it to niche it down. and Chatgpt gave me the above topic which I think is good. My title would be "Brushing Away Anxiety: The Therapeutic Power of Art and Creativity" Should I go with this??? Thank you.

Pam

In "Choosing a Book Topic," Rasmus said to put book topics into the "POC spreadsheet. How do I display that spreadsheet? I looked lots of places with no luck. Also, the sheet in the video appears to be part of the AIA Topic Research spreadsheet, but another page.

Kourtney

Please give me feedback on my topic to start my journey with. Most of the topics scored above a four on KBSPY

1. Breathe Easy: The science of stress management
2. Managing ADHD with Love: Parenting strategies that work
3. Against all odds: Overcoming anxiety and Depression
4. Passion to Profit: Small Business and Entrepreneurs strategies

Rachael

I'm thinking about doing AI in the classroom for my book topic. I also tend to overthink everything lol. Could I get your opinion on if this book would pass POC? On previous Q and A' calls it has but it looks like one of the books has 3 authors and is slightly over 350 pages so I'm not sure if I should count it. Could really use a different perspective!

I'm definitely in decision paralysis! This is my first 30k book and I want to make sure I'm choosing a good topic to set myself up for success. Thank you!

Rachael

Thinking about doing Wall Pilates For Women as a topic. I would love to get a second opinion on this topic because it looks like it passes POC by a lot, but a lot of the books are only around 100 pages and some are in color not black and white. Are these considered red flags? Also, wall pilates for "women" is in some of the subtopics along with beginners and seniors, is that okay? Or should it specifically be just women and just in the title? Would love to get your thoughts.

Derek

POC: I'd like to write about "intermittent fasting for women over 50." Is this a clear yes for POC?
