There are many students on this call, all at different points in their publishing journey. We receive many questions and do our best to choose the ones that are applicable and helpful to the majority of attendees on this call.

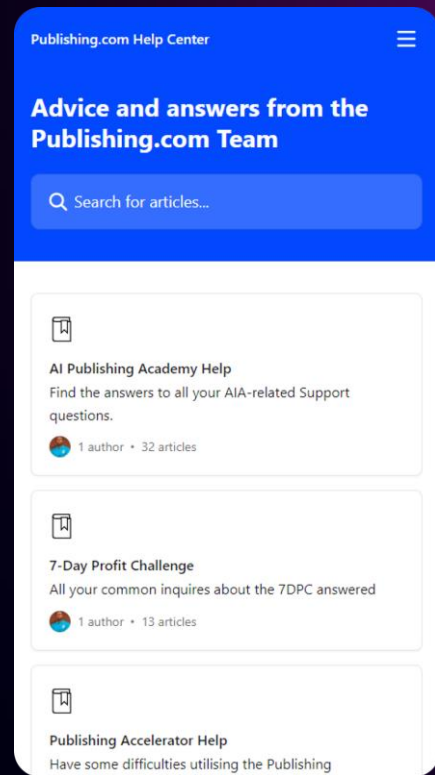

We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

If we have a book that will need some instructions or illustrations how do we go about getting help for that? I know they said color books can be expensive, but how about just black and white diagrams, and/or illustrations? Thanks.

What do I need to do to establish a pen name. I've thought of one, I just need to know if it's available to use. Is there something that I need to do if I intend to use a Pen Name?

Thanks

My biggest fear is that I get kicked off of Amazon after getting started on it. Do you have any suggestions to how to keep that from happening?

Rose Jones

I am starting trying to finish up on my 7 day challenge, Lots left to do . This has been a rough time for me recently, but I started to find some inspiration by going back to what I have enjoyed in the decades. I decided on fun travelling through different parts of the world. I am perplexed about getting around the color problems, but I am happy to have my topics chosen.

Tyler

Updated my book titles after feedback thoughts?

My pressing fear of this process is that I get going on Kindle and I lose my account for some reason. Do you have concrete advice on how to avoid that?

Rose Jones

I have decided on train travel as my 7 day challenge, hoping to be finishing up by tomorrow. Main question is - I am having a hard time believing this will be desirable without color pictures. Where in the course do we learn about putting in the QRS codes that lead to colored pictures. Also can you have affiliate links to anything in your books? For example I am an eBay affiliate and there are a lot of links to beautiful train related topics on eBay. I think I could make a series of these books easily, and even have a bundle as time went on.

Donna

Can you request an outline on a topic more than once. I want to break down the chapters with the outline to make sure I am addressing all parts of the topic in the writing.

The audiobook module recommends Author's Republic (AR) for those who cannot sell on Audible. I'm not sure when the videos were recorded but is AR still preferred over Findaway Voices (FV); now that Spotify bought FV? I did some personal research, it seems FV give us access to review codes, similar to ACX (which was a con for AR), we also get to keep 100% of Spotify sales (AR is 70%) but the distribution channels of AR seem to be larger than FV. So from what I gathered, FV looks like a better option overall but I'm still a newbie in publishing so I thought I'd ask you

My KDP account is set up under my name and SS#, but I want to change it to my LLC for tax purposes and so it shows up as being published by a company. .Is there any reason to NOT change it? Any problems if I do that I'm not aware of? Im concerned about having a personal amazon account and a business account on kdp. Is that a problem or am I misunderstanding?

In creating line drawings for the inside of a book, would Canva be professional enough? ChatGPT? Midjourney? What would you recommend?

I have my manuscript completed and it sounds very good. However I hear that it's important to add your own personal touch. I'm struggling because my book is about co-parenting and I'm not a parent. This is the only information that I feel is missing and don't want negative review because of this. How would I include (my own touch) to this book? Any ideas much appreciated?

Hi Coaches, For the subtitle

CREATE A LONG-TERM FOOD STORAGE HIDEAWAY,

LEARN BUSHCRAFT SKILLS AND OFF-GRID SECURITY TACTICS

TO TRANSFORM YOUR HOME INTO A SAFE HAVEN

Seems that changing the middle sentence AND to a comma and in the last sentence starting off with AND makes it flow better. You agree?

Hi, Sorry follow up question but please feel free to pose the first question: Is there a copyright or any other publication infringement in using the 5,000 word book as your vision for the book in the 30,000 word book in the ai platform? Is there a better input. In case they can use it to teach the most productive way to get to the first full length book. My now question is If I use the information from my 5,000 word book to create a 30,000 word book is it a rewrite? Sorry for the informality. Thank you.(you can crop the question if you need to)

Len

I have my first formatted manuscript and almost ready to launch. I inputted the mid book review and the end of book review pages and I am confused on when and how to do I add the QR code and the link so that the reader can scan and provide a review. Can you help me with the process?

I have an issue with Amazon Ads. I want my book to have the title "HOLISTIC CANCER BEATING" and the subtitle "Empower Your Medical Treatment with Mindset, Nutrition, Detox, and Exercise Strategies to Achieve a Cancer-Free Life". But Amazon does not allow ads with "beat cancer", "cancer beating", "cancer treating"... My book's content is about holistic beating / fighting cancer. Please suggest solutions! Thanks!

Hi I am a newbie.

I joined with the aim of using my area of expertise to expand on my online business courses and am struggling with poc. I live in Australia and the internet is very weak where I am, when I try to get into Amazon I either cannot do so or it drops out..

My 30+ live seminars and online courses focus on 'soft skills for middle management': for example, performance management, effective praise, curbing interruptions, communication skills for first time managers, listening skills, dealing with negative staff, and more. Can you please help me with poc. Thank you very much.

sILVIA

Hi I would like to add to the question sent in a few hours earlier regarding seaching for poc. I am especially interested in "listening skills' as a key to enhancing family, social, and career relationships. Thank you!
