Is there a program that transfers a color photo into a b/w illustration? I am working on a gardening book and won't be able to add color photos.

Hi everyone, I have some problems with the Amazon ad. This is my first time running an Amazon ad, and It wasn't approved for the following reasons:

"Your ad contains content or product(s) prohibited from advertising. These may include medicinal or therapeutic claims, such as claims to treat, cure, heal, or reverse a disease, addiction, or ailment. Please review section 4.6 Self-help books under Book Advertising Guidelines and Acceptance Policies and update your ad."

I don't know if it is a matter of changing the title, the book's subtitle, the ad keywords and/or the set-up.

My Book Title is " The Ultimate Herbal Medicine Handbook: 7 Beginners Tips To Start Your Herbalist Path and Master Natural Remedies, Herbal Recipies, and Healing Tinctures"

Can the video lessons be downloaded to watch offline? I don't have Wi-Fi at my job, and I have limited data on my cell phone.

Does anyone use Grammarly to proofread and edit their manuscripts? Or is there another software that is recommended?

I am having some real analysis paralysis. I had a title for my book, which I liked, but it was too long and main title didn't have keyword. So I did some ChatGPT and some FB help and I've come up with Living Life Organized: Easy Steps Anyone Can Follow to Declutter and Create a Clean Space for Life or perhaps The Organized Life: How Anyone Can Create Clutter-Free Living. What do you think? Because I have the outline now, thanks to PS, and I'm ready to review writers.

Are time of the 5X Q&A session week day change, I currently have a 9-5 job which the week day time I may not be able to attend during the live calls, I know the calls will be recorded, but curious as to whether the weekday calls times set in stone?

My question is my new book came out on 08/18/2023 and the title is THE ULTIMATE GUIDE TO CAMPING IN NATIONAL PARKS59 ESSENTIALS FOR CAMPFIRE COOKING, BACKPACKING, FAMILY CAMPING, HIKING GEAR, AND EMERGENCY PLANNING. I do not have 100 reviews on this book yet. I have about 20 right now. I was wondering if I could get start on my second book early because I am outsourcing it and I know it can take about a month to get the outline and to get it ghost written manuscript. Also, where should I go with my next book and what I mean is could I do camping with a rv in national parks or camping with only a backpack in national parks stuff like that. Thanks

My book is on Audible, and I would like to add a PDF. Do I send the file to ACX support?

If so, how long does it take for ACX to upload the file?

Any other advice regarding this?

Thanks, coaches!

I want your professional opinion on this book title "Unlock Emotional Intelligence for Kids 8-12: A Step-by-Step Guide to Enhancing Social Skills".

I am a Graphic Designer and Art Director with over 25 years of international experience in the Advertising and Marketing industry. I've been a part of this community for a week now and am eager to contribute my expertise in design, particularly in the area of book covers. While I'm not offering to create book covers, I am more than willing to provide in-depth reviews and specific recommendations for improvement.

Previously, I've offered similar insights in a Facebook group where members seek design opinions. However, my contributions often come late in the conversation, and without establishing my background each time, I fear I'm not as helpful as I could be. It's painful to think that the success of a book—a project into which someone has invested so much time and passion—can hinge on the initial three seconds that capture a potential buyer's attention. Even minor design changes can make a world of difference in those critical moments.

My 30K word book has been published for a year. It has over 300 reviews with a rating of 4.8 stars. It has A plus content and video reviews as well. It is in the parenting niche. I have sold 70 audiobooks and 120 paperbacks. However, I cannot generate any organic sales as all the paperback sales are from ads. At this point, I am break even or worse on the ad spend. Is it because I need way more reviews to be visible due to the niche I'm in? What do you suggest to get more organic sales?
