The logo consists of the letters 'FYI' in a bold, white, sans-serif font, centered on a blue rectangular background that has a slightly distressed or torn edge effect.

There are many students on this call, all at different points in their publishing journey. We receive many questions and do our best to choose the ones that are applicable and helpful to the majority of attendees on this call.

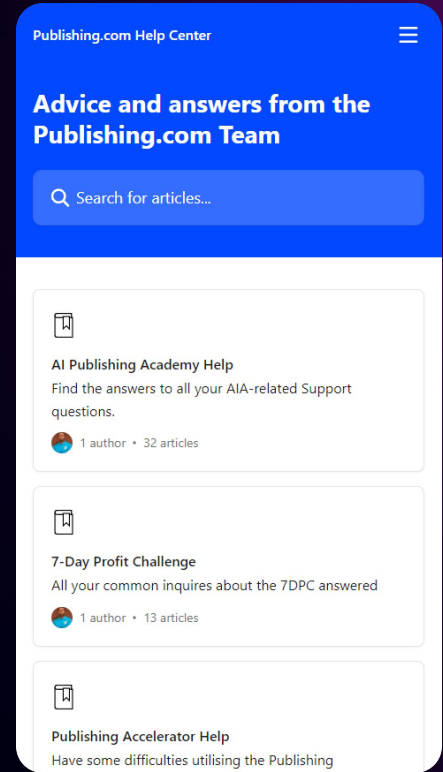

We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

Hi Coaches

When humanizing our manuscript using Grammarly, I'm at 98 percent for correctness, clarity, engagement, and delivery.

then I check plagiarism and the whole manuscript is flagged as 70 percent al.

how do I get past this

Hello coaches I am seeking feedback on my bundle title.

Title of Book #1 is Comprehensive Guide to Co-Parenting With a Narcissist: Solutions to Protect Your Children, Maintain Boundaries, Prepare for Legal and Financial Battles, and Start Rebuilding

Title of Book # 2 The Definitive Guide to Raising Resilient Children: Empower Your Kids to Master Their Emotions, Solve Problems, Overcome Adversity, and Build Unshakable Confidence

My proposed title of the Bundle: The Empowered Parent Collection: A 2 in 1 Guide to Co-parenting with a Narcissist, Protecting Your Family, Rebuilding Your Life and Raising Emotionally Strong and Confident Children

I have received conflicting information regarding what words can be in the title/subtitle of the bundle. Last week I submitted my title for feedback and one of the coaches stated that words that appear in the original titles cannot appear in the title/subtitle of the bundle.

What are the possible consequences of using a registered Trademark in a book title? I can see many books about how to use ChatGPT, Instagram, Google SEO, etc. What if I'd like to have a book about a new proprietary software or new tech? should I contact the owner of the brand to get their authorization? Thanks!

Paul Thompson

Why should it take 6 months to publish my first book? The process seems easier than that.

Sylvain WANG

How well does the AI software handle technical topics such as computer programming when generating manuscripts? Does it generate reliable computer code examples as well? Just asking for any feedback if anyone has tried it yet. Thanks!

Hi Coaches! I have a few questions about audiobooks.

1) What do we do with the References section? Do we include it? And if we do, how?

2) I noticed my narrator did not read anything that is in parenthesis () Is this a normal practice? Some of this info is important. For example: Setting SMART goals (Specific, Measurable, Achievable, Relevant and Time-Bound). How should I approach this if he didn't include any info inside paragraphs in the whole book?

Thank you for your help and guidance with this.

Silvia G.

Hi Coaches,

I have a couple of questions regarding audiobook reviews.

1) How many audiobooks can we, or is it proper to, review per day in order to "stick" in Audible?
How long should we wait before posting a review?

Thanks!

PAUL THOMPSON

I am so excited to start my 1st book but cannot log into Publish.ai. Will Support help me do this?

I just published my 7 Day PC E-book. In the description it says the Print Length is 35 pages. Yet, when I tried to upload it into a paperback and hardcover print copy version it tells me there are not enough pages to create a printed copy.

My questions:

- 1) Do you have any tips about why this is happening and how I can correct this problem?
- 2) Do you know if the E-book and the printed book have to have the same content?

Ayanna Pierson

Hello, I'm wondering if my topic meets proof of concept. I'm finding a lot of planners/organizers specifically on my topic. These books meet the less than 150 reviews making \$500 or more requirement. However, only a 1 book 10k - 30k words for the 150 reviews/\$500 requirement. There are more books 30k words over the 150 reviews. Does this topic meet proof of concept?

Neal Greenberg

I have finished my manuscript and am currently editing it. My book title is: Quick and Effective Balance and Strength for Seniors: Simple Illustrated steps to quickly get strong, avoid falls and maintain a high quality, independent life. I may have missed it but I will need to add photos or graphics to show exercises. Is there a best practices for formatting graphics into Publisher or am I missing something? Thanks for the clarification

A title question:

I have POC for 'DMSO'. Just that, there are no sub-niches. Also no specialized audiences, not by gender or age or anything else I could find.

My title is 'DMSO Healing'

My trial subtitles start with one of these (without the elipses):

Complete Guide to ...

Step-by-step Guide to ...

Home Guide to ...

and continue with one of these:

... Natural Pain Relief, Inflammation Reduction, and Freedom from Chronic Conditions

... Natural Pain Relief, Inflammation Reduction, and Management of Chronic Conditions

All those keywords appear in most of the DMSO titles which are doing well on Amazon.

So my question is, would some combination of these be good?

Hello, could you please review my book covers? Personally, I like the 3rd one the most, and I know the bonus sticker and the author's name will need to be smaller for all of them. I also feel that "Postpartum Care" should be more prominent than "The Essential", like in the postpartum care in the bigger font instead. Overall, I'd love to hear your thoughts and any recommendations you may have. Thank you in advance!

It choosing POC for a travel book, I noticed big companies like Lonely Planet and Moon have very few reviews yet they did over \$1000 in revenue. Do I discard those for POC b/c they're such huge companies & probably there's name recognition to help with sales?

Jeff Litsch

I just received my formatted manuscript back from Publishing Services, and it looks great. The next step is creating the cover, and I plan to use 99Designs. I have a few questions before moving forward:

- For the back cover, can I use the book description I created for the Amazon marketplace?
- Will the cover they design work for both the print and eBook versions?
- Do you have any additional advice before I engage with them?

Thanks in advance for your guidance!

I asked this once before but never could go back in and find the answer. I missed the call it was posted on. Question is I am not getting any data info really from my amazon ads. Some impressions but everything else is zero, it looks like i have no clicks and no money spent. Do I have some info not entered correctly or do I need to up bids. I have watched the lesson mult times on adjusting ads but I'm not sure mine were done in the first place or why else would I not have some sort of data showing up. thanks, this part is very frustrating and confusing!!

Can I extend the length of my book (using the AI platform) beyond the default length? If so, how / where?

Mazen Mekhail

im on the final stage of choosing a topic. i did proof of concept for about 110 book titles/topics and have a final list of 12 final topics that all meet Proof of Concept. the one that interests me the most and also is the one that proves to have the HIGHEST monthly revenue and the LOWEST reviews is the topic of "Home Apothecary"/"Herbal Remedies". is that a topic we should stay away from? does it fall under the category of Medicine or cures or is it a topic that the twins told us to stay away from?? will i have any issues when it comes to running amazon ads for this topic? i know its a profitable topic and its one that i am interested in. normally i would be thrilled but for some reason i want to clarify with coaches if you think i will run into any issues when writing this book? i cant attend the call today but i will be re-watching replay. can you please provide with an elaborate answer please this is stopping me from starting my book. thx

Larry Solesbee

1. would you send reviewers a PDF of final word docx before it is sent to PS for formatting, or would you wait and only send/share the official PDF product from PS after it's formatted?
2. what fonts do you prefer when formatting your books.
3. do you ever use san serif type fonts?
4. what font sizes?
5. do you use any extensions or other apps to organize your ChatGPT conversations?
6. maybe not a publishing question, but for the Mac tech guy and all the students on a Mac, have you ever used text-sniper and popclip? Time saving tips and tools for working with text.

Module 5 lesson 2 of Amazon ads video doesn't show the same information as my kdp amazon ads. Please show what the 'dashboard' looks like in amazon ad? Im afraid I dont have the ads console set up correctly.

Ann Thompson

Hi, I am done with my mss and have used 99Designs for a great cover. Your training module recommends using Vellum -- which I've tried, but I'd prefer to hire out the typesetting and layout. Please share the link to the outsourcing you'd recommend. All your suggestions so far have been spot-on. Thank you!

Paul Thompson

I am very new but have spent over 100 hours going through modules, Q&A meetings, and so on. I think I have a handle on the process. My confusion is centered around POC and how it affects the process. It is part of Publishing.ai, right? It helps qualify my topic and title choices, right. Does it keep me from generating outlines and manuscripts?

Paul Thompson

Who or what is the best contact for issues with setting up KDP accounts? (Relevant question?)

Betsy Warburton

My book has 105 reviews, as of this morning has 48,250 impressions, 37 clicks, click through rate of 0.08%, cost er click 0.51, KENP pages 126, spend so far this month \$18.90. Wondering if it's time to change the cover. Have had minimal sales over past few months. Will join the call today but will be a bit late.

Shiraz

Hi Brian! I wanted to ask you a question on AAds. I've waited a month and I have around 9,000 impressions with 32 clicks, but no sales. I watched the videos on AAds and will implement the lessons, but I wanted to ask if this is a good ratio? -

If not, what is the ideal ratio we should strive for click:impressions and sales?'

- [When can you generally expect your first sale (a week? Month, 2 months in?)

- What other metrics can you also look for to know when to fine-tune? (Ie reaching a number of impressions, spend, etc?)

I know I'm still early to expect much on AAds, I'm just running low on motivation, so any words of advice would be great! Thanks Brian!

Peter Doucet

My ad account in Facebook has been restricted because they say it is against their rules but when I ask the question nobody has gotten back to me with a reason why. I am at a dead end and do not where to turn or what to do at this point. Can I converse with a real person at Facebook to find out what is wrong.

Ryan

I have activated my account. I cannot get access to the Publishing.ai software as promised however. I have contacted support multiple times. They keep telling me to activate my account. I did. Please help. My current state is feeling duped. Thank you.

I made my book "free" on Kdp for the three days in order to get reviews but it's not free. It's still 5.99. What do I do?
