The logo consists of the letters 'FYI' in a bold, white, sans-serif font, centered on a blue rectangular background that has a slightly distressed or torn-edge appearance.

There are many students on this call, all at different points in their publishing journey. We receive many questions and do our best to choose the ones that are applicable and helpful to the majority of attendees on this call.

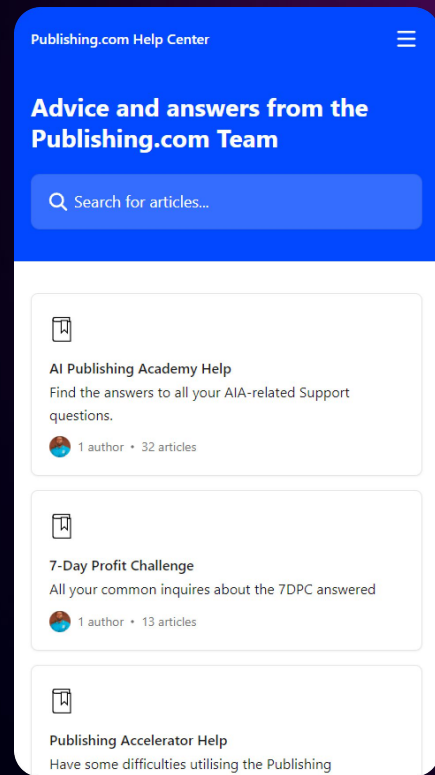

We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

TOPIC RULES :)

- Each student is allowed to submit **two topics** for proof of concept (POC) testing by coaches.
- If a student submits more than two topics, only the first two topics submitted will be considered for POC testing.

For my first book I have narrowed it down to two topics I'm interested in ,and both seem to pass POC - somatic exercises and heal your nervous system.

Would like to write a book combining both: "Somatic Exercises for a Total Nervous System Reset" – can I do that?

I was told that we can't run ads with the word "heal" though so wondering if I change the title to "nervous system reset" if it still works because it's not the exact keywords anymore?

Also, I am a manifestation teacher and would love to write a book on manifesting but the POC isn't coming back great. Wondering if you can help me narrow down some keywords that could work for that niche?

Tanya

Hi Coaches, Could you look at POC for 'Self-Love' please? There are 3 books outside of all the workbooks and journals, but I can't tell if they are written by authority figures. Thank you.

Rachel M

Happy Thursday Coaches,

I'm getting frustrated with POC and I hope these 2 titles make it today. The first one is Intermittent Fasting for 50 +. The second one is Understand Type 2 Diabetes.

Also, is there another day to do POC besides Thursday?

Thanks for your time today.

Sarah

I'm trying to fully understand POC but where I'm struggling is taking the general topic and then niching down. I somehow lose the POC there.

Can you help me with these topics:

Anxiety

Brain Health

Nervous system regulation

Secure Attachment

Thank you

Siu Elizabeth

Hi Coaches (Thursday),

Could you please help me with the POC research on the following titles:

(1) Mindset of Truth and Freedom in Relationships

(2) Managing Unhealthy Relationships

Thanks

Sarah

Could you help me check POC on:

- ADHD children
- Manifesting Money

Thank you

Allen

Hello wonderful coaches

Last week you helped me to confirm POC on " Toxic Relationships" It took me a couple of days to get on it and start an outline and as I went to look back on the successful books which confirmed my POC it seemed like things had changed and that a better topic would be "Healing from or recovery from Toxic relationships"

Can you please once agin help me to confirm POC on the best way to approach this topic?Lastly I was going to bundle this with my first book that I am about to get published on "Anxious Attachment Recovery" but after being on many Q&As it looks like everyone is doing a book on Anxious Attachment..to a point that one coach said we should have this topic removed ..

Should I be totally disappointed after doing all that work on my first book? just need some reassurance please.
