Coaches, I am submitting new titles for your review, after consideration of the feedback received in my previous attempts. The next Q&A is on Tuesday, and due to the time difference, I'll have to wait until it is published in the recording section to listen to your feedback. Here are the titles:

Money Management Fundamentals: Learn Debt Reduction, Savings and Investment Strategies and Develop a Financial Plan to Start your Wealth Building Journey.

What is the best free software program we can use in order to format the ebook for Amazon, so that all of the font sizes, spacing and margins look great to begin with (and not too small) for a How-To book, a Recipe book, and a Fitness and Food Tracker? Also: does Publishing.AI work well for fiction novels?

Can you edit the back cover to your book, after published? Notice an error after published

I need to know if I can go to book description and then come back to generate the manuscript.

Daryl Parker

Can graphics or illustrations be added to the content of the book?

Mary Ascher

I am having trouble getting my paperback out there. It's my 7Day book, so it can't be too big of a file. There are two images - can you tell me more about how I should/should have embedded them? Maybe that's my problem. Thanks.

Jamie Baier

I have proofread and formatted my first 30 K-word book. I enlisted a Fiverr contractor to design the cover. I think I am all set to publish. Is there anything else I need to do before publishing? Or can you point me to another lesson for what else is needed? I have scheduled one-on-one calls with two coaches. One took another position, and the other was ill, so I have not reviewed these questions with coaches.

su zen

Hi coaches! Please look at the 3 book covers and give me your feedback. Thank you! SuZen

Once I use up the one credit to generate a 30,000 word book - how much does it cost to buy additional credits?

Chad Smith

I have been really putting in a lot of hard work on my 4th book with my ARCs and editorial reviews to have a sweet rollout of this book because it is going to be AWESOME! Are there any last minute things that you see on my Amazon page that needs to be updated? I thought that my A+ Content was okay, but wanted to know what you guys thought? Thank you -Chad

I have paid for PublishingAI as well as accelerator. Does publishingAI require utilizing the accelerator information or just for reference?

Nick D'Alessandro

I heard from one of the AIA members in the AIA FB group that may need a privacy policy for our FB business page if we collect email addresses for our reviewer's list. Can you provide any additional information and advice on this?

I may not be on the call, but I will listen to the recording for your answer. Thank you.

Hi! I'm currently struggling with my Amazon Ads. I've tried implementing the tactics in the videos, watched them multiple times and still see limited success. I feel like I could go into so much more detail but would rather speak with someone to discuss it. Not to mention I'm feeling a little overwhelmed with it too. Is there a way other than Publishing Accelerator where you could book a call with a coach and get some feedback or advice?

Devin Loden

Please give your feedback on my title, which will be a bundle with my first book, "The Practical Guide to a Healthy Marriage." Thank you for all your help!

Could you possibly give me feedback on my title and subtitle? It is based on the POC topic: Healing from Trauma.

"Healing From Trauma: Girl, It Can Be Done!

This is my first 30K book and am worried about the word " Healing". Thought to check with you before moving on to creating an outline. Thanks a tonne! Nat

I'd love to get your general opinion on my book title:

The Anxious Brain Solution: Science-Backed Guide to Overcome Stress, Stop Overthinking, & Build Lasting Resilience—Without Supplements or Expensive Treatments.

Do you find it appealing? Does it grab your attention or seem clear and engaging?

Additionally, I'm curious if any part of this title could potentially cause any issues with Amazon's listing policies or guidelines. I'd really appreciate your insight on that!

Lastly, just to clarify, the manuscript will be written with the help of an AI tool that will also conduct research to include relevant studies in the manuscript, right?

Looking forward to your thoughts and feedback!

Andy Watson

Proposed title approved by coach : Living the Fruit of the Spirit Every Day: A Practical Christian Discipleship Guide Grow in Faith, Build Christ-Centered Relationships, and Demonstrate True Love, Peace, and Kindness in a Chaotic World

My mastermind group made a comment that title should be 5-8 words according to the module and less than 180 characters including subtitles. Comment pls, I'll listen to recording, I'm at work

Hello Coaches, I have made some pivots to my Book Title, which is in the full manuscript review process. But I think I want to revise the title.

Can you give me feedback on it.

Original working title: "Bounce Back from Burnout"

Now I'm leaning towards: "Break Free from Burnout"

Subtitle: Essential Strategies for Everyday Stress to Create Calm Amid the Chaos.

In a sticker/badge: "Tools Used by First Responders & Trauma Therapists"

I also have a draft book cover that I'll add to a separate slide if that's okay.

Thanks so much

Nadia Dayao

Here are three cover concepts from Ideogram. I want to choose one and have the image and font sizes fixed in Fiverr. Ideogram does not seem to be up to the task. That transparent body image is used on all the most successful DMSO books.
