OPEN Q&A

Submit your questions live on the call in the Zoom Q&A field. We will pick and choose the best the questions to answer.

The logo consists of the letters 'FYI' in a bold, white, sans-serif font, centered on a blue rectangular background that has a slightly distressed or torn edge effect.

There are many students on this call, all at different points in their publishing journey. We receive many questions and do our best to choose the ones that are applicable and helpful to the majority of attendees on this call.

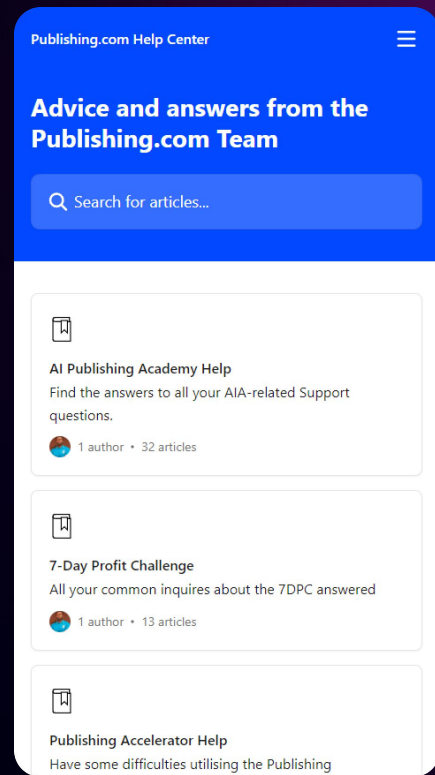

We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

Understood in promotion and course materials that narration for our books already published could be done using our voices on AI . Audio module claims ACX does not accept AI narration. How do we get around this?

Good morning America,

I'm the first time here at Q&A, but am still at sleep when you're up and in action, here in Australia at 3:30am, forgive me! 🙏

I have finished my Modules 2, and have my first Book Title and Topic, and would like to know about your opinion in general but also the slightly difference about MY topic compared with ChatGPT's topic, which is the second one on the document attached.

Thanks Oliver

I want to write a book about Emotional Intelligence for school and home. I had POC for Emotional Intelligence some weeks ago. What do you think about Trademark on the subject?

Here are two suggestions for a title and subtitle. Thanks for your help

Main: Develop Emotional Intelligence Together

Sub: Create Empathic Connection to Achieve Steady Learning for Lifelong Success A Collaborative Strategy for Success at School and Home 172

Main: Encourage Emotional Intelligence for teens

Sub: Learning emotional regulation empowers families and students to grow with emotional behavior and prepare for life with trust and closeness to others 192

I have created a title and subtitles for a book. I want to have it checked to see if it will work. I have done the process of determining the proof of concept. Here is the title.

Title:

Navigating the Health Care System

When to use conventional and alternative medicine.

Subtitle:

Guidelines for Informed Decision Making; Improve the Health Outcomes for Adults and their family.

David Cox

are business topics involving tax's a thing to avoid if not a cpa?

I need help with permission to use the following title and subtitles. I submitted once but did not see where my question was addressed. I would like to know which Zoom call this will be a part of. I got on the tech call today but felt it was not right to ask about a title during this session.

Title:

Navigating the health care system

When to use conventional and alternative medicine

Subtitles:

Guidelines for informed health care decision making.

Improve health outcomes for adults and their families.

In one of the training materials, it was suggested to include a review link and QR code in the offer. Each format (Kindle, Paperback, and Hardcover) has a different ASIN number. Essentially, I would have to rewrite and export the manuscript three times for the different versions. My concern is that the hard-earned reviews will be scattered across three different Amazon sub-pages.

I have some books already made and published on Amazon, with 7days Challenge program. How can I start promoting that set of books?

Hi Coaches, Thank you for helping me with my first book. It went live today. While I am compiling reviews for the first book, I have started working on the second book. I am having trouble creating illustrations of workout poses using DALL-E. Can you recommend a budget-friendly site to outsource this, please? Thank you

GW

My book is on Strength & Flexibility Training for Seniors. I have all the written content finished, self-edited, and ready to go to a pro editor. However, I will have 124 (exercise) illustrations for my book that I'll be having done shortly. Is it ok to send my manuscript to a pro editor before I have all my illustrations completed and embedded into the manuscript?

Noel McClure

Happy New Year! Can you please help me with my outline? I've generated 3 and have cut and pasted the best parts into a new GoogleDoc. I have compared with TOC of top 3 of POC. I have tried to add special parts to accommodate needs according to negative reviews of top 3 of POC. What else should I do? I think I open up one of my outline versions, and cut and paste from my GoogleDoc while in Publishing.ai. to make changes to my outline. Is that correct? How exactly do I make changes in Publishing.ai outline before going to writing sample and full manuscript? Thank you for your help.

Please review my book title. Mindfulness, A Journey to Inner Peace

Cultivating Calm, Clarity, and Resilience in Everyday Life

Coaches, I have submitted my book titles twice. In the first one, the feedback was that the Main title was okay, but the subtitle wasn't specific enough. The second time (I placed more specific things), the feedback was to go back to Module 3 altogether, so I was a bit confused.

I have now prepared 3 more options. Hopefully, you like at least one of them. I have just finished proofreading the manuscript and need the title to move on to the book cover. I am guessing you'll review them on the Sunday call; due to the time difference, I'll have to wait until it is published in the recording section. Here are the titles:

Title 1: Money Management Unlocked: A Young Adult's Guide to Early Retirement, Master the Habits and Apply Financial Strategies That Will Put Money in Your Pockets.

Title 2: Money Management Unlocked: A Young Adult's Roadmap to Retire ... Young. Learn to Save, Manage, and Invest to Achieve Your Financial Freedom.

Title 3: Money Management Unlocked: The Key to Master Personal Finance, Obtain the Habits and Learn to Save, Manage and Strategize to Achieve Financial Freedom.

What happens if I choose a topic that's not popular?

I am slow with all the tech stuff so I may not be able to complete everything before the 6 months I was told it had to be published by. Can I get extended if necessary? What are all the things that need to be completed before sending the book to be formatted? What is a Docx file that I need to send to Pub. Services and how to transform the manuscript to a Docx file? Who do I tell that I want 12 or 12.5 font and 1.5 spacing and when do I tell them? Do I send the filled-out middle of the book copy-write page to Pub. Svcs., and can I cut and paste it to them? What is a Docx file and how do I turn the manuscript into one to send to Pub. Svcs.? Do I send the mid-book review page to pub. svcs? And when? Also, the end of the book review? Do I send the reference after I chat GPT it into APA to Pub. Svcs.? Does Pub Svcs. send prompts for all the things I need to send them as part of the formatting? If not how do I do it? Once I have the book formatted what do I need to send to the designer? How do I do a dedication and do I send that to Pub. Svcs?
