Two questions:

The first concerns the format for downloading writing and cover for paperback and Ebook. What are the different formats required?

Second question:

Many people on the AI Facebook page discuss getting rid of all notices for plagiarism and text found to be AI generated. Do I need to do that?

How to check book reviews

Hi Coaches!

I was wondering, if we want to refer to a journal or a second book related to our first 30K book after publishing it, how can we do it in our first book (paperback or e-book) since we don't have the link yet? Should we update the book manuscript later, once the journal or second book is ready and published? Thanks!

Cheryl. Hardesty

now that I have created my manuscript in Publishing.ai how do I insert pictures and what is the best place to get free pictures.

Dear Coaches,

what chances do you see for a bundle:

Hi coaches! I have a couple of questions, My manuscript is currently being edited, and in the meantime, I want to start working on the paperback and audiobook covers.

In Module 4, under the sub-lesson about formatting the paperback cover, it states that I need to provide the designer with the final page count.

Why is that? I don't know the page count yet.

Additionally, the coach in this lesson recommends RK design, but I can't seem to find this designer on Fiverr.

Do you know why, or how I can locate them?

Thanks

Before the book launch we give our books to FB group people who are interested to review. Is it possible they might misuse our book as Theirs .

Is it we share the whole book Or only few parts of book??
