James

I have POC for intermittent fasting with 5 qualifying and 4 on the subject but 3 of them have women in the title. Of the 20 that FDSpy give me, 10 have women in the title, and most are written by people with a lot of initials behind their names. This will be my first full book. Is this too much competition? I have not been able to get POC using women in my topic nor get POC different from Intermittent fasting.

Should I proceed or switch topics?

Thanks

James
