Submit your questions live on the call in the Zoom Q&A field. We will pick and choose the best the questions to answer.

There are many students on this call, all at different points in their publishing journey. We receive many questions and do our best to choose the ones that are applicable and helpful to the majority of attendees on this call.

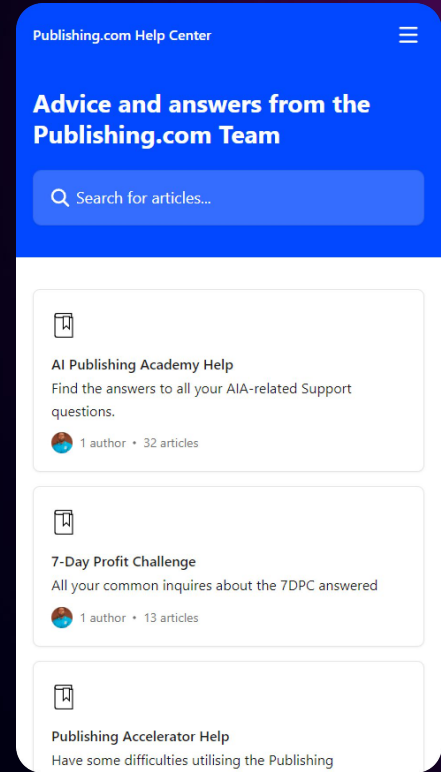

We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

Visit our Help Center at help.publishing.com

- Account related (resetting password, Facebook group, etc.)
- KDSpy, incognito, Chrome etc.
- 7 Day Profit Challenge
- Pen names

In the Help Center, you will find clear answers (with videos) to all of these questions, so we will likely skip all questions related to these topics.

In PubAI "Proof of Concept", once I click to go to the next section, I notice I can't go back and edit the PoC.

1. I have used the AI to generate my PoC, and then I've manually added some more text. Is it possible to manually add too much information? – For example, could manually adding too much text trigger a problem where the AI's brain can't cope, causing the manuscript to not generate properly, or generate poor content?
2. Is there an ideal ratio 'AI Text' to 'Human Text' in the PoC?

I published a planner last year and although it's a low content I wanted to ask about because it goes along with my series of 30k books I'm writing. I published the book in color and now that I have taken this course I realize that my ACOS is continually too high to make a profit. Would it be good to unpublish my book which has 20 reviews all 5 stars and republish in black and white so that I can start making a profit?

If I am using a pen name and have an author's page- how do I remain anonymous? How can I create author videos or have photos if they are not me? How do I have images that represent the pen name author?

James Smallwood

Will the review halfway through my book be recorded on Amazon, or will the last review, which is the final review, be recorded on Amazon, or will both reviews be recorded on AMAZON?

Amazon Ads is recommending dynamic bid adjustment of 50% for Top-of-Search placement in my Auto-High campaign.

What are your thoughts on:

1. Dynamic bid adjustments in general - does it make sense to do or not do? Under what circumstances is it a good idea, and when is it a bad idea?
2. Your experience with Amazon Ads recommendations?

Hi guys, I need your help. I have uploaded about 9 word search books and Amazon approved the series to be listed on their Series page. A small accomplishment since they do not approve low content books to be listed on their series page. It's on the Founding Fathers. 5 are being reviewed, one just went live today. I'm waiting on book covers for the other 3. I got the assigned ASIN for one today. So far it's smooth sailing, no issues and nothing is being rejected. Keeping my fingers crossed!

My questions are how do I insert it into the book? I have the review page already set up for all, but I need to know how to have it converted so it can be scanned by the buyer for reviews?

If I remember correctly, I can go to ChatGPT but I'm not sure of the dimensions, format nor what to ask for. I also want to include the link in case they prefer to copy and paste. I don't remember the chapter that included this info.

The A-content info is a little to much for me to handle right now, maybe in a few days I'll be able to. BTW, I am still waiting for books covers for my other unrelated projects that are completed: E-book, paperback, hardcover and getting ready for audible. Unfortunately, my designer lives in ~~the Ukraine and we all know what that means. So I decided to do other small projects instead~~ while I wait. Thanks for your help!

hey guys, I'm working on a booktitle for some time now and could really use your help. I think I've fallen into analysis paralysis and can't see things clearly anymore, so I'd love to hear your thoughts and get a fresh perspective.

Here are two main title options I've come up with:

- Boost Your Energy and Stop Feeling Tired All the Time
- Why You're Always Tired – And How to Fix It

And some subtitle options:

- 10 Simple Habits to Beat Fatigue and Get Your Life Back
- 10 Simple Habits to Beat Fatigue and Feel Energized Every Day
- 10 Science-Backed Habits to Boost Your Energy and Motivation
- Feel Alive Again with 10 Habits that Increase Energy, End Mental Fatigue, and Unlock Your Potential

If you guys have different ideas, I'm totally open and would really appreciate your input! Thank you so much!

When I send my book to the Facebook reviewers, do I just send them the PDF copy I got back from Ultimate Publishing, OR do I send them the Amazon link for my book during the 3-day promotion period?

Adrienne Damian

Would you please review the possible titles of my book and let me know what are your thoughts for the best title? Thank you.

I have my book category and manuscript completed. I am thinking that I need to move onto artwork. Is this correct?

Hi Brian and Lorilee, #1 I'm getting ready to make my outline. I see in the lesson that I can only have 20 chapters. I am doing a book about Bible Stories and want to have up to 50 chapters, one story in a chapter, as all the bestselling books are written that way. Is there a way to get the 50 chapters in the outline as Publishing.ai now has it? Or should I divide it into the Old and New Testaments, have 2 chapters with 20 to 25 subchapters under each. How many subchapters can there be under a chapter? I would prefer not to have the stories grouped into moral lessons, but rather have the moral lessons throughout the book. #2 Is the Customer Research Report I chose the basis of the outline? In the Vision statement the template doesn't really work for this topic. I have taken good ideas from the other customer research reports and included them in the statement. Is this the correct way to do it?

Martha Deaine

Why do some topics, (in particular, "Personal Finance)" don't meet Proof of concept, even when the niched down topic and titles are used in kdspy?

Ellie H.

I'm confused!

Please advise me if it's really {necessary} that I opt out of {KDP Select} since it only involves the E-book?

Can't I have both [KDP Select & Expanded Distribution]?

From what I gather, [both] E-book & Paperback can be Expanded Distribution?

A couple of days ago, I enrolled the paperback into the Expanded Distribution. But I failed to opt out of KDP Select simply because there was No "submit" button when I unchecked the option?! I hope this does not create an issue.

Per KDP FAQ "Expanded Distribution....not always align with eBook availability". And does not state that E-book is prohibited from Expanded Distribution. I think:-)

Thank you!

Hello, Thank you for taking my question. I am inquiring about my topic, 'Traveling to Greece' to see if it is POC? A couple of weeks ago, I checked to see if it was , and found 3 or more NAF books that were making over \$500 and under 150 reviews. They were under 330 pages and published within the last couple of years. I have taken screen shots for my Proof of Concept in case it shows up today not being POC. Please give me the steps to take next. Thank you for your help and taking my question.
