Happy "2025" Coaches! Question: Where can I find the Table of Contents, discussed in module 5? Book-Reviews lesson 3 beneath in The Facebook Method video. Lesson 1: time -stamped 12:27. The twins adviced us to go there . I searched the videos to follow 2-14 & still didn't see it. It's vital because it has everything about the Facebook Method on it. I appreciate you all! Thank you.

I'm an Accelerator student and have not been able to find the Q&A recordings (not the twins recordings) within the Accelerator section on a tablet. So, I've been trying to access the AI Academy content because where the Q&A recordings are on my desktop, but Kajabi keeps crashing. The app will open and take me to the home screen with all the Publishing content icons. As soon as I tap the AI Academy icon, it closes. I've already uninstalled and reinstalled Kajabi 5 times. I am using a Samsung Android Tablet. There are times when I can't be home to use a desktop and I want to listen to the recordings.

I think I'm going to share this to the Facebook group too, if they approve it in time: I'm working on my first book and I think I'm following the steps to the title and subtitle accurately correctly, but I'd like some feedback. Has anyone on here ever dealt with an amazon glitch where you are no longer ranking on categories? Unforntatley this has been my situation for the past 5 days, with no ETA of the resolution upon reaching out to amazon staff. Perhaps I should postpone my release date as I have been prioritizing getting a bunch of reviews on that date?

Jeff

I need some advice. After generating my manuscript using the manuscript generator, the twins mentioned that the tool includes a built-in manuscript editor. How does this work if I plan to run the manuscript through Grammarly?

If I export the manuscript to MS Word for editing, how will this impact the book description generated by the tool? Since the edited manuscript in MS Word won't match the one in the tool, which approach would you recommend to maintain consistency? I should also mention that I will be outsourcing the formatting once the edits are done. I am thinking MS Word is the best approach. Thoughts???

Jeff Litsch

I plan to use Publishing Services for the formatting of my book. How can I ensure that my manuscript is protected from theft when I submit it? Would having it copyrighted beforehand be the best approach, or is there a better way to safeguard my work? I admit I'm a bit paranoid!

I'm in the midst of working on my book outline but would like to finalize my Title, Sub-Title.

The POC was: Happy Retirement

My working Title (and hopefully final) is: Happy Retirement Fundamentals

Sub-Title is: A practical guide to live the retired life you desire full of joy, meaning and satisfaction now that your time is your own.

Thoughts and input would be much appreciated

If I'm from the US and I publish as an individual using my social security number, how do I handle personal income tax? Before we send the free pdf copy of our book to people to get their reviews, should we add a watermark on the pages or something like that, just to protect our work from being uploaded somewhere? What are your suggestions?

Can I get feedback on both of these covers. The blue and gold was a favorite on Sunday, but I have a new one that I would like feedback on as well. I will be selecting the cover base on your feedback from either of these two.

I would also like to know if we have to cite the artist who created our artwork in the book if we paid for the service on Fiverr.com or 99Design. Thank you in advance.

Hello coaches! If I go through the proofreading process using Grammarly, is it still advisable to hire a professional line editor to review the document? Thank you for your advice.

Mie Conn

I purchased the course some time ago, and have since then been in and out of the hospital dealing with an ongoing and recurring sepsis infection.

Prior to purchasing the course, I had mostly finished writing a book that I currently have titled "New Age Spirituality versus God, Religion and the Bible" it is my study into an online book called Cheat Code to the Universe: A Guide to Unity & Higher Consciousness by Jay Lambert.

I was curious if what he suggests actually comes from or has a basis in the Bible.

I know that this book is not following the lessons taught in your classes but I am so far along with it, I thought I should finish it and use what I can from your lessons.

I am now down to proofreading the last couple of chapters and then I am going to have a couple of friends also proofread it. I am hoping with this call, that I can receive some help with the title and info on who to hire for internal formatting. Here are some ideas.

Divine Blueprint: Unlocking God's Code for Life

Heaven's Guide: A Biblical Path to Unity and Consciousness

God's Manual: Spiritual Keys to a Higher Life

Kingdom Codes: Living in God's Unity and Wisdom

The Bible's Secret Path: Achieving Divine Consciousness

Faith Unlocked: Navigating Life with God's Blueprint

Heavenly Wisdom: Biblical Insights to Unity and Higher Consciousness

The Creator's Cheat Sheet: Biblical Steps to a Higher Spiritual Life

Holy Harmony: Achieving Unity and Godly Consciousness

God's Guidebook: Elevating Life Through Scripture

IS NEW AGE SPIRITUALITY FOUND IN GOD, RELIGION AND THE BIBLE

Thanks in advance

I signed up for this program many months ago, I have yet to do my 7DC. I don't know if my time has run out for me to do this, and I do not know where to ask. I would like to do this 7DC, and am dedicating myself to continue. Where would you recommend I start? It all seems so overwhelming, and I think that is why I keep stopping and restarting. Thank you

Cathrine Berg

Oh, this theme again (lol). Title: Chair Yoga for Seniors over 60 (POC)

Since there are already many books on the subject out there, I want to tweak it a bit. With so many words in the title, it won't fit there, so it's included in the subtitle. I want my idea with this book to be about the benefits of doing the exercises in a GROUP. Many older people suffer from loneliness and need to find a context. That's why there are some terms in the subtitles that have to do with "shared joy, together, group" etc. I hope you understand my twisted angle on the whole thing. Perhaps this could position my book as a resource for elderly caregivers, or even activity coordinators at community centers.

Here are my two suggestions on SUBtiles. Thank you for your valuable opinions...

1) Discover shared joy of gentle movement Improve Posture and Mood Gain Strength Balance and Reduce Stress while Connecting with your Body Mind and Soul 181

2) Improve Strength Balance and Flexibility Increase Circulation and Breathing with Easy-to-Follow Exercises for Harmonious Well-Being and Joy in the group 183
