Submit your questions live on the call in the Zoom Q&A field. We will pick and choose the best the questions to answer.

There are many students on this call, all at different points in their publishing journey. We receive many questions and do our best to choose the ones that are applicable and helpful to the majority of attendees on this call.

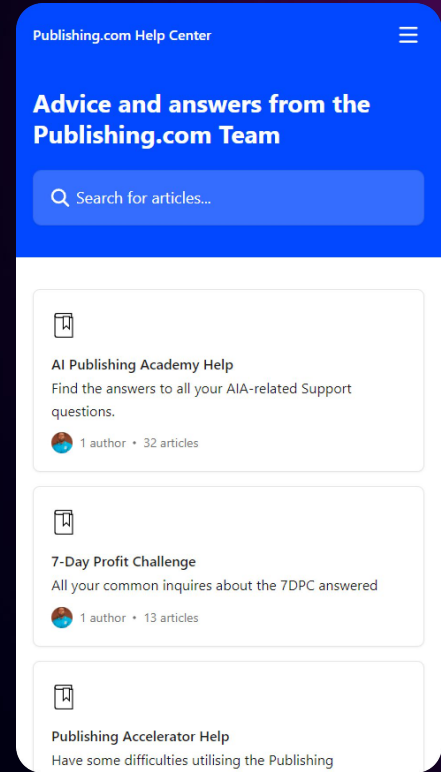

We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

Visit our Help Center at help.publishing.com

- Account related (resetting password, Facebook group, etc.)
- KDSpy, incognito, Chrome etc.
- 7 Day Profit Challenge
- Pen names

In the Help Center, you will find clear answers (with videos) to all of these questions, so we will likely skip all questions related to these topics.

I wanted to show you the cover for my first book. I've already "pulled the trigger on it," so to speak. A little short on words, but pretty good overall. I am fundamentally against excessively long subtitles. What do you think of this?

Janet Dunn Perce

Hi. Im unable to access the Publishing .ai book generating page. When I click on Publishing .ai it takes me directly to the page that has projects and sales analytics. Am I missing something?
Thanks.

Are any of the services we purchased extendable if we have legitimate and documented medical reasons? (Unexpected surgeries.)

susan gislason

what is the timing on my access? I have had personal problems delay my start and im concerned im about to time out when this project is very important but family emergency has delayed my time to get going. I dont see any way for me to find this info on my own.

Susan Gislason

what does "this answer to the question I just asked" will be on the next Q/A? where do I find that?
When is that going to happen

Susan Gislason

I need help connecting here. I'm afraid of not knowing how to use zoom or schedule a call. I just need help getting started. How can I get to know whats next? Can someone be assigned to me to get me started. I can do the lessens as soon as I know if there's a way for me to jump in on my limited schedule to use this great passageway to publishing. I've been using AI to write USDA programs for a food manufacturing company that had a family member died from fentanyl. I also helped take in the 3 young children and am now somewhat free to get started here. When did I buy into this program and how much time do I have to get that first \$900 dollar publishing?
Thanks Susan Gislason

How do I know if the link I submitted works? I want it to go to Brian's "No BS Tuesdays" Q&A tomorrow. THanks

I recently published my first 30k+ book and made my first sale! Woot! Woot! Now I'm struggling with promoting it, especially with respect to Facebook. I feel like I can not even mention the book at all in any way on Facebook without violating some rule, but I know people talk about posting things on Facebook about their book. What am I missing here? I want to tell my friends and family about my book, but I'm afraid it will get pulled down (like it did when I tried to post about my 7DC book). What exactly are we allowed to do or not do when it comes to something like Facebook? Thanks.

Hi coaches!

I'm clear about writing a book on traveling solo, since this is what I know and want to write about. So I don't feel I need to do POC. I was thinking of making it for Women traveling solo - although men I talk with are also interested in my travel tips. So perhaps making it for women - limits my audience. What do you think??

Here are a few titles for my book on traveling Solo

1. The Joy of Traveling Solo
2. Tips on Traveling Solo
3. Unlock the Magic of Solo Travel
4. Tips and Practical Guide to Traveling Solo
5. The Liberating Path of Solo Travel*

Hi Coaches!

To use KDspy - do we have to pay for? If yes how much is it?? If not, how do I get a free version??
Thxxx!

I am having difficulties with kdspey. I get an error saying no results found; yet, you can see results next to the error. I reached out to kdspey customer support and they replied that it is because amazon does not think I am real. How do I resolve this problem?

For Thursday:

Hi coaches! Please check the POC for my book topic: "Money Skills for Young Adults". Thank you!

Good afternoon, coaches! I just got to module 3 and the course keeps referring to "BSRs". What are they and how do they relate to customer research? Thanks

Sukayna Clemente

I have another question! When submitting the prompts to Publishing.ai for the customer research does it matter whether we insert the ASINs or the ISBN-10s for a book? Should we insert both? Some paperbacks don't even have ISBN-10s. I am a little confused. Also, how many books, or ASINs and ISBN-10s, should we use for our customer research? Thank you

Ken Morgan

After rewriting part of my manuscript style in Grammarly as a 30-year-old modern woman, I realized that I prefer that style. My problem is I can't use Grammarly Rewrite due to their rewrite word limitations. Is there another AI program I can use

Hi, I am at a loss as to what to do. For over 12 months now I have made little to no money from amazon. I have 9 books. I made more money from my first book 4 years ago than I do now from 9 books. I have looked back over the last 12 months any my revenue was £7,965 but my ad spend was £7,586, so a very minimal profit. I have tried changing covers, all my books have A+ content etc. Any advice welcome. Thank you

Hi coaches,

I submitted these titles last week and resubmitting after making the changes.

Title: (Anger Management for Teens) Bible

Subtitles:

The Ultimate Guide to Master Emotional Health, Build Confidence, and Achieve Peaceful Conflict Resolution for Enhanced Communication

The Ultimate Guide to Master Emotional Health, Build Confidence, and Achieve Peaceful Conflict Resolution, and Develop Healthier Coping Mechanisms

Please last week you suggested that, my title should be "Anger Management Bible for Teens" instead of the Anger Management for Teens Bible. The POC is the anger management for Teens and we understand we should not break up the POC topic in the title right? Please advise

Thanks

Paul Thompson

My paperback publication is rejected because the cover page art is 1/8 inch too big. I have fixed the issue but cannot make the change in KDP.. Do you have a way to contact KDP to help me resolve my issue. The "Contact Us" help process takes me around a loop that gets nowhere. A phone number or email address would be greatly appreciated.

Hello, Coaches!

Got 2 main questions, feel free to pick whichever you want to answer:

(1) How do I best optimize marketing for my book?

- is there a secret sauce, besides getting a minimum of 15 reviews?

- once the 15 reviews are in, are there "profitable" key words to use for my ads?

(2) I came across Publisher Rocket and wanted to know if you've heard/what you think of it.

It features keyword/category search and other Amazon ad analyzers.

(PR is a software that can boost book earnings, save time on data research, and help self-publishers build a solid, profitable book business based on real data collected from Amazon.)

I'm curious to know if it sounds like a valuable tool or just another hype?

Judeth Beverly
