The logo consists of the letters 'FYI' in a bold, white, sans-serif font, centered on a blue rectangular background that has a slightly distressed or torn-edge appearance.

There are many students on this call, all at different points in their publishing journey. We receive many questions and do our best to choose the ones that are applicable and helpful to the majority of attendees on this call.

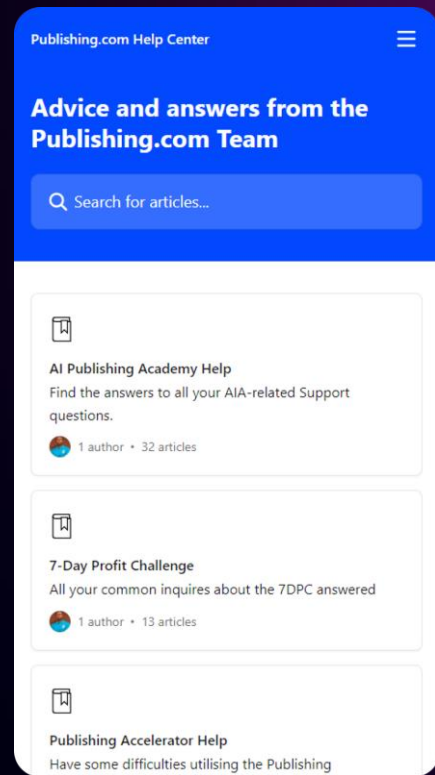

We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

How can I add b&w line art to my manuscript?

Rose Marie

Where can I review and select a cover for my book?

Edward

about book length: Is 30,000 words the sweet spot because of word count, or number of pages? What about pictures? If one topic is perfectly fine to have all words and no pictures and it comes to 120 pages, but a different topic MUST have lots of pictures, do you just add the pictures and end up with a 300 page book? Or should you try to shorten the word count to make room for pictures? Follow up, what about font size? If you need to increase font size to accommodate for your audience poor eyesight (elderly-like me) LOL, do we then just end up with a 400-500 page book? Is that ok?

Edward

This question is specific to technical guides requiring illustrations. How do pictures work in with ghostwriting? for AI ghostwriting I learned after generating my manuscript is that AI does NOT factor in pictures AT ALL. If I had known this before I started it would have been valuable. How about with humans ghostwriters?

Edward

how do we get the AI to generate a shorter manuscript?

"I would like some advice on my book title. The main title (meets POC) is

Effective Money Skills For Teens

I have 3 possible subtitles:

1. A Practical Guide to Smart Money Habits, Stress Free Financial Decisions, and Integrating Tech In Teen Money Management
2. Cash Crash Course: The Teen's Guide to Personal Finance, Smart Money Management, Spending, Saving, Budgeting and having fun at the same time.
3. Coins, Cents, and Confidence: A Teen's Playbook for Money Management with spending, savings and budgeting tips to help take control of their finances"

"are there modules we should eliminate as the new ai software will be eliminating steps?"

i'm actually not too clear on precisely what its capabilities are.

2. A simple guide to building, sustaining, and enjoying nutritious Garden-to-Table delights
3. A beginners guide to building, cultivating, and enjoying a bountiful Garden-to-Table harvest

"So, I re-did my book cover taking advice from some coaches from some other Live Q&A's (I hope that's alright) and came up with this one.

https://www.canva.com/design/DAGEmxKLNBY/6w07sgdU8Z0In008fdakoA/edit?utm_content=DAGEmxKLNBY&utm_campaign=designshare&utm_medium=link2&utm_source=sharebutton

Can I please get your opinions and any input? And please don't say to use 99designs. I just do not have another \$200-\$400 to spend! I can MAYBE afford a designer off of fiverr for \$20, but can't afford much more than that right now. Also, please keep in mind that the sub-title used on this cover is the original one. Some coaches said it needed work so I actually submitted some sub-titles (again taking advice from some other coaches) in a previous question I submitted today. Thank you guys SO much and I look forward to your input & opinions

p.s.- I'm sorry if my grammar is off a little. It is very late and I am very tired. I just wanted to get these questions in before I finally go to bed."

Do I need to do in-text citations or can all the sources be listed just in the bibliography?

"Hello, I am still working on my title. Please give your advice on my current title.

Hassle-Free Wall Pilates for Seniors: The Step-by-Step Guide to Low-impact Exercises That Develop Strength, Enhance Flexibility, and Improve Balance in Just 10 Minutes a Day.

Are my capital and lower case letters in the correct position?"

Silvia

"Hi Coaches!

I'm having a real hard time with the editing part of the manuscript because after the first round of inline editing, I still found several basic editing oversights (improper capitalization, extra or missing spaces, forgotten words, etc.) as well as big flow, structure and coherence problems.

I've expressed my concerns to the editor a couple of times and he assures me he ""will personally go through the entire book again"" (wasn't he supposed to do this the first time around?). I feel like I wasted my money hiring an inline editor as I'm still spending a lot of time fixing these errors anyway. I am waiting for him to go over the book again but then I'll have to go over it all again myself. What would you suggest I do at this point?

Thank you,"

Silvia

"Hi again coaches,

While I wait for my manuscript being edited, I'm trying to get other things done but I feel I'm stuck. I wanted to get my paperback cover done but since I don't have the manuscript ready, I don't know what size it will be or how many pages it will have.

Any ideas or recommendations for this?

Thank you"
