# OPEN Q&A

Submit your questions live on the call in the Zoom Q&A field. We will pick and choose the best the questions to answer.

The logo consists of the letters 'FYI' in a bold, white, sans-serif font, centered on a blue rectangular background that has a slightly distressed or torn-edge appearance.

There are many students on this call, all at different points in their publishing journey. We receive many questions and do our best to choose the ones that are applicable and helpful to the majority of attendees on this call.

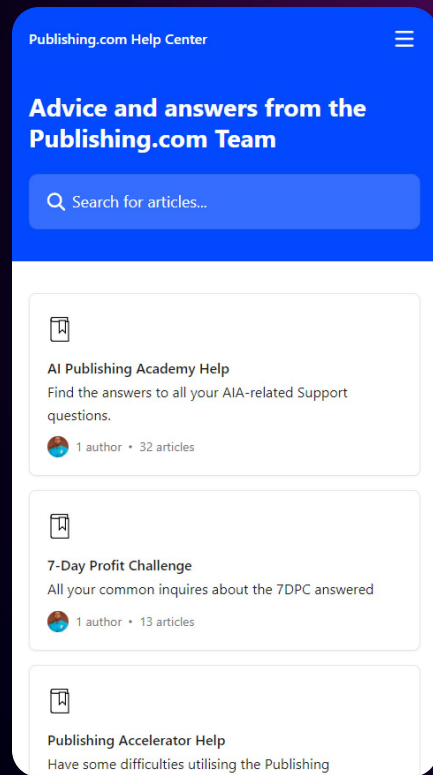

We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

How do I translate my book to another language?

# Sandra Niven

Hi guys, I would like your guidance and feedback on how I can increase my sales for my second book which I launched in April 2024 - Wall Pilates for Seniors. I have attached a Google doc which includes the Front and Back Cover, My ads for the last 30 days minus 2 days, A+ content, and the current book description. Thanks in advance.

I would like more discussion on Amazon Ads.

# Nunnaphat Yarungsee

First of all, thank you for joining this project. After I sign up, I will receive a book writing credit until it is published on Amazon. That means if there are sales, I will start earning money from that book. Did I understand this correctly and if so, what do I need to do in the process?

# Ana Kim

Hi Coaches, I've been working on my title and subtitle and would appreciate your help/ feedback on how to improve it. Thank you!

Title: Personal Finance For Teens Simplified

Subtitle: An Easy to understand guide on how not to be broke. Gain essential money skills & develop smart habits to eliminate stress, avoid costly mistakes, and build wealth to secure your financial future.

What is better choice to use ACX/ Audiobook (40%) exclusively OR take 25% and go over to findawayvoices.com (Audiobooks on Spotify) Global Distribution and iHeart. I have used the later for podcast revenues for years.

# Paudge

Hi Guys. Can you please take a look at my cover designs and give me feedback as to which one really stands out. The title and subtitle are not locked in just yet. here's the link.

The language EMOTIONAL INTELLIGENCE in all caps is trademarked. Can I still write a title with a version of emotional intelligence still in the name, or would this be a violation of the owner's trademark? My working title would look like "

Closing Gaps in leadership: Managers who Increase productivity through emotional intelligence."

# Joshua Whitehead

I have looked through the course and couldn't find anything on the back cover/side of our books.  
Do we need to create and design that ourselves or does amazon do that for us?

# Gene Fraleigh

Just joined the program so I need as much information as possible to get started as quickly as possible, will you help?

# Brian B.

Hi coaches! So I got my QSA back and was advised to change the end bit of my subtitle about taxes because I guess people looking for this sort of book know that taxes are a part of it. Taxes were a pain point, that's why I had it. Advice was to change it to something more along the lines of what they ultimately want from starting an LLC. Let me know if the revised subtitle is good. Thx!

Original title/sub:

Starting an LLC Made Easy: Beginners guide to simplify the formation process, alleviate fears of costly mistakes, and clarify tax benefits and obligations

Revised:

Beginners guide to simplify the formation process, alleviate fears of costly mistakes, and secure your financial future as an entrepreneur

I have an acx project "in production" where I had indicated I wanted to upload my own files. I now want to hire a narrator. How do I change the "diy" status so that it prompts me to hire a narrator?

# Dominique Ekong

Topic research; Getting frustrated that I follow the guidelines to find a topic and meets the 3 or more with less than 150 reviews and more than \$500 monthly revenue. I start the process to do a manuscript and two times now within 2-4 days my topic falls out of requirements. This is a moving target so how do you really know if the topic will stand the test of time or at least until it is published?

# Dianne Matheis

Please review my book title and subtitle:

Hello, wonderful coaches; how can I submit my book covers in the "Ask it here" please?

How can I join a document containing the book covers? I even tried to copy and paste them but with no success. Thank you so much!

# Zohra Ftaiti

Hi coaches! I am in the final round of choosing my first 30 k book cover and it's not that obvious! I am so very grateful for your feedback on the following covers. Thank you so much! (So sorry for the layout, I wanted to regroup all the designs in a smaller sheet but still learning):

I'm about to publish, but I'm a bit unsure about art. 99Designs did the cover. Part of it was Midjourney, and part was a Freepik element. 99D advised me to subscribe for one month only to Freepik so as to be covered. Does this sound ok? Also, where and how should I attribute these things in my book? (My internal images are line drawings from Midjourney, so I need to attribute this also, I think). Thank you!
