# OPEN Q&A

Submit your questions live on the call in the Zoom Q&A field. We will pick and choose the best the questions to answer.

There are many students on this call, all at different points in their publishing journey. We receive many questions and do our best to choose the ones that are applicable and helpful to the majority of attendees on this call.

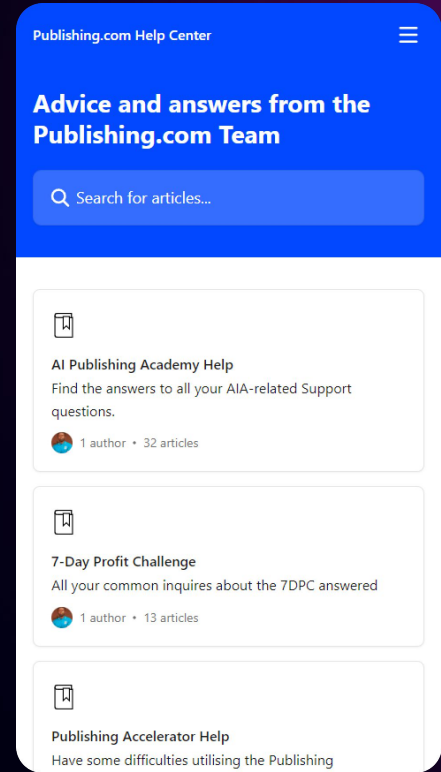

We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

Visit our Help Center at [help.publishing.com](https://help.publishing.com)

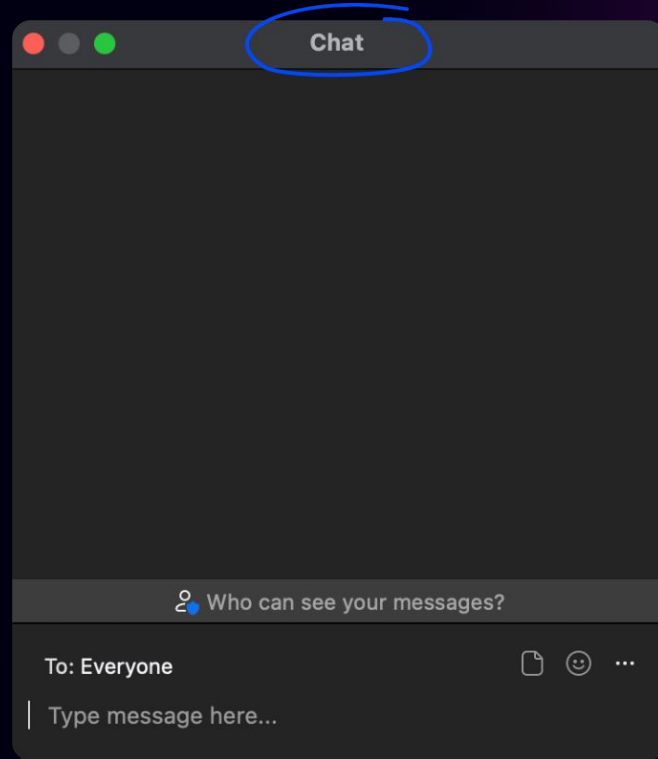

- Account related (resetting password, Facebook group, etc.)
- KDSpy, incognito, Chrome etc.
- 7 Day Profit Challenge
- Pen names

In the Help Center, you will find clear answers (with videos) to all of these questions, so we will likely skip all questions related to these topics.

QUESTION RE INCONSISTENT KDSPY FINDINGS to PUBLISHING SUPPORT

Why would this be?

I'm re-checking, with KDSPY, via Chrome, all of my "found" qualified books Norm Range = 3 Books, >\$500, <150 Reviews

Here's what I find: There are 9 Topic/Titles total in this group.

Upon re-checking these topic/titles, I found...

4 Verified, consistent as originally found and perfect.

3 Were found but had totally different numbers and, in fact, had dropped OUT of the norm range.

2 Were not found.

Why would this be? What am I doing or reading wrong?

I'm particularly concerned about the Revenue Values and Reviews changing.

If I could, I would've attached a pertinent document.

I don't expect an answer, I'm just open minded and vocal, I'm just starting and going through training. I noticed 1 challenge I see. Thank heavens I have numerous email account to work with. Signed up with @AOL account and FORM IS EXPECTED to be a gmail.com/google account. I have tons of them. I dislike gmail because I get lots of spamming.

Please I know AOL is very OLD, but is my theory correct???

I just trying to get past the task had to complete so I can continue training.

I'll check help to see what kind of emails are good to use.

Hello coaches, is there a limit to the number of books you can review on pubby or book bounty per week? Is there a recommended number? I don't want to review too many in case there is an amazon policy against it. Thanks for your help!

Hello I wrote a book a year ago with the seven day challenge then never finished my second book! I did write about half of it and so many things on this platform have changed I want to get back into to the swing of things where would you recommend the best place to start?
