OPEN Q&A

Submit your questions live on the call in the Zoom Q&A field. We will pick and choose the best the questions to answer.

The logo consists of the letters 'FYI' in a bold, white, sans-serif font, centered on a blue rectangular background that has a slightly distressed or torn edge effect.

There are many students on this call, all at different points in their publishing journey. We receive many questions and do our best to choose the ones that are applicable and helpful to the majority of attendees on this call.

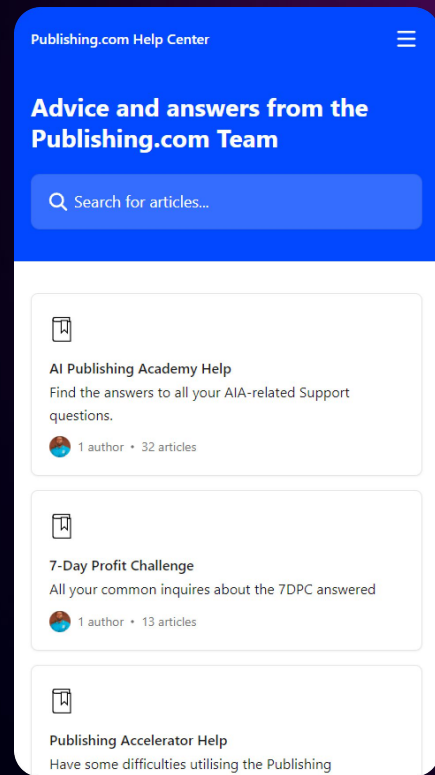

We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

How do I change the email that I am using for this course?

Lorenzo

In the past, the author of a book was an authority of the subject matter. In AIA I detect a conceptual discrepancy with this statement. First, you are insisting to clear our mind of preconceptions about topics and follow your instruction regarding book topics based on best seller topics in Amazon, disregarding if I am an authority on the subject. On the other hand, you suggest the production of several books following the same topic of the first book, as if you were an authority on the topic which I may not be. Please assist. Thanks.

6.7.24 call chat clarification please: Is it true our 6-mo free publishing.ai trial started as soon as we paid for the course? If so, that's not cool. I am a newbie day 8 and 3 videos left on Module 1 even though chipping away everyday. I LOVE LOVE LOVE the twins lengthy M1 videos btw,, WELL WORTH the cost of the course just for M1; however, if the majority of the remaining videos are 1-2 hrs long, I doubt I will be able to take advantage of the free software for at least a month or two.....correct....?? Maybe I am wrong since I don't know what the other modules entail.....so.....can you please let us know at what point in the course we will actually start using the software...ie. what Module? Your answer might turn my not cool above comment into *cool* ha. Thank you!

I missed part of the 6/7 call typing my last Q my apologies. I heard someone asking about formatting challenges, which you attributed to Reedsy. So here's the deal... I joined 7-day challenge but did not finish a half-ass effort since I did not win the \$10K HA. Day 5 did convince me to join AIA though so money not a complete waste. I want to expand my rushed effort into my 30K book for this course. My question: Will we even be using Reedsy now that we have access to publishing.ai ????

So I think I'm going to wait until I start making money with my book before I create a LLC and business bank account. Is it easy to go back and change info for KDP account such as publisher info, bank account info and tax info once I get that stuff established?

Hi. My sales have gone from about \$1000 a month down to about \$700 per month. My ad spend and conversion is way down. What should I be looking at to remedy? I made some changes and created a UK portfolio to track better, but didn't change any ads just grouped them into a portfolio. What would cause this decline? Could it be review related? Thank you.

Chat bot/agents info was helpful; however, I still cannot find the assessment for Module 1 as stated in this Action Items section below. I double checked to make sure all videos had a green check mark, and I completed the to-do list. Any suggestions?

Congratulations on completing Module 1! As soon as you've finished watching all of the training videos in full, please complete the to-do list below and then the assessment.

Help with the title please: The only difference is the word Harness or the word Leverage

I am wondering about reducing the price of my 7DC Book. I followed the recommended 12.99 price which is now 18 in Canada. I think that is a bit pricey for a 45 page book. Any thoughts?

So, I sent my book to be formatted by someone at fiverr. The manuscript came back and needed a few small changes. Changes were made, but not very well. But the communication between us was TERRIBLE (big language barrier & just not at all helpful!) so I didn't think he'd understand any more instructions. So I just accepted it. But in the meanwhile, he talked me into giving him \$30 more dollars to put my description & an image on a back cover to make my paperback cover (he already had my front cover that I made). But I got it back yesterday and it looks TERRIBLE!! There's not even a spine! I do not even want to try to work with him any more!! He's just not getting me! Can I not accept the book cover & get a refund for the \$30? I'd much rather go to RK Designs.

Thanks so much!

Heather

Is it a good idea to promote by 7DC e book on Kindle Select?

Ellie

Am I correct, that the COPYRIGHT comes {after} the book has been {Formatted} & {Unpublished}?

Per the Copyright website:

You may upload an electronic copy of your work if one or more of the following conditions has been met:

The work is unpublished

The work has been published ONLY in electronic format. [please define Only electronic format]

ETC.

How long does a book “live”? I guess that we will have to continuously create new books if we want to continue with a future income?

Thought I heard somewhere that an audio book has to be written by a ghost writer and not by ai ...
but perhaps it is only the narrator that cannot be an ai?

If I want to make a coloring book do I then have to consider the quality of the paper – or is there only one option when uploading to Amazon?

Rikke

I am use to working in Adobe InDesign – will it be okay to make coloring books / activity books in this program and then save it as a EPUB (Fixed Layout) or EPUB (Reflowable) ... I guess Reflowable is best?

This is what my formatter sent me as his finished book cover for me:

I think it looks terrible, but could be wrong. Can I please have an opinion from you guys on this cover? (It doesn't even have a spine?!)

Thanks so much

Hi Coaches, your editing on Ai doesn't save the changes. So I copied the book outline to my Google doc. Then what? Do I copy and paste back to the book outline to get my script according to my change? Does the system accept a foreign text? If not, then how do we edit the book outline?
