OPEN Q&A

Submit your questions live on the call in the Zoom Q&A field. We will pick the best questions to answer!

There are many students on this call, all at different points in their publishing journey. We receive many questions and do our best to choose the ones that are applicable and helpful to the majority of attendees on this call.

We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

Hi, I have been running ads for a month and my ad spend is still only $11 how long will it take to get to $50? I am getting impressions, but they have stopped now, so do I just wait?

Darian

Clarification: I have over 15 reviews on amazon, I have been slowly adjusting bids on some keywords but I am not sure if I should be doing that yet

I need to know how to get my topic ideas approved and schedule coaching meeting in order to do this and keep working on my manuscript.

Tech Question About DALL-E: I don't understand how to access DALL-E. Is it its own program? Or, is it simply inside ChatGPT? I have a ChatGPT Plus subscription and have been asking it to create line drawings for my interiors, which it has done. Is that DALL-E, or just ChatGPT...? There is no mention of DALL-E while I'm using ChatGPT. I feel like I'm missing a piece of information... Thank you.

I am very confused about the copywriting module. My book is now being reviewed by ultimateformating.com. I have used Ghostwriting AI and paid $900 (credit) to write my book entirely, use Grammarly to correct errors, and check for plagiarism. Furthermore, I have a reference page and uploaded photos from CHATGPT. The copywriting module states I have to rewrite my entire book to make it sound like me and NOT 100% generated from Ghostwriting AI. For some paragraphs, I used ChatGPT to add more information to my book to increase the number of words, and I checked spelling, grammar, and plagiarism. I followed the modules 100%.

1. Do I need to rewrite my entire book after submitting it through Ultimate Formatting.com, even though Ghostwriting AI wrote it for me?

james

In the copyright module, do I have to rewrite the EBOOK after it's been processed with ultimate formatting.com, or rewrite the MANUSCRIPT?

The EBOOK is practically finished. Also, how can I retrieve the manuscript? It has been removed from my publishing AI account. I think the reason is that I clicked done when I was finished with my book description.

james smallwood

Since my entire book cannot be fully ghostwritten AI-generated, can I rewrite the first eight chapters without ghostwriting and leave the remaining eight chapters fully AI-generated?

Rolando Jeria

After struggling with the publication, I managed to get through successfully. I ordered a proof version, but it doesn't show the order on my amazon.ca account. I pressed the Proceed to Checkout button shown in the email, but the order I placed doesn't appear. Amazon sent a no-reply email. I tried customer service as well, but there was no direct communication.

How do I cope with this?
