The logo consists of the letters 'FYI' in a bold, white, sans-serif font, centered on a blue rectangular background that has a slightly distressed or torn-edge appearance.

There are many students on this call, all at different points in their publishing journey. We receive many questions and do our best to choose the ones that are applicable and helpful to the majority of attendees on this call.

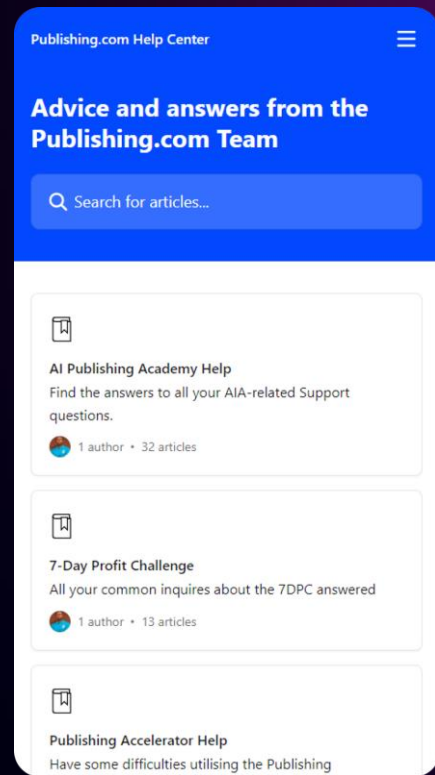

We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

Our book is to teach parents and kids to be financially literate. We also want to take into consideration future book series on the topic for different age groups (aka. tweens, teens, young adult, seniors). Here is our first revision of our title from the last Q&A on Wednesday. Thank you in advance for the suggestions to improve the title/subtitle.

Is there a canadian trademark website we should be referencing as well for topics? Or is the US one enough for ensuring no copywrites or trademarks?

I attended first orientation today for 11am. I was late for 10 min but hopefully, I got everything done I was supposed to do except one thing that was I did get confirmation code for Success call but I was not able to place that code in chat column?.... So whoever his name was..... sorry could not remember his name, ...anyway, he did say that I have not signed up for Success call. My confirmation code was 9943 for 12/12 (Tue) 8pm. Can someone verify this in the system please? Thanks. PS: He did indicate that he was going to send email to me about it. And I did get his and went through exact same procedure to sign up and I did get 2nd Confirmation code which is 2979 for 12/12 (Tue) 6pm. I can go either 6pm or 8pm but not sure if they are in aiapublishing system or not. Thanks

Hey all. So I'm doing one more book within the niche that I'm working on and I came up with a title (working on the sub title still) and there's 6 ways of going about it. The book is on using instruments that create healing sound applications and I would like to know what stick out the most to you? ...or do you even like any of the 6?

- 1.) Create a Profound Healing Sound
- 2.) Create the Profound Healing Sound
- 3.) Unlock a Profound Healing Sound
- 4.) Unlock the Profound Healing Sound
- 5.) Create Profound Healing Sounds
- 6.) Unlock Profound Healing Sounds

Hi, I am struggling with Reedsy formatting for my 7DC. I have watched, re-watched Rasmus video countless times and I don't get it. 1st I somehow turned my manuscript into html before I could proof read it. 2nd time, as I was finishing up, it said oops, you are offline, trying to reconnect and it never did. 3rd I have it under my personal name, although I went to great expense to form a c corporation so I could do everything under that to protect my identity, and 4th, Rasmus used chapter 1 as the introduction, even though the introduction is a separate thing. I followed the chapter 1 as introduction until I watch several times and see it is supposed to be separate. Now I have created an introduction and chapters in my table of contents, however, there appears to be no way of starting over. When I sign it it says welcome back Kathy, Not what I want to see ,since it should be the corporate name. How do I just start over and get a blank page so I can use the corporate name and include the introduction? I don't know where else to go for help. Thank you. Sincerely, Kathy

I have used Pubby to gain reviews on my book however the number of reviews is not showing up on amazon. I just had 89 reviews and got another 4 reviews from pubby recently. Instead of going up to 93 as it should have the number dropped to 88 although the additional reviews are showing up under the reviews. I have noticed this a few times already? Any ideas? And why did the number drop by 1?
