OPEN Q&A

Submit your questions live on the call in the Zoom Q&A field. We will pick and choose the best the questions to answer.

The logo consists of the letters 'FYI' in a bold, white, sans-serif font, centered on a blue rectangular background that has a slightly distressed or torn edge effect.

There are many students on this call, all at different points in their publishing journey. We receive many questions and do our best to choose the ones that are applicable and helpful to the majority of attendees on this call.

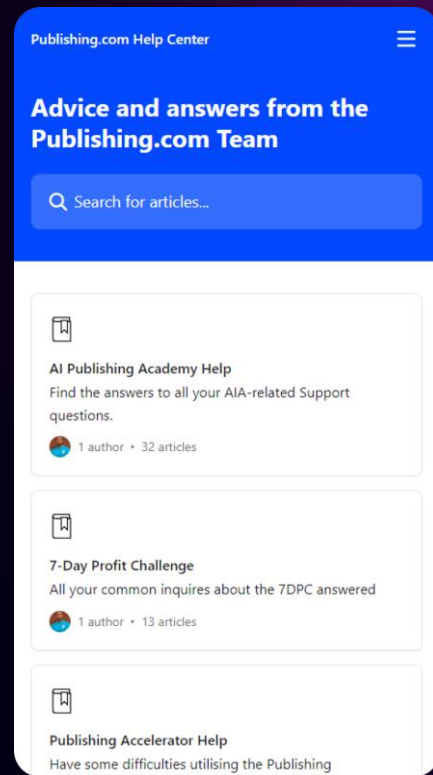

We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

a book that says 1 in one is a red flag for poc? https://www.amazon.com/Recovery-Relationship-Anxiety-Overthinking-Relationships/dp/B0C47TJQ5J/ref=sr_1_5?keywords=relationship+anxiety+for+women&qid=1699468002&s=books&sr=1-5

Michael

In doing the POC research it looks like travel guides fit the criteria, since many of them made over \$500 and had less than 150 reviews. However, they were made by known brands such as Rick Steves, Lonely Planet and Fodor's. Since the travel guides are from known brands does that invalidate the POC research?

Ashley

Hi, if you find a topic where POC is working but it minimally meets the requirements, is it wise to keep looking for a better topic instead?

Ashley

If you have a sub-topic underneath religion (example Christianity), and it meets POC, will you still be able to run Amazon ads and is it still a good decision to make? Example: topic on Christian daily living or a topic on forgiveness in light of Christianity

Kathy

I have been trying to figure out how to do proof of concept for over 60 days and I just can't figure it out. Could you please spell out exactly how to do this?

1. open incog mode on chrome
2. Rasmus says open Amazon drop down menu, books. I already do not get the same screen it shows in the module.
- 3 open KDSPY. I get an error saying I am in the wrong mode. Please help me with this. Is there an update I am missing? I have watched this module several times, however what Rasmus says and what my screen shows are totally different. I will be listening to Thursday's live POC. Thank you.

What do you think of the title "Empowering Gardeners: Container Gardening for Everyone including the Handicapable."

Subtitle: "Make Gardening a Reality for All Abilities - Transform Small Spaces into Beautiful Garden Retreats."

It's a gardening book about making gardening available to everyone, including the handicapped and wheelchair-bound making them handicapable.

Natalia

My GW officially started last Friday. (Topic: Houseplant Care)

I gave him the weekend and a few days to get started/get resources.

Then I asked him why I didn't see any writing. He said intro and Ch. 1 were done (and gathering resources) and would be posted within the next 24 hrs.

It's been about 24 hrs and I still don't see anything (but 1 paragraph). Now asking him why I don't see it, and if it's a technical issue.

Does this sound sketchy, since it's almost 1 week and I don't see anything...?

He doesn't seem sketchy, because he has prompt and professional communication, and a good profile, even as a rising writer.

Tom

I have come up a state of ready book outline . I would like to get review from you before I order a ghost writing to make sure every things is okay. How can I get review from an expert for this?

Mel

Can I add an extra word to my title on KDP even though is not on my cover?

Emelisa

My name is Emelisa Callejas, I saved my space for the Thursday Topic opportunity. I want to tell you, that it will be impossible for me to attend the class due to life. Pls excuse me with the coaches.

Linda

Hi coaches. First question-If i translate my 3k word book to a different language, should I upload on Amazon as a variance of my English version using the same ISBN, or does it fall under a different title with a different ISBN? Does this apply to all other website also like Ingramspark for example.

2nd question- Does publishing services format other language books also, or just English books? Thank you.

Jack

I have a book ready to publish, but got less than enthusiastic reviews on AIA Facebook page on my subtitle. What about the following revision done w lots of help from chatGPTs friendly AI: "Sea Monkeys Unleashed: Your Voyage from Hatching to Mastery! Expert Tips, Tricks, and Hacks for Thriving Aquatic Companions- a Handbook for Success" My proposed cover w the new subtitle is viewable here:

Yelena

Hello Coaches! Is that possible to share my book cover design with you and ask for your feedback? Thank you in advance!

Doug

Unfortunately, my coach is extremely busy and unavailable for a coaching call for 3 weeks, so I'd like to review my outline and determine if I need more content or start reviewing/preparing for next steps with a ghost writer company. Should I include my customer research document in the outline for the writer?

Still preparing support documentation, but is this good to move forward?

Due to work I'm usually able to attend the Friday calls and wanted to submit my 7DC cover for an opinion but can't figure out how to post my examples. I won't be able to attend this week or next week, but am happy to listen to the recordings. Suggestions on how to proceed? Thanks!

Charlene

My freelancer has started writing my 30k book, however, only one chapter has been written, the deadline is Nov 20th, please advise as to what I should do about this. The book was started on Oct 21st.

Heidi

Before starting any training I had book topic ideas in mind. When I started the training a few of my topic ideas are one they are talking about in training. POC pans out on one of them and I'm sticking to it. Bad idea? Should I pick a different book topic?

Jason C Rogers

How do I submit the input=output questionnaire?

Heidi

Before learning about AIA I wanted to write a cookbook then after joining and going through training I see that they don't recommend cookbooks since they have to be printed in color and can be expensive. However, I see that they are on the Top 100 Book Topic Ideas. Is the only reason AIA doesn't recommend is because it's too expensive to print?
