FYI

There are many students on this call, all at different points in their publishing journey. We receive many questions and do our best to choose the ones that are applicable and helpful to the majority of attendees on this call.

We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

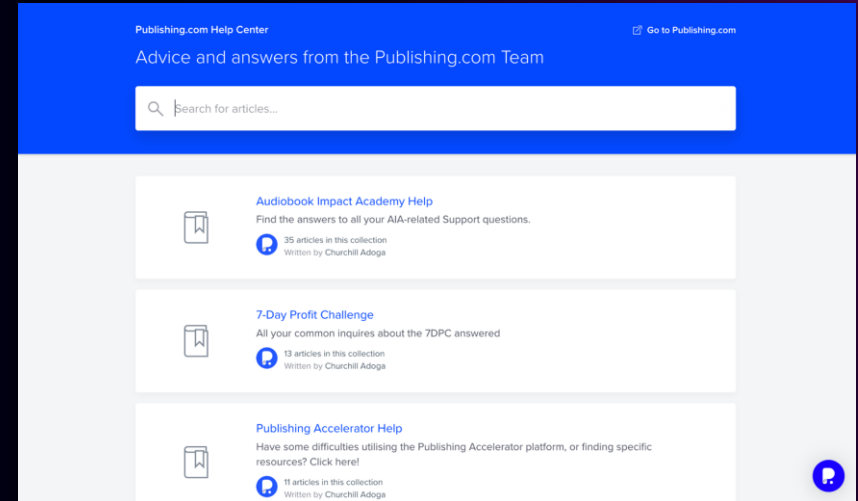

Most Frequently Asked Q&A Questions:

Visit our Help Center

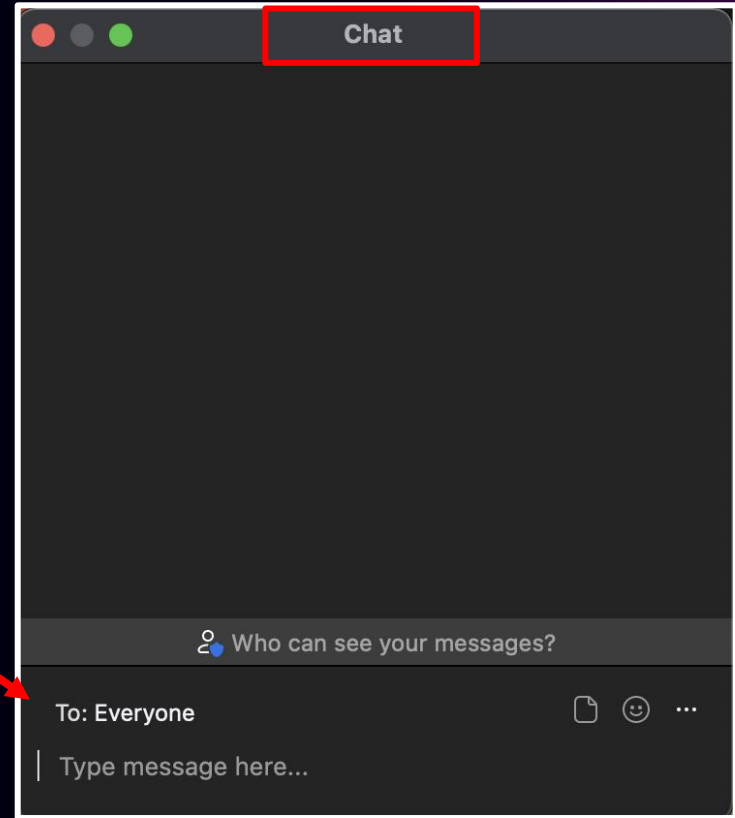

help.publishing.com

- Account related (resetting password, Facebook group, etc.)
- KDSpy, incognito, Chrome etc.

In the Help Center, you will find clear answers (with videos) to all of these questions, so we will likely skip all questions related to these topics.

Hey, Cody and Nasir!

I am putting images in my 30K book (custom illustrations). Any idea what size and DPI I should ask the illustrator for? I know I can always resize if I get source files, but I'd like to not have to do that...

Hi Coaches! I am trying to pick the best subtitle. I worked with my coach, and here is the original, which captures the main pain points of the novice landlord.

I'm going through the accounting lesson and I'm confused. It says to just have 1 bank account. Should this be a business or personal account? If I set up a business bank account, you can't make personal purchases with money from that account, correct? How can I not have a personal account for non-business purchases?

Heather

Hi Coaches, thanks in advance for answering my question! I have submitted my info to PS for my book outline and am now waiting for that. In the mean time I am moving forward in the Ghost Writing module. My book will need illustrations or photos to demonstrate each exercise in my book. Who will I get to do that? Will that be covered later in the modules? Thanks!

Marc

In a previous video, you (Michael Cheng) mentioned using Publisher Rocket as a tool you have used. Can you go into more detail about why using/purchasing this tool is a worthwhile investment? What does it help us to do? (or do better than if we didn't use it)? Thanks

Anni

When I give chatgpt the prompt for creating the outline, it restates the numbered instructions instead of giving me the outline. How do I fix it?

Cindy

I looked up "Pacific Coast Highway" on the trademark website and it has several listed. Is PCH public domain? Or does this mean I can't publish a book on this topic. What about other names, like states or countries? Are they considered public domain? Thanks.

Jake

Hi for the free promotion with kdp do you have to wait until the 90 days is over to publish on ingramspark or can you publish right after your book is publish on kdp.

Nolan

looking to get started on my book cover. Where are others getting their book covers done? Or are there sources where you can do it yourself and still come up with a good outcome? Looking for options.

Bruce

I have finished Module 1 and want to do the 7 day challenge. But I don't know the steps of what to do. Can you summarize them ? I have a book basically written, a low content one.
