The logo consists of the letters 'FYI' in a bold, white, sans-serif font, centered on a blue rectangular background that has a slightly distressed or torn-edge appearance.

There are many students on this call, all at different points in their publishing journey. We receive many questions and do our best to choose the ones that are applicable and helpful to the majority of attendees on this call.

We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

Is there a proof of concept for the topic idea called "Overcoming Codependency: A Journey to Self-Love" from this book title on Amazon called "How to Love Yourself: Build Unshakable Self-Confidence, Break Free From Toxic People, and Silence Your Inner Critic in 7 Simple Steps"?

Hello! Can you please check my topic for POC - Financial Literacy for teens

Also what do you think of this title?

Financial Literacy For Teens Simplified

The Secret Sauce To Grow Your Money, Earn Your Independence And Reach Early Financial Freedom Even If You Know Nothing About Money

Thank you!

David

I am new and invested a lot in the accelerator program. I have a deep background in marketing communications so writing and editing are high skills for me BUT My topic has been approved and passed POC well by my Coach as:

I A for Educators

I wanted IA for Beginners but could not get it to qualify. I noted that someone else last week did get the beginner topic approved. So I am told I do not need to be an SME for this...but it makes me nervous:

I know next to nothing about AI

Nina

I'm between 2 topics: Shadow Work and Chair Yoga for Seniors

I like both topics, they both seem to meet the proof of concept criteria. Chair Yoga seems to be more lucrative, but is it too saturated with books?

What would you recommend?

Rachelle D.

I have a topic of Chronic pain. When i checked POC, I thought it passed. Can you confirm?
