I need to check with a coach for POC for my 2 books. I have made a copy of the searches pages showing what I found. How do I include it in here???

Hello, I have written my manuscript and have proof read it. I believe my next step is to find an editor. My question is how to approach the editor and what should I expect from them? As in do they format the manuscript so it looks right, and reads right, and flows right. I have journal entry pages and interactive pages that I want to include; do they help with that? Do they give advice on how shorten sections if necessary? If they do none of these, then why do i need them as I have paid grammarly to do iot already. Im at a point where I have been stuck for over a month and Im starting to doubt everything, and want to give up.

What is the reason for when researching topics on KDP limiting the reviews to 150?

Hello Coaches,

I'm starting my doneforyoukdpreviews campaign and my consultant suggested we run a test with two different book covers to see which one garnered the most clicks. What do you think of this approach? My book is a medical book that is very niche-y.

Thank you.

Bernadette Fischer

Hi Coach/es, I'm going to ask a few questions. Thanks in advance!!!

I hope you can talk about formatting. Besides UBF, do you have any other companies to recommend? I'm looking for something like Kindle Create or Calibre (for ebooks). Just curious what you think of such tools?

Should I enroll in KDP Select and Kindle Unlimited?

When I set my list price, do I qualify for a 35% or 70% royalty rate?

Hi coaches!

I have two short and specific Amazon Ad questions found on the google doc linked below. One concerns a manual keyword campaign and the other an auto-high campaign.

You'll find data from the last 30 days (minus 2), breakeven ACOS, spend for the past 30 days, and the link to the book's Amazon sales page there.

Thanks for the help!

I am looking to create a job post on Upwork for editing services. But I don't know exactly what to ask for - like developmental editing or line editing or copy editing. I have read through, updated manuscript, used ChatGPT to get the text to sound like me, ran plagiarism check but I don't know what to post in the job post. I have a person I'd like to hire on upwork but it asks me to create a job post. A word prompt would be helpful or any help would be great.

Hi Coaches, I'm getting closer to finalizing my book cover. I decided to hire a designer from Fiverr, and sent a few cover ideas I have already created on Canva and Ideogram. Here's what they have come back with. I'd love your thoughts and suggestions. I'm still in the revision phase, so it is a work in progress. Thank you.

Hi Coaches,

I am almost ready to publish my full 30K manuscript, and would like to create a companion workbook. Can I use the 7Day Challenge to create a workbook, approximately 80 pages. I don't want to have to sign up for another entire manuscript. I appreciate your ideas.

Lise (Leez) Afoy

Hi Coaches, I used a credit to generate my full manuscript. I do not see my Table of Content at the beginning of the book. Is that something I need to generate manually once the book is fully formatted?

Jannett Charlton

Hello. I am editing the book outline and ready to submit for the manuscript. Does it matter if I added a chapter or subchapter? It wont affect the manuscript?

Also, can I work on the book cover while I am doing the final edits or should I wait?

Justin Walker

Do you get paid by Amazon or by AIA just to be clear?

Justin Walker

How long is your payment process 5 to 10 business days?

Lise (Leez) Afoy

Greetings! I'll be using a pen name. What do I put as my bio? Do I leave it blank? On your Frequently Asked Questions page the advice given is, "Calling yourself an up-and-coming writer in your niche with the passion to help others in that area is a great start." For those of us who know little about the niche we're writing about, what should we add there?

Bhuva

Hello Coaches!

I am editing my book outline, but also considering generating another draft. I'm just not sure how it all works.

Will the first outline be saved/ will it be in the original form?

Or should I continue editing my first generated outline if my changes get incorporated into the next generated version?

Thanks for clarifying.

Marshall Rodriquez

Hi, please check my title/subtitle. My topic is quite long and I'm not sure there's a terse way of addressing the top three issues while staying in the sweet spot for title/subtitle length top three issues are networking at events, learning to be assertive without being aggressive, and learning to read body language.

Title: Communication skills guidebook

Subtitle: Simple strategies to make connections, learn to be assertive without being aggressive , and improve at reading people's nonverbal signals. Become the well rounded communicator you were always meant to be

Total length is 277, but I'm not sure how to get the count down while including the top three problem solutions and a nut grab. Maybe put the nut grab in a badge? Is the pattern more important or the character count?

Jim Kalish

My 30k is in the niche of healthy aging so I decided to use a pen name for the kid's activity book I published. It is doing ok, 27 reviews with an average of 4.7 and some sales. But I didn't check the pen name before publishing the first one. That name is also used by someone publishing erotic romance novels. Should I pull the published kids' book and then republish it under a different pen name or just don't worry about it and keep using the same pen name with future kids' books?

Gloria Oforka

Hi Coaches, I hope you are well. Could you please check my book cover and the sub title for me?

Thanks Gloria

Afternoon coaches, thank you for all the advice you provided. My question is how should I give e copies of my manuscript to friends for review before I submit to KDS? Will they automatically send me a paper copy when I publish? Do I have to request one?

Should I wait to publish before I give advance copies? How do I get author copies of my book at the reduced rate?

Hi Coaches.

After proof reading and self editing, my manuscript has around 38,000 words, is that too long? I am going to pass it to an editor, if I need to cut down the words, should I do it after getting it back from the editor?

Rob Pendell

What up, coaches? Are there other marketing strategies I'm supposed to use other than amazon ads? Yes, or no? If so, what are those marketing strategies?

Daniel G.

Mahalo to all you coaches!! Do you think it's ever worth it to simply redo/regenerate a full manuscript on the pub.ai software, assuming nothing else is changed (especially now that some of us have unlimited manuscripts)??? Or will it be so similar that it's best to just stick with the first manuscript and edit that one??

Aloha every minute!
