FYI

There are many students on this call, all at different points in their publishing journey. We receive many questions and do our best to choose the ones that are applicable and helpful to the majority of attendees on this call.

We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

How do I access my book cover template cheatsheet?

Bernard Eberhardt

In June, ACX suspended my account for "suspicious activity" I'm unsure of what they are referring to, and when I emailed support for an explanation, the reply was this is the end of the matter. is there any way to get my account reinstated?, or is this an indefinite band?

"Hi coaches,

So now that the book is published and out in the real world, I'm in review mode. I got a lot of email addresses when I did the FB ads method, but very few people responded to be on my early review team.

I want to try the FB ads again to promote that the book is launched. Do you have any thoughts on whether that is a good idea or successful to AIA students? "

Andrea

I have gotten my first book out, and although it is not my 30k I am going through all the steps to learn the process. I have hit a stumbling block with the facebook review method. It is taking hours and hours of my time and has resulted in no reviews. Getting permission from Admins is difficult as people are hesitate to allow "self promotion". My posts, with script taken directly from the course, get no or very little engagement and I am posting in groups with tens of thousands of people after providing value in the group first. Am I doing something wrong or is this normal? Should I be targeting smaller groups? I have had much more success with Pubby.

"I'm writing a book on who to choose wedding flowers. There are over 150 pictures I want to have in the book. So my question is: With so many color pictures, should it be only an E-Book

Seems like a printed book would be super expensive

Can a book like this be narrated? That would make it an audio-Book. THAT COULD BE FUN!

I also wanted to insert a calculator page so they can figure up the cost of heir wedding flowers, is that possible?

I need to go back ant put watermarks on all my own PHOTOS, SO DO YOU KNOW WHICH PHOTOSHOP TYPE APP IS A GOOD ONE?"

"How do I get the background from pexels behind the image from DIYBookcovers?"

I followed the instructions for setting up a DM link, and there was not ""general"" tab on the FB profile to click on. Please advise.

"Hello Coaches!

I am in the process of checking the plagiarism of my 30 K book. According to Grammarly, the total plagiarism is 8%, and the majority of the plagiarism is from quotes. The quotes I used are from Buddha and from other people who are not familiar at all. I decided not to use the quotes from Tony Robbins, and Robert Proctor. I used one quote from Jim Rohn.

Looking for your advice, please: do I have to keep all my quotes ; keep some of them or totally take them out? Thank you very much!

P.S. Could you advise please, how can I share my book cover during Q&A., by email before the next Q &A? Thank you!"
