There are many students on this call, all at different points in their publishing journey. We receive many questions and do our best to choose the ones that are applicable and helpful to the majority of attendees on this call.

We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

In the book's manuscript generated by Publishing.AI, the Introduction mentions a glossary to explain tech terms. However, we don't see a glossary included. Was this an error, or do I need to create the glossary myself? Thank you in advance for your answer.

Hello Coaches. I Love Sunday Savages! Question my A.I. 30k generated manuscript, didn't include anything to Cite, though I used well known people as an 2-3 line example in every chapter. A.I. said it was not necessary to have a Cite page for my book. I have 2 main competitors, the no.1 competitor has a 1 pg. Resources page in the back of his book & 2nd competitor has Bibliography page in the back of his book, which consist of 7 pages. Question: How shall I compete going forward? My topic is very Interllactual.

Hi Coaches,

I am working on 7 day book challenge.

This is my title and subtitle. I have 2 questions.

1- Does this flow nicely?

Title: iPhone 16 Pro User Guide for Beginners and Seniors: Subtitle: A Step by Step Manual for Secure, Seamless, and Satisfying Use on iOS 18 and Customized Tips & Tricks

2- Can you please help me double check that it doesn't have any copy write issues? I find copy write checking a bit confusing. Thank you

Hi Coaches,

Please ignore my previous question. ChatGPT messed. Here is the revised title

Hi Coaches, thank you for your good works. Please while watching Rasmus video on formatting in Reedsy under 7dpc, he said that Reedsy does the content of the book for us. When i saw the content Reedsy did for his book, it came as a list. My question is this what is the different between book content and Manuscript. Secondly, do we upload our outline that generated the manuscript when uploading it for formatting into Reedsy. Or that our book outline will never be added to our published book? In a nut shell is it the book content generated by Reedsy that is replacing the book outline? Thanks.

I have recently ran a promotion for 3 days free ebook. People are having issues getting the ebook if they don't have kindle. We were told in the program that promotion prices of \$0 will still count as a verified purchase but that is not the case on amazon anymore. So none of these are even verified purchases. Since this is the case can all these people who have the pdf copy or did get the ebook, can they just go in and leave a review anyway?

This one's for you, Brian!

I setup my first 4 Amazon Ads, but when I try to go in to see them, I get an error. I don't know if I did anything incorrectly when setting them up.

Call for help! Hi all, I am new here and very excited to join in the fun and process. I am picking a topic now and having a very difficult time finding books with 150+ reviews, that rank <150,000 and make more than \$500/month. I've gone through 20 topics from the 100 topics sheet and the best seller books are making \$12.00-49.99/month at best (most are under \$24.00/month). I am in the books section of Amazon and can access the rankings and sales figures. Any direction would be GREATLY APPRECIATED!

I have my references page and out of 34 references which were generated none of them have an author or date of publication for the website. Is this normal? Do I need to manually go find all the authors and dates? Should my sources be referenced in the text?

My question is in regards to KDP Select and the free Kindle download days. I have uploaded my first ebook to KDP with a future publish date of 11/19 (it is available for pre-order). I did choose "KDP Select" in the process to add the book; however, I cannot select the book's free Kindle days. Does it have to be "published" in order to do that?

# Elizabeth Martin

Received good feedback on my QSA review and considering some changes that would involve changing the cover but weighing benefits vs. cost of redoing all cover formats and moving publishing out. Link to cover for reference:

[https://drive.google.com/file/d/1P1mX09mD6bX4D5qg3CRz\\_eWJNW2Gpqm9/view?usp=sharing](https://drive.google.com/file/d/1P1mX09mD6bX4D5qg3CRz_eWJNW2Gpqm9/view?usp=sharing)

One suggestion was to include seasonal reference in sub-title, for more sales year round. Now considering changing from "Cultivate Healthy, Productive Gardens Naturally Using Easy Eco-Friendly Techniques in Any Size Space" to "Cultivate Healthy, Productive Gardens Naturally in Any Size Space Using Easy, Eco-Friendly Techniques for Every Season". Not sure about other suggestions: 1) change COMPANION PLANTING font to match oil paint look and 2) specify what type of gardening (vegetable, etc. but my book covers all so it would be too long). Advice? TIA.

# Elizabeth Martin

I'm considering adding guidance/disclaimer/note to reader so to speak for my gardening book. Something that starts like "This book is designed to be practical and accessible for gardeners in all regions. While some of the plants mentioned may be more common in certain areas than others, the principles of companion planting are truly universal...."

Is there an appropriate place to do this, or just add it to the introduction perhaps? I have tried to make the book as global minded as possible but I know through AI research, etc. it will be more NA focused.

# Donna B.

Hello coaches,

ACX support advised me I'm not eligible for the promo codes because I have the [Non-Exclusive] distribution which I unknowingly signed up for!?

"[Non Exclusive distribution] is not eligible for receiving promo codes.

Promo codes are a benefit for rights holders of exclusively published audiobooks and producers who accept projects under Royalty Share terms."

Is there a module lesson that explains how to correct this?

\*I'll check the recordings (in 24hrs) for your answer.

# Brenda Wollenberg

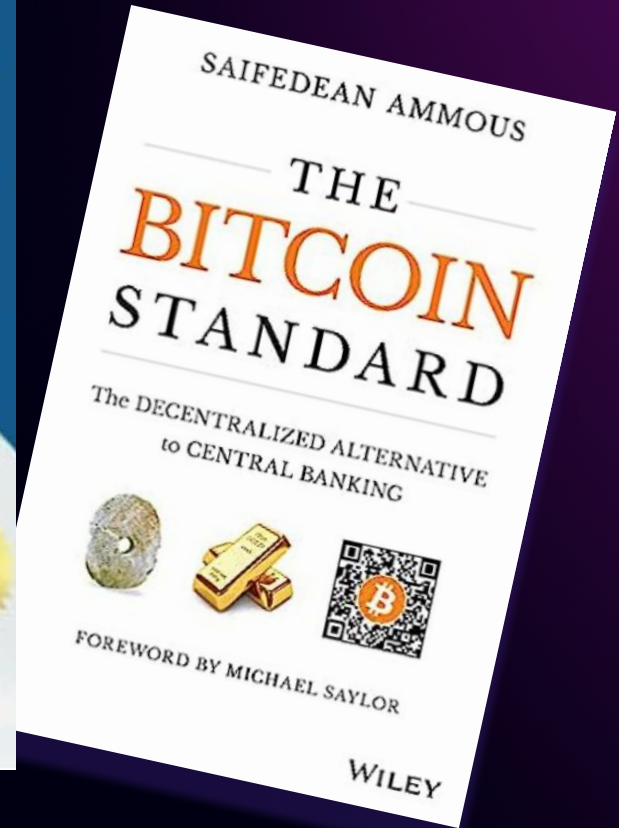

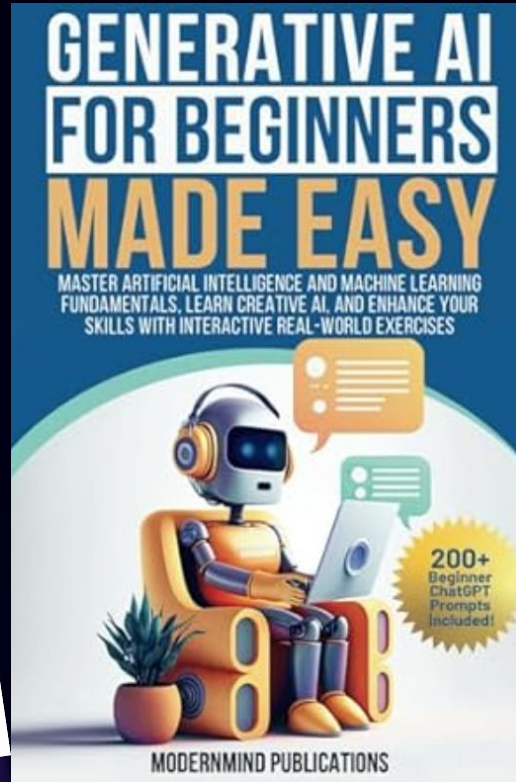

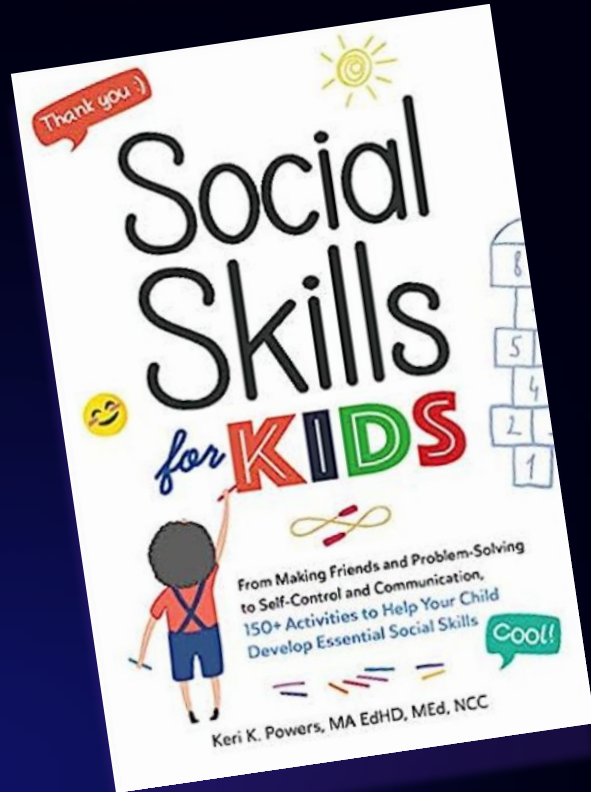

Hi excellent coaches! These covers are not fully revised as I've not yet got back changes from my last design requests but keeping the following requested changes in mind, are we getting closer?

- 1) Green: Not sure we like the brown colour of title. Thoughts?
- 2) Blue: a) Work with the intensity of the photograph's color and have less of an exaggerated white effect (It currently looks like fog or like they are escaping from a fire.). b) Try a deeper blue for the blue typeface. c) Put author names a bit lower.
- 3) Both: In subtitle should we omit the "and" on the last line and leave them as three bullet points?

Thanks!
