Use Autosuggestion

The screenshot shows the Amazon website interface. At the top, the Amazon logo is on the left, and the delivery location is set to Beverly Hills, CA 90210. The search bar contains the word 'container'. Below the search bar, a list of search suggestions is visible, including 'container gardening for beginners', 'container gardening', 'container security', 'container gardening book', 'container vegetable gardening', 'container home', 'container garden', 'container home book', 'container garden book', and 'containers for tops and cotton balls'. Each suggestion has a small signal strength icon to its right.

Overlaid on the search results is a keyword analysis tool. It has three main columns: 'Keywords Before' (pink background), 'Keywords After' (green background), and 'Other' (grey background). The 'Keywords Before' column lists terms like 'kids lunch container', 'containers for mini fridge', 'containers with lids for organizing', 'containers for organizing clothes', 'containers for organizing pantry', 'container', 'containers for beads', 'containers for food organizing', and 'container store storage bins'. The 'Keywords After' column lists terms like 'container gardening books for beginners', 'pizza storage container collapsible', 'dog food storage container 50 lbs capacity', 'oxo pop container', 'sharps disposal container for home use', 'sterilite 3-drawer storage container', 'dog food storage container 30 lb', and 'how to build a shipping container home'. Each term in these columns also has a signal strength icon.

At the bottom of the tool, there is a footer with the following text: 'ASE v2.1.42 | Download Keywords! | Want to see Search Volume for these keywords? Go PRO! | Tip: You may have to scroll to the right to see all keyword suggestions.'

Is the self help niche and the emotions subniche a good space or is it too competitive?

Selin

Hi coaches, I've seen replays on POC calls that self love and self confidence for women and/or teens have passed POC. If it doesn't pass later on, should I just go and move forward with it? My initial topic was in self care but doesn't seem to be a strong niche now. Can you run self love and self confidence variations just to double check as another pair of eyes for me please?

Hope

Hey coaches. I would like a POC on two topic ideas. Wall Pilates For Women and Chair Exercises For Seniors. Thanks.

Shirley

Hello Coaches, can you check POC on "Oppositional Defiant Disorders" for me please.

Jessie

Brand new student here, hello! :)

I'm feeling stuck on choosing a topic and looking for help. My goal is to produce a profitable book, it doesn't have to be a passion project first time out. I am very tech savvy and highly motivated/disciplined.

I am a Creative Strategist (I help successful business owners bring their ideas to life to increase their revenues). Here are some topics I have experience/interest in: 1. Parenting Multiple Kids (I have 4 kids ages 12 to 17) 2. Homeschooling, 3. Freeze drying, 4. Raising Backyard Chickens, and 5. Marriage (and this might be too much information - but I am in the process of recovering my two decade marriage after a short term of infidelity and substance abuse. This is the topic that is closest to my heart - for obvious reasons. I feel I have a message to share with other women to walk them through this and give them hope - not to leave or to stay, but to improve their life in spite of this.)

Becca

I'm coming up empty when it comes to proof of concept or even finding a viable topic within the area of adoption, which was one of the topics listed under parenting and happens to be my area of expertise and the business I'm in. My seven-day challenge book was about the process of adoption and I was hoping to keep the same theme going. I've tried searching under every possible topic under adoption and can't get proof of anything. Do I need to give up on that topic and move on?

Stacey

I think a survival guide for kids meets POC, can you check please!
