Mary

I'm having difficulty in finding a topic that fits the POC requirements. Should I book a coaching call for help or just keep trying to find a topic? Thank you.

Renna

Hi, there! In searching for proof of concept, two topics I found met the requirements, but both were workbooks instead of traditional books. Do you recommend creating a workbook? Any thoughts about moving forward with these topics, or searching for topics that meet the requirements as just a book?

Debra

I am having trouble coming up with a topic. The ones I've tried don't have a good concept on Amazon.
