FYI

There are many students on this call, all at different points in their publishing journey. We receive many questions and do our best to choose the ones that are applicable and helpful to the majority of attendees on this call.

We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

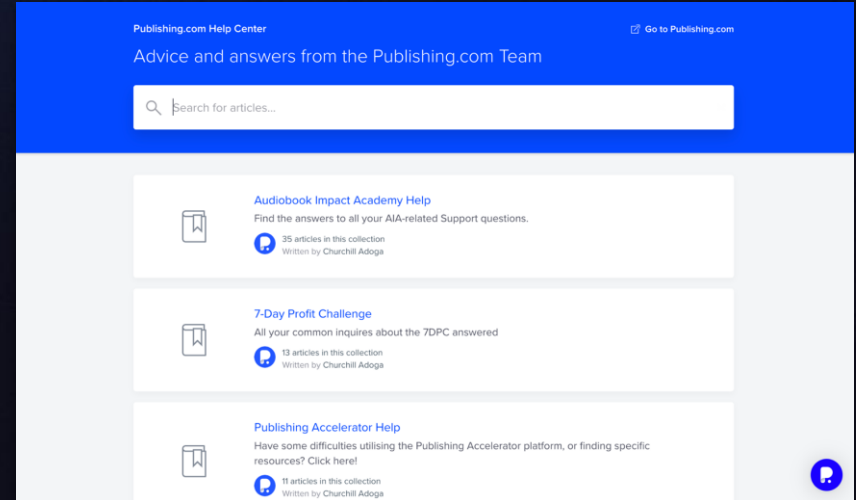

Most Frequently Asked Q&A Questions:

Hello! I found a 3 topics, which has a proof of concept. Could you check them? Investing in Real Estate, Options trading for beginners, Start your business. I chose the topic Start your business for my first book. Is it ok? Thanks

Sharon

Can you please, review how we do the process to look up a books rating, etc. once a topic is chosen? Thank you!

Hello Coaches,

I have finished module 2 and set up the KDP and ACX accounts. However, is there a link to how to set up your business? If you have set up your KDP and ACX accounts as yourself with your TIN, can you go back to update your accounts with your business EIN once you have it? Thank you, Kendra

Vicki

I'm being harassed on FB by someone who became my friend just so she could harass me every day about getting an agent for my writing and to use her services instead of aipublishing. I said I already have money invested in a service & I won't be changing it. She responded by plowing on with her own agenda, acting as if I'd never even spoken. I want nothing to do with h3r now because of how she acted. How do I do that so that I don't lose existing reviewers sand potential sales. I already told her no, and she ignored me outright. What do I do?

Jim

I need some advice on how to best switch my KDP and ACX account from an individual one (how I created it when I started years ago) to a business account. Sales made in my publishing acct go into my banks LLC business acct and amazon ad expenses are paid for with my LLCs bank card. My personal account, with assoc email, is linked to my author page, etc. I have a separate business amazon account (Not KDP or publishing) which I use to purchase business related items on Amazon. What is the best way to transfer everything over to the business account? It wouldn't let me change the user id or email assoc with the account and it won't allow a po box in the biz acct info section of kdps acct page so I'm not sure how to go about making the switch. Please help.

Rachel

Can I write and narrate my own books?

John

My book has been formatted, the Cover/spine/back cover are completed, and I have approx 300 early readers so far. I plan to use Mailchimp to begin communicating with early readers and to notify them of when the book will be officially published (so they can get the latest version and leave their review).

Question #1) How much time should I leave between now and publication date?

Question #2. Should the date I provide my early readers be a couple days AFTER I click the 'publish' button at KDP (ie -leave myself some time to make any corrections etc?) TIA

I'm running FB ads to increase my followers on my FB page. It was going very well and I was getting 15-20 new followers every day until the last 3 days. I've only been getting 6-10. Today, it's only been only 1 so far. There's been a steady decline and nothing has changed. I've still been posting to the page to get more engagement. Is this normal? What can I do?
Thanks!

Angel

My manuscript is in the revision phase on TUW. My writer has been really slow to update and communicate lately. Should I just approve of it and edit it/finish it myself? She is delaying my book launch at this point. What should I do? Thanks.

Joan

I can't get a narrator for my 40 page booklet. 2+ weeks waiting .No takers. How do I find a narrator? I offered \$100 per hour. Joan

Dear Coaches, While going through the writing to get a feel of the whole book written by my GW, I realize some issues such as using some words and expressions repetitively throughout the book; Can even read words or sentences repeated in consecutive paragraphs; In addition, wordy and fluffy expressions are extensive as well. It has taken me a long time to put my feedback on Google doc chapter by chapter. I presume if she writes it in a more concise way, we won't have exceeded more than 3000 words. I am not sure if I need to ask my GW to edit and modify or if I just take over from here and do it myself. Would like to hear your feedback, please. Thanks

Susan

I learnt that Amazon is changing the cost of paperback printing and we are to adjust the price of our paperbacks by June 26. My paperback is currently at \$9.99 and I am wondering what price I should increase it to? Maybe \$15.99? Just wondering what others are doing and what price do you advise I increase my paperback to. Thanks

working on a title for my first 30K book. Prostate cancer I've had for over decade.

My book is just about ready to be uploaded for publishing. I remember hearing about needing to insert blank pages according to requirements on KDP, but although I looked in modules, I couldn't seem to find any info. Can you help?

Sallie

When I insert links with text for the e-book they pop in colored orange. I have changed them to blue. Any recommendations?

Waqar

I want to ask that I am from Pakistan, so I cannot create an ACX account. So I have to purchase an LLC. I have experience registering LLCs, and that's not a problem. But I want to register LLC in New Mexico as the registration fee is only 50\$, and there is no annual recurring fee. Also, there is nearly 5% income tax and no sales tax. Income tax becomes payable if the income crosses the threshold of \$500,000 annually. So considering these things, I decided to go with New Mexico. Does this sound right to you guys?

Waqar

I have completed my 7 days challenge. And I created my KDP account on Pakistani details. The coach in a class was saying that KDP and ACX must be on the same details. After registering LLC (as I told in previous question), can I move my KDP account to new details as it is on Pakistani details currently? So that I can set both my existing KDP and ACX accounts on new LLC details.

Waqar

I was told in a lecture that we can not create two KDP accounts on the same laptop or PC. When I will set up my LLC account, will I need a new device? Because I have one account running on this laptop which I created for 7 days challenge (as I described in previous question). Is there a way that I can use my existing laptop because I can't buy another one? I read online that if I reinstall my operating system, it will change the IP of my device, and I can use my existing laptop then. Is it true?
