OPEN Q&A

Submit your questions live on the call in the Zoom Q&A field. We will pick and choose the best the questions to answer.

The logo consists of the letters 'FYI' in a bold, white, sans-serif font, centered on a blue rectangular background that has a slightly distressed or torn-paper edge effect.

There are many students on this call, all at different points in their publishing journey. We receive many questions and do our best to choose the ones that are applicable and helpful to the majority of attendees on this call.

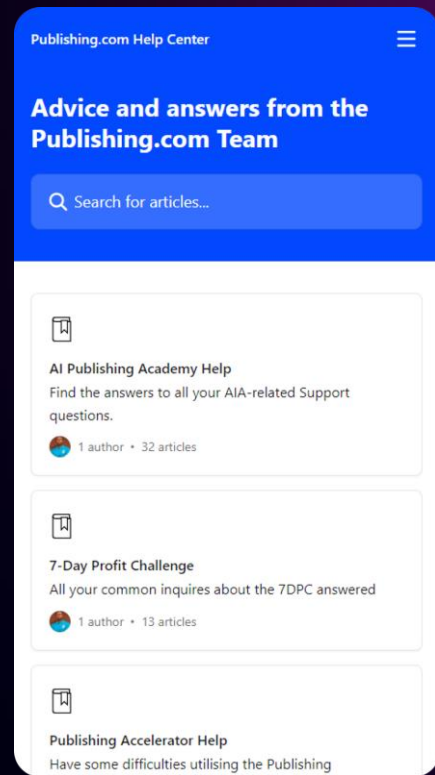

We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

"Hello Coaches,

I'm at the point where I'm ready to send my manuscript to a Publishing Service for the final touches in editing and formatting. However, I've noticed that I don't have a disclaimer page included. Is this something I should be adding? If so, could you provide me with some guidance or a template to help me create one? Thank you so much for your assistance!"

My audible book is currently in production. Just wanting to know how to get reviews from our AIA Publishing Life community - do I just post the free codes to our AIA Facebook group?

"Dear Coaches,

I've developed two options for the title and subtitle, your insights and expertise would be very helpful in selecting the best option.

Option 1: ""Empowering Her: A Woman's Guide to Strength, Resilience, and Renewal Amid Adversity - Real Stories, Practical Exercises, and Actionable Steps for a Transformative Journey""

Option 2: ""Empower Her: Developing a Resilient Mindset, Strength, & Renewal - Inspiring Stories, Transformative Exercises, & Bold Steps to Thrive in Life's Challenges""

I would greatly appreciate your feedback on which title and subtitle you believe will be more effective in attracting our intended readership.

Thank you for your time and for sharing your invaluable insights.

”

Are they creating this software themselves or is someone else creating it for them? Will the beta subscribers be grandfathered in when the new software is available or will we have to pay for the software?”

"Two part question.

1. Title Review: POC Keyword = Companion Planting For Beginners

Organic Companion Planting for Beginners: A Simplified Step-by-Step Guide to Creating an Abundant Sustainable Vegetable Garden with Plant Synergy and Natural Pest Control even in Small Spaces

I feel like it could end better and is a little clunky...any suggestions?

2. I have already created my outline using the AI tool and it looks awesome. I'm ready to proceed but have to balance a limited budget. My plan is to continue to use the AI software to ghostwrite the book. I have enough funds to start a campaign on 99 Designs for my cover but not enough to buy a credit for the manuscript. Should I skip ahead and get the cover going first or wait to until I have the funds to write the book first? My timeline to have enough funds for both is 3 weeks.

I have numerous publications on KDP, but I want to publish on IngramSpark, so I will need ISBN for each book. I can get these free from Canada, but once I receive them, do I have to change the number on KDP? So, if I do not change them, each one would have two numbers, hence why I suspect I will have to change the one that was assigned by KDP.

I have received my ISBN from Canada and submitted a PDF file of the book to the archive. I assume that the electronic version will meet the requirement of submitting a copy. Am I correct?

Has the code for ingramspark changed or is it the same as the lesson from 2019? The code to bypass the payment for enrollment.

in 99 designs, after one chooses the winning designer (even if their design was lousy and needed a lot of revision) can I continue to have that designer do many revisions, based on feedback from your coaching sessions, until satisfaction is reached?
