OPEN Q&A

Submit your questions live on the call in the Zoom Q&A field. We will pick and choose the best the questions to answer.

The logo consists of the letters 'FYI' in a bold, white, sans-serif font, centered on a blue rectangular background that has a slightly distressed or torn edge effect.

There are many students on this call, all at different points in their publishing journey. We receive many questions and do our best to choose the ones that are applicable and helpful to the majority of attendees on this call.

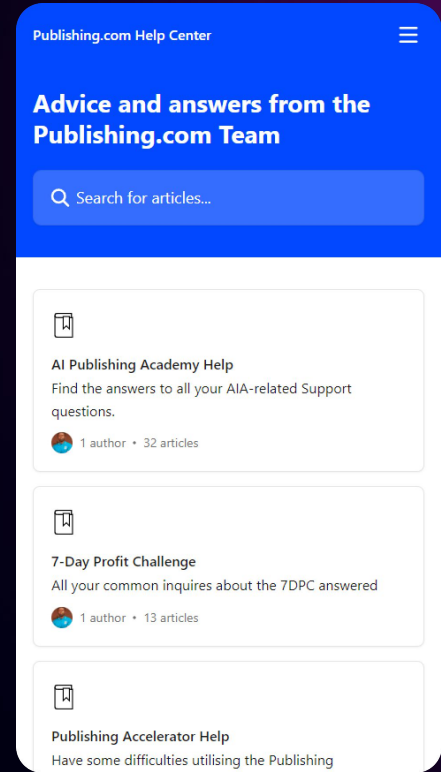

We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

Should we specialize in one specific niche for each pen name to avoid promoting unrelated books and maintain our credibility as experts in the field? If we have multiple topics that are unrelated, wouldn't our Author Central appear inconsistent and potentially harm our reputation as experts in any particular area? Thank you.

Debbie Meyers

Would love some feedback on the Title/Subtitle Options:

AI has just finished my 30,000-word manuscript and I was wondering about the editing process. I have watched all the videos and I am pretty set on sending it to publishing services to edit. Would you recommend proofreading my book with Grammarly Premium before I send it or will they proofread that for me? Then after I get it back from publishing services should I read it again and edit myself or is there no need?

Melita O'Neill

Hi Coaches, Please comment on my very first 30k Book with

Main Title: Safe Moves: Chair Exercises for Seniors

Sub-title: A guide to easy and gentle seated routines that improve mobility, enhance flexibility, and are practical in building strength, making everyday activities more accessible, enjoyable, and safer for those over 60 years old

. POC met is Chair Exercises for Seniors. Your comments and suggestions to improve this would be appreciated. BTW, I used Publishing.ai for my manuscript. I appreciate your help.

Would "Letting Go: Discover Emotional Healing and Release from the Past" be a good title and subtitle?

Caroline

Hi coaches! Since English isn't my first language, I'd really appreciate your input and feedback on my title examples below. I've found it's a fine line between having many keywords and keeping it "flowing," so I'm looking forward to your feedback!

I appreciate any help you can provide.

Title suggestion 1: The Vagus Nerve Power:

How Anyone Can Reduce Pain, Stress, and Anxiety, Improve Gut Health, and Boost Wellness with Simple, Step-by-Step Practices

Title suggestion 2: Explore the Vagus Nerve Power:

Effective step-by-step exercises that easily integrate into daily life to reduce stress, anxiety, and pain and improve sleep, emotional balance, and gut health.

Hi Coaches! (Tuesday Call) I submitted a request for author republic codes and I'm waiting for them to be emailed. My audiobook is now live on Amazon/audible, can I also submit a request for ACX codes as well? I didn't know if we could request codes from both platforms. I didn't find any info on this in the training modules if you didn't submit your audiobook to ACX first. Authors republic took care of the distribution already.

Thank youuuuu 😊

Hi there, please give me some feedback on these book cover designs. I know I have 4 when it should only be 3, sorry about that. Here's the link, hope it works this time.

I am brand new in the program right now so I don't have any questions. I'm happy to sit and listen for the first session. Then when I start producing books, I'll probably have more questions and I'll start to write them here.

So I completed my book outline and got the manuscript and was a little disappointed. I worked hard on the outline proofing it several times with added bullet points, notes to add diagrams, examples, samples, pictures etc etc. and the manuscript was just a bunch of long worded (winded) paragraphs. It just blended all the bullet points into paragraphs etc. I expect to spend time on the manuscript but didn't think I would have to redo the bullet points and insert every added graph, samples, examples, photos, sketches, pictures, etc. Oh well. And yes, I have watch and re watched the videos.

Terrance Phillips

Can you use Grammarly to write an outline on your book, as a reference?

Kevin Wallace

I accidentally use 2 email addresses but I am using the one which I paid the registration. How can I check to make sure this won't cause me grief down the road?

Hi, I signed up for the course in 2022, published my first book and then had to take a break. I'm excited to restart but worried about how the market has changed. Can you talk about how much competition/demand has changed on Amazon/Audible over the last few years and what we need to stand out in the age of AI? Thank you

Sharon Carr

Can you please let me know how or if I should tweak my title/sub-title? Thank you in advance! The Power of Herbal Remedies Simplified: A Holistic Approach to Plant-Based Healing, Natural Remedies for Lasting Health, to Enhance Overall Wellness for a Balanced and Vibrant Life

I am just about to generate my outline for 1st 30k book, I have POC for another book title that I could bundle, at what point should I start the second 30k book? Thank you!

Here is a link to 3 cover designs for my book on the topic Self-Esteem for Boys. which I would like to submit to Tuesday's Cover Intervention.

I'm having trouble picking a topic, should I pick something else that is not on your list of best topics to write about? Or should I only stick with them?

I did the amazon ad for my book, but I did not get any sales. What did I do wrong and what else can I do?

Malia Kepa'a

Here are some of the options for my book title:

I have narrowed it down to the top 3 that interest me:

- 1) Natural Remedies: A Self-Care Guide with Essential Oils and Herbs
- 2) Natures Touch: Your Guide to Self-Care with Essential Oils and Herbs
- 3) The Art of Self-Care: Natural Remedies with Essential Oils and Herbs

Mahalo,

The outline for my manuscript is at 38k words. Is that too long? Should I remove something BEFORE the manuscript is created or should I wait and edit within the manuscript?

Dominique Ekong

Hi! Sending in my cover options again per your comments from last week. FYI...my title and subtitle "Survival Skills for Kids 101: The Illustrated Step-by-Step Guide to Safe Wilderness Exploration for Youth Designed to Foster Independence, Build Self Confidence & Prepare for the Unexpected" is 189 characters including spaces. I shortened the subtitle on the cover anyway per your comments but would like to know your thoughts about keeping the title short on the cover, not at all, or keep the full subtitle on there since it's going to be on the Amazon listing. I also tried to have her make the cover less busy. Would love to know your thoughts.

Unfortunately, I can't be there live today due to the time difference, but I will watch the recording afterwards. :) My question is:

If I submit a question for a Q&A and it turns out that question doesn't fit into "today's topic", is that question saved for the next Q&A where it fits better? And if so, will you tell me in some way so I know?

Johanna Forsberg

Those who leave reviews on amazon.com, must they have bought for 50 dollars on amazon.com, or can they have bought on, for example, amazon.se (for Sweden)?
