FYI

There are many students on this call, all at different points in their publishing journey. We receive many questions and do our best to choose the ones that are applicable and helpful to the majority of attendees on this call.

We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

Should I purchase KDSPY ROI for 59$? KDSPY is saying it good for gaining reviews/promotions. All I am trying to do is get KDspy and it keeps asking me to add stuff like " fire your ghostwriter" 37$ and KDSPY ROI

Afternoon coaches!

My inquiry is related to my final manuscript. Ultimately I have been waiting on the next steps because I'm committed to including my lead magnet page *before I submit it to KDP.

HOW do I include the Lead Magnet "free gift" page in my manuscript? I'm using Vellum, so I can't figure out how to make a whole page an image of the promo page or insert it. What do I do? Maybe I should hire someone on Fiverr to put it in the final manuscript after I process the book pdf?

Thank you in advance,

Alana

Tricia

My daughter and I want to publish a book together. Specifically, I will be acting as the publisher, editor, putting up the money, etc, to get the project done. She is the author and is doing most of the writing so that we may not need a ghostwriter. In a situation like this, what should the royalty splits be?

Aubry

What is the best way to add illustrations to your book?

Lauren

Sometimes nothing will appear when I click search terms on my ad groups. For instance, nothing shows up on manual products for one of my books when I click search terms. If I change the filter to a more extended date range, books or search terms will appear. Is that normal?

Boyd

Which cover is the best? Please help me choose my cover. Thank you.
