Hello coaches,

Could you please confirm that 99Designs is the best option for a high-quality custom-made design?

I would much appreciate it if you could consider which of these 3 variants you think works best. I will be at work and will look for your answer as soon as the recording is available. Thank you so much and best regards - Philip.

Is there a way to engage with the AI tool for the outline in publishing.ai to have AI help make the outline better like ChatGPT? The structure I got back for my outline was not great and not easy to follow. I followed the steps for all the inputs for the outline and even tweaked and ran it again but I don't see a way to give it feedback to make it better.

Karina Kleiner

Feel free to add to my other question! Should we wait to move forward to module 4 until our book is created? Or keep going and parallel path some of the work?

Also, if I am wanting to work on more than one book at a time, where in the process should I be parallel pathing? Especially since this is my first book in the program for 30K book.

What I've done thus far is discuss some details about several restaurants and describe each of their sandwich and other hand-held options. An alternative approach is to discuss each restaurant in more detail and highlight ONLY 2 or 3 of their sandwich/hand-held options, rather than discuss all or most of them.

Looking for opinions for my book cover. I received 130 designs but here are the 3 I narrowed it down to.

I think I've done everything that I'm supposed to do, I have followed the instructions to the letter, but I cannot upload my images to my manuscript at Publishing.ai - I generated them through ChatGPT and I purchased your suggested ChatGPT 4. My specs were at least 300 dpi, B&W, JPEG format . A total of 4 pages. I downloaded them to my PC. I opened Google Docs and I inserted them into my manuscript. I asked ChatGPT to combine two charts to a page for a total of four pages to keep printing cost down. (But I can separate them individually for a total of 8 pages if I need to). I then copied the entire document and opened Publishing.ai and I pasted the document. All the text appeared but not the images. I also tried inserting one page at a time but again - nada. I used two different browsers but I still cannot insert the images. What am I doing wrong? I also tried reducing the size but again nothing happened. Any suggestions?

On another subject regarding my title which I'm still debating. I did further research and the ones that I provided you before appear to be very common. I wanted something a little different with no copyright or trademark issues. I believe that this one may be better. Please advise, I value your opinion.

Please can you advise on the best Title and Subtitle? - I posted my cover and originally it was called The key to heal your inner child - the advice was that amazon does not like the word "heal or healing" and even if i get it through, i may not be able to run ads to it. I don't want to waste all my time on book covers and titles etc if i am not able to run ads, so I thought I should change the title now (although there are a large number of books with Heal/ing the inner child already on amazon though?)

here is the link for the titles and subtitles

I'm on the Founders Package, with credits for Book Topic Ideas, Market Research, Outlines, and Descriptions (30 remaining this month). Can you explain how credits are calculated? Does "30 remaining" apply collectively to all features or per feature? My first book focuses on investing & financial markets. I'm a financial trader with 14 years' experience in options, futures, forex, and crypto.

Hi coaches! Module 5 (Book launch strategy) mentioned that the 2 book covers needed to launch the book on KDP are the E-book cover (jpg) and the paperback with spine and back cover (pdf). At what point is the hardcover file utilized if the above are the only two files I need?

Also, when the book is launched and an ASIN is obtained to create a QR code for the print book, how do you insert this back into an already formatted PDF manuscript? Thank you.

Syl WANG

What are the criteria for choosing a good editor when outsourcing your editing? Are they the same as for a ghostwriter?

Would you for example ask the person to send some writing samples ? What else should you ask?

Thanks!

Syl WANG

Have you ever noticed some bugs with KDSpy?

For one title, it seemed to show the revenue for the Audible book which was very low, but when I checked the paperback version of the same book, the book ranking should have showed a much higher monthly revenue.

Thanks!

Marshall Rodriquez

I believe I have 2 book topics that make POC, could we double check them? Topics are :
"Communication skills", and "reading people"

Francesca Crowther

I am working on my outline and I am amazed at the amount of detail that is included in my outline. I noticed that the ai does not include all the topics that I wrote about in the vision. Do you have any suggestions for prompts in the vision or elsewhere to get an outline produced that includes all the topics that an author requests? Can you talk about this process a little? Also, what is the average number of outlines that people generate before they have enough material to get an outline that is ready to set up their manuscript? Thanks for your awesome assistance, Coaches!

Hi coaches, i am seriously delayed with my 7DPC book and have already tried through mail and the facebook group but in vain still no solution after 2 weeks. I did everything step by step as in the course but it went wrong in reedsy when uploading, my text was totally wrong and only when I put it in H3 it was ok. But I guess that can't be the intention. Then I continued and everything seemed ok but at print previewer I got the error message that text would go outside the margins. i then uploaded everything per chapter as in the reedsy training but to no avail....my E-book is already on Amazon but you can't buy it because when you klik on 'buy now' nothing happens.. I'm getting desperate, I was extremely motivated and have already lost so many hours without finding a solution, pleaaase can you help me???

Rebecca Brown

Hi Coaches, I'd love your thoughts on my 4 book cover designs. I am attaching 2 Google Docs with 3 covers in one and 1 cover in the second. I am in the final editing stage of my 30K manuscript and hope that I can narrow down my cover soon.

Hi Coaches! Happy Sunday. My question is three part

1. Please review my title and book cover for 7DPC

* Balance Your Chakras Balance Your Life: A complete guide for all levels to unblock your energy systems using the power EFT to create and empowered life of health, wealth, happiness and freedom.

<https://drive.google.com/file/d/13Ec1thLhXhbeeyHUDI4JmsomHgZJI4RZ/view?usp=sharing>

(I took Rasmus' advice and will add the subtitle to the description on the back. I did not want to use 'A beginners Guide to the Chakras because it is overused)

I look forward to your feedback.

2. The content of my book came from my education and career experience over the years. Do I need to use references?

3. I legally changed my name to Lily Canizaro and will be selling these books at my yoga studio. However all of my certifications are in my former name. Which name do you recommend I use if I am listing credentials in author bio?

That was a lot! Thank you in advance
