FYI

There are many students on this call, all at different points in their publishing journey. We receive many questions and do our best to choose the ones that are applicable and helpful to the majority of attendees on this call.

We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

Hey, coach's hope you're doing well. I had a question about my pen name which is Jake Ward. So, my 7 days profit challenge book is the same name as my 30k word book my 30k word book is not done yet. The 7-day profit challenge book is not selling at all. Should I get rid of it because I don't want it to make my other book look bad because it is a low-quality book? Thanks

Since Audible charges \$15.00 a month and gives 1 credit, if my book is \$19.95 and someone wants to use their 1 credit to get it, does that mean that the audiobooks that are downloaded with credits only pay out at \$15? Or how much does Audible charge?

Maurice

I am a published author (2005) and would like to use my book as my first audio book.
Do you recommend this option?

I posted my book topic+outline in the Urban Writers website more than a week ago, but nobody accepted it; I also reached out to support and they told me to search for writers in my niche and reach out to them. This process is taking quite some time, it looks like there are not that many writers in my niche and among the ones that are most of them don't have enough experience. Shall I try posting my topic and look for a writer in the Hot Ghostwriter website or keep searching in the Urban Writers?

(I cannot be on the live call this morning....) But here is my question - Regarding my first book topic: The search "raising good kids" does have POC. But the more generalized search, "raising kids" does not have POC. There are sub niches that also do not have POC. I'm curious what advice you have for me. My perceived topic is going to be about "raising good kids" but it will have a little twist in the title. Thanks for any help, Is there a transcript of the call I can look through later?
