Hello Coaches,

Please give me feedback on this revised title. After following Coach's suggestions, I have settled on this title and have added more pain points.

Don't Overthink It

Recognize negative thought patterns, break free from self-judgment, gain peace of mind, escape mental chaos, let go of anxiety to create the life you desire.

Thank you for helping us!

Hi Friday Coaches,

I am in the final stages of editing, proof-reading and checks on Grammerly for Ai and Plagiarism on my 30K book. Phew! It's a LOT, but so important.

My book is called, "Break Free from Burnout" and I have a few assessments and screening tools that I want to include and reference and have created QR Codes to link the reader directly to these tools. I've seen this done in a couple of books I've read recently, and thought this is such a great idea.

I am attaching one of them here for you to check out and see if you would recommend doing this or not?

I have several screenshots saved and copied to share with my coach but have not learned how to upload them onto my HQ sheet or any other way. Have not yet chosen my book topic, and am needing his feedback.

KDSPY does not work for me. The extension is incognito the way its supposed to be. It will be "page loading..." and then it will show "no results exist". I checked with KDSPY and figured it may be my internet security getting in the way. So, I got rid of my internet security all together and it's still not working.

What is the reason for the page count and word count? If a book qualifies for POC except for the page count, what is the reasoning for not including books with less?

Hi Coaches. I took "common pain points" from my Customer Research from Pub.ai and put them into Perplexity (pro) & ChatGPT (paid). I asked them to rank the pain points in order of importance to my target audience. The 3 POC titles (which are selling v well) have "desired outcomes" that are near the bottom of the lists (meaning low level of importance) in both of the AIs. How should I interpret this? Clearly the books are selling with the "low ranked" desired outcomes - and my ranking has been done by an AI. Should I just go with what the competitor titles are telling me? This doc is my completed Book title Template which shows the analysis.

POC titles and my draft titles are top of page 3. Thank you!

Not Proof of Concept but new Concept. Is this a good title CUBE: CAPITALISM'S SUCCESSOR
Subtitle: The Cube Economic System Will Benefit Businesses, Entrepreneurs, Wealthy, and Poor People. It's The Holy Grail Of Economic Systems. I was given a way to combine the best of capitalism, socialism, and communism into one economic model with no flaws. Any suggestions would be appreciated to sell as many books as possible. This concept will change the world. 1 benefit stay at home moms earns just like any other corporate job. 2nd benefit eliminate every tax and still fund public sector. I'll listen on the recording.

I would like to get feedback on the title for my book on self-esteem for teen girls: "Own Your Power: A Teen Girl's Guide to Self Esteem" with the subtitle "Break Free from Self-Doubt, Handle Setbacks, Make Real Friends, and Step into Your Strengths." The benefits of the book focused on building confidence and self-worth, reducing anxiety and self-doubt, improving social skills and relationships, encouraging resilience and independence, and providing a positive role model or guidance. I want to convey empowerment and keep the verbiage teen-friendly.

Hi Coaches,

Hi Sunday coaches! Question - Bowker -- For my first book, I did purchase 2 ISBNs, and 2 Barcodes. All separately, and the bar codes each alone were \$50 per bar code (so I could send to IngramSpark). I later thought I did it wrong. I now have purchased 100 ISBNs. NOW - Do I still need to purchase a \$50 Bar Code per Hardback and another \$50 Bar Code for Paperback to place on IngramSpark. I am one year into the program, watched all the lessons, and do not know the answer to this question. ChatGPT says YES, I need to pay the extra \$50 per type of book. I wanted to validate with a human. Thanks! Rene'

Seeking feedback on book title options - I have extensive professional experience in this area and the biggest objection is that "I've tried everything and nothing works." The differentiator with my book is that I provide a framework that gets results rather than simply a list of exercises. So I'm considering adding "that actually work" rather than "for beginners"

Somatic Exercises for Beginners: A Step-by-Step Guide to Overcome Trauma, Reduce Stress, and Calm Your Nervous System in Just 10 Minutes a Day

Somatic Exercises That Actually Work to Overcome Trauma, Reduce Stress and and Calm Your Nervous System in Just 10 Minutes a Day

Simple Somatic Exercises for Chronic Stress, Anxiety, Panic, PTSD and ADHD That Actually Work

I am getting my book formatted. I think it will be 6 X 9. I want to add a table of contents to it, but I have no idea what pages will be applicable once the book is formatted. Does the format service figure that out for me, or am I missing something? Besides the table of contents, what else should I include? Did I miss or overlook a module regarding this?

JH Knight

Hello Again! I submitted a question regarding formatting and page numbering for my table of contents..... I also asked about what other pages I should include. I am currently (as of this writing) going over the book review page module. Do you have any other suggestions for pages to include? Not superfluous stuff, of course, but things you personally recommend...

My POC is communication skills, my top three pain points are: social anxiety in networking, struggling with assertiveness, misinterpreting Non-Verbal Cues. Top three title/subtitles are:

Communication Skills: Stress-Free Strategies to Conquer Social Anxiety, Speak with Confidence, and Read People Instantly (149)

Communication Skills: Overcome Social Anxiety, Speak Assertively, and Understand People—Without Feeling Awkward (140)

Communication Skills: Master Networking, Assertiveness, and Non-Verbal Cues in Just 10 Minutes a Day (131)

Any winners here?

Rebecca Brown

Hi Sunday Coaches, I'm in the final stretch of choosing my cover. I've narrowed it down to these two. I'd love your feedback, and those of the members who are on this Q&A today.

Thanks so much
