The logo consists of the letters 'FYI' in a bold, white, sans-serif font, centered on a blue rectangular background that has a slightly distressed or torn-edge appearance.

There are many students on this call, all at different points in their publishing journey. We receive many questions and do our best to choose the ones that are applicable and helpful to the majority of attendees on this call.

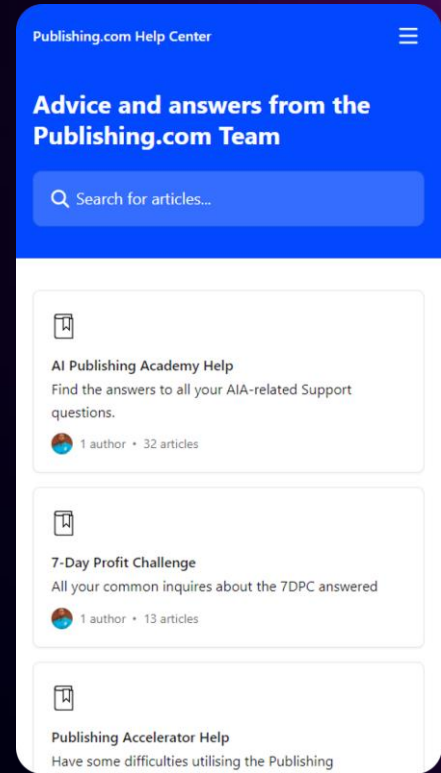

We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

My graphics designer has asked if I need my eBook kindle version to be fixed or reflowable.
What do I tell her please?

If I am getting roughly 10 clicks per day (approx), and it's been 3 weeks since I started ads in the US. I've made 9 sales total. What should I change? Is the book cover successful if I'm getting 10 clicks a day?

Kevin Rogers

Completed Module 1 and need to book a Success Call. There was no link; help me understand how I do that, please.

Also, I keep hearing about the Facebook page as an integral part of the AIA process. How do I get access to it and how is it used? KR

Phil

I noticed on the list of top 100 book topics there were a few about guides and help for iPhone, iPads, Macbooks, etc. These are all including the product brand names, so I was a little unclear since I also remember hearing in one of the videos to stay away from Trademarked words or topics. I found some great book topics around these subjects so I'd like to move forward with it, but I don't want to make a mistake with Trademarks being involved. I was hoping to get clarification on this and what is safe and profitable for me to do. Thanks!

I am using Urban Writters and I am in the editing phase.

In my dibbly create I do not see a Title page or a table of contents.

Will the editor add that?
