There are many students on this call, all at different points in their publishing journey. We receive many questions and do our best to choose the ones that are applicable and helpful to the majority of attendees on this call.

We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

My question is this... 1. I have finished edited my manuscript- lots added and lots deleted. I'm ready to do my description I guess? But it can't be on here because it's the original manuscript this system printed for me??? So do you recommend GPT chat for this? #2. The references are out of order.... not all are correctly placed as the chapters don't define the list. Is it necessary re-order the references to avoid the plagiarism checks? (All checks are done but out of order somewhat). Another question on that - as I went through the Plagiarism checks some weird books came up that have nothing to do with my topic and all of the plagiarism checks were between 5 and 8 words. Not even a sentence. So comment on that please. Thank you for your time!

Hi. I am considering writing a music book featuring the work of famous artists. I know their music is copyrighted, so we'd need to get permission and pay royalties. If you've navigated this process, I'd love your advice!

1. Is it practical?
2. Should we consult a music attorney to avoid legal issues?

Any insights or suggestions are much appreciated.

3. If we make a song book, how do we make an audio book on this subject?
4. Can we do a spiral book instead of a paperback? Is this cost effective?

Thank you very much.

Linda

This does not pertain to topic research but it is a topic that's important to me. For a week now I've been trying to solve this with Support and it hasn't come to conclusion yet so maybe you can help. I am no longer in the Publishing Eccelerator program, however I do have 8 coaching calls remaining that I want to schedule and benefit from. How do I do that. Specifically where do I go to schedule a coaching call??? Thank you for helping me with us.

I'm creating and inserting Dall-E images into my book. May I use AI generated images of celebrities such as Michael Jordan? And is it okay if they have company logos such as the Nike swoosh logo on the shoes and the team name "Bulls" on the jersey?

Hello Coaches, Thank you for your fantastic help! Thank you so much for your feedback on the following titles. The primary keyword meeting POC is "Anti-inflammatory Diet for Beginners." Again, thank you!

I would appreciate any feedback on my subtitle. My QSA report stated the offer needed to be stronger. This is the improved version:

I mistakenly started making extensive edits to Outline generation 5 of 6 (instead of 6 of 6). How do I delete generation 6 and ensure that when I move to on Manuscript, that it's using the correct outline?

Rachael

Hello! I started my amazon ads on August 25th and it says I have only spent \$1.30 so far on all my ads and zero sales. I have around 8,000 impressions in all. My manual campaigns seem to have quite a few impressions, but my auto low has "no data" for some reason and my auto high only has around 200 impressions.

What is my next step? Am I supposed to increase my bids? I thought I was supposed to increase my bids if I wasn't getting good impressions but what if I am but I'm getting no sales? Do I still increase my bids? Would love guidance on my next steps.

Hi savages! I've been working hard to get the coaches' blessings for my first book title (30k word). The topic is stoic philosophy. I've been careful to include an offer, address pain points, include keywords, and deliver an outcome. My new title suggests what the reader will become, have, and do.

New Age Stoic Philosophy (alt: The Power of Stoic Philosophy)

21 Techniques to Level Up Emotional Intelligence, Build Unwavering Self-Discipline & Manage Stress Productively for Work-Life Balance

*I am also considering including a badge: "with 17 meditations". the exact numbers are undetermined at the moment, but I haven't heard much discussion on badges, so I'm very curious of what's possible and/or recommended. Thanks!

R-Jay Wilde

How do I get feedback on title and outline?

Michael B

I generated my first AI created outline. It made 10 chapters with 5 sub-categories each. Projected manuscript 32,160 words. The outline was 7,000 words.

My plan is to edit the outline right where it is. If I delete a chapter, will the projected word count then go down? If I add a chapter, will the word count go up again?

Now, if I add a chapter and 5 sub-categories that represent content only I know about, that cannot be found anywhere on the web, I would guess Publisher.ai might find that a challenge.

Any ideas/advice?

Suzana

I suffer from Newbie Soon-To-Be-A-Publisher Jitters and have three connected questions about types of editors. My understanding:

1. Developmental Editing: Content Shaping
2. Line Editing: Improves word choices
3. Copy Editing: Corrects spelling, punctuation, etc.

#1: Is there a best source for Developmental and Line Editing?

#2: I've run my first manuscript through Grammarly Pro, which I will do again as a last step. However, GP does not always catch copyrighted and trademarked words and phrases. There are surprises — like the word “Bam!” Is there such a thing as a magnificent human who will check for copyrighted and trademarked words and phrases?

#3: If we use Publishing Services for formatting, do they do one last copy edit afterward?

Felicia

this may have already been covered in one of the many lessons BUT: if you do a paper back or a hard cover, how and who produces the book and then mails it out? and the extra costs involved? when someone orders it online.

Do we have to re-list our 7-Day Challenge book as a "new edition" (in the copyright section, e.g., a second edition) if we decide to change just a couple of small things and publish onto other platforms—this time, with a personal ISBN?

Kevin

Hi publishers! I've been taking your feedback and updating my title in hopes of getting the coaches' blessing. It starts out with an offer, covers pain points/benefits and wraps up with an outcome using key words.

The Power of Stoic Philosophy (alt: New Age Stoic Philosophy)

21 Techniques to Level Up Emotional Intelligence, Build Unwavering Self-Discipline & Manage Stress Productively for Work-Life Balance

I'm considering including a badge: "with 17 Meditations" but I'm not sure what is possible and/or recommended regarding badges. Thanks!

I've watched the proof reading and editing lesson where they mention the ARC group and getting feedback and I am a little unclear on a few things. Please bear with my while I rapid fire these: Are we sending ARC "members" our "early" book before it is published? So, will we have a chance to make changes if they catch something worth changing?

Also, since we are asking them to review on amazon and if we aren't published yet, yet how are they able to review? Are we asking them to give us feedback directly first if there is feedback that would affect the quality of our book and would not result in a 4/5 star review or do we just roll with it either way? Thank you!

Devra

When I login to my free ChatGPT account I only get limited to 5 searches/generations, but when I'm logged out I can just ignore the prompts asking me to login and search as much as I want. So what is the benefit to signing up for the plus plan besides access to Dall-E? What am I missing? Is Dall-E alone good enough reason?

DJ Najera

I have generated my 1st manuscript and I am moving onto editing, I also watched some of the next lessons to be prepared for formatting, adding images, and cover design, SO- I am now at the stage of having to decide what to invest in and what not to invest in. . . . let's get into it!

FORMATTING:

Self w/ Atticus- \$149 per manuscript vs: Vellum (I do have a mac)- \$199 e-book only or \$249 for print too,- what makes this worth paying \$100 more?!

To be cont'd..

DJ Najera

EDITING:

Self with GRAMMARLY Pro- \$144/year most cost effective OR Publishing services for \$750- This is my 1st 30K book - - I plan on making it high quality and will put in the work, so will sacrificing the \$750 really give me that much return on my investment- ie will the pro editing going to make enough difference to affect my bottom line or is this more if a convenience and time decision if you can swing it financially? give it to me straight, please.

DJ Najera

COVER DESIGN

Self AI Image Generation with ChatGPT/dall-e: \$20/mo the training lessons say maybe this is sufficient? OR 99Designs - \$299-\$30 coupon = \$269 - Thinking take the AI for a spin 1st and then decide? Thoughts, feedback?

IMAGES

My book will have to include images of some specific movements and exercises-since AI can't do people. What are my options and what should I expect to pay for this?

THANKS COACHES!

Yahya

Hey guys. Thank you for your feedback a few Q&As ago. After your advice, I changed my title. Here it is:

The 3-Step Senior Strength Training Guide:

Simple and gentle exercises you can do at home to regain power, replenish energy levels, and enhance mobility at age 60 or over

After Coach Karina said I shouldn't use the word 'strength' twice, I changed 'strength' in the subtitle to 'power'. However, since it is targeted at a mainly female audience, I feel like the word 'power' wouldn't appeal to them that much since they only want to gain enough strength to be independent but not so much strength that they become 'powerful', as the word 'power' implies. Another option was 'vigour' but it doesn't imply strength as much. Please help me decide which way I should go. Thank you.

Hi coaches! I have a question about go live date. Could you please explain the process of going live? Why do we push it to 2 weeks later? What happens if my book has already gone live but i haven't done the review with people thru Facebook or pubby? How would it affect the book?

Patrick

Hi Caoches,

Please I live in the UK, I would like to create my book review link and also a QR code but Amazon US will not permit me, please any help.

Suzana

Howdy, Coaches,

- Is there a timeline cheat sheet of best dates for holiday book launches throughout the year?

I'm finishing up POC for my first three books in a branded series and publishing times for different platforms will matter in the sequence of roll outs. (For example, I might print my 7 Day challenge book in hardback for a holiday gift 🍷🌟🎁🍾 ☐* if I can launch by the start of peak buying season.)

- Can you confirm or take an educated guess at general Amazon publishing times for:

*5,000 word paperbacks

*5K hardbacks

*and 5K Audible?

-
- Same question for 30K.

My book launched, but I have limited sales in August and September. The title is Nurture Emotional Well-Being for Women, and the POC is Emotional Well-Being. I have A+ Content, and started ads on 7/28/24. I am concerned that the book is not being picked up in keyword searches. I thought I may not have the appropriate keywords in the ad, so I submitted a new keyword ad last week. What else do you recommend?

Suniti

Hi Coach Brian, This is an Amazon ad question. When I started my ad campaign, I made a mistake on a bid (instead of .20 for auto-low, I accidentally put 20 , which was spotted within a few days) Hence increased CPC and crazy ACOS in the first few days.. Since I corrected it down, it looks like it has been over corrected and I lost all my impressions. I have tried to follow the course. I am not confident to make too many changes since I have not spent \$50 or had 10 clicks yet. Please advise. Attached is Google doc with screenshots.

Question on Title and Subtitle: Couple weeks ago, I had brought my title to you. You gave some solid recommendations. I looked up. The words that meet POC is "Stop being Toxic". There are at least 12 other books that are exactly same title "How to Stop Being Toxic" (NO KIDDING!)

There are also other books like "How to Stop being toxic for women", "Toxic no more" (5 books), and others in the area. Questions 1: Since POC is exactly for "Stop Being Toxic", What do you think of my title and subtitle below? ---

8 Steps to Stop Being Toxic: Stop Emotional Manipulation, Learn healthy boundaries with your loved ones, while cultivating self-love, awareness and authentic inner peace.

8 Steps to Break Toxicity Cycle: Stop harmful behavior, build fulfilling relationships, while master your emotions.

8 Steps to End the Toxic Pattern: Stop hurting your loved ones, cultivate lasting relationships, while building self-awareness and inner peace.

I'm setting up my 99 Designs contest today - what are your pro tips to get the best result and make the most of the contest?

Nataleigh

Hello coaches! My ads have been running for a month and I hit my 500+ impressions mark on week 3. Two of my campaigns were hitting 1000+ a day for about a week and I made about a sale a day. Then after about 6 days, impressions plummeted to barely hitting 500 and each day hitting less and less so that now my best campaign averages 200-300. I did some small bid increases on specific targets during week 4 but my ads were already declining before then without me touching them. Did I do something wrong? I have gone back to just increasing the overall campaign bid every couple days but they've kind of just settled around 250 with no sales for the last week. ACOS is still low and bids are currently around .50 so I know there's room to keep increasing but I don't want to keep pushing forward bids if there is a bigger problem that caused my impressions to plummet. Your help is much appreciated.

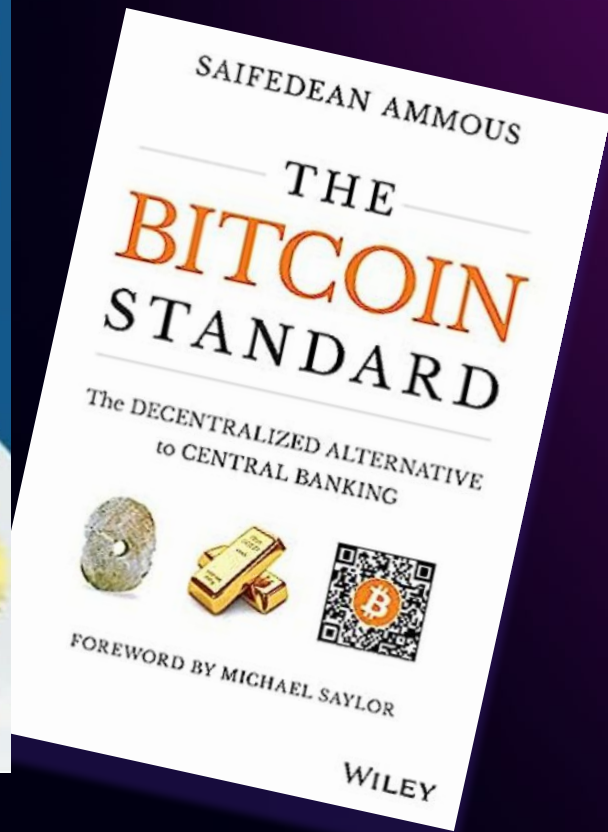

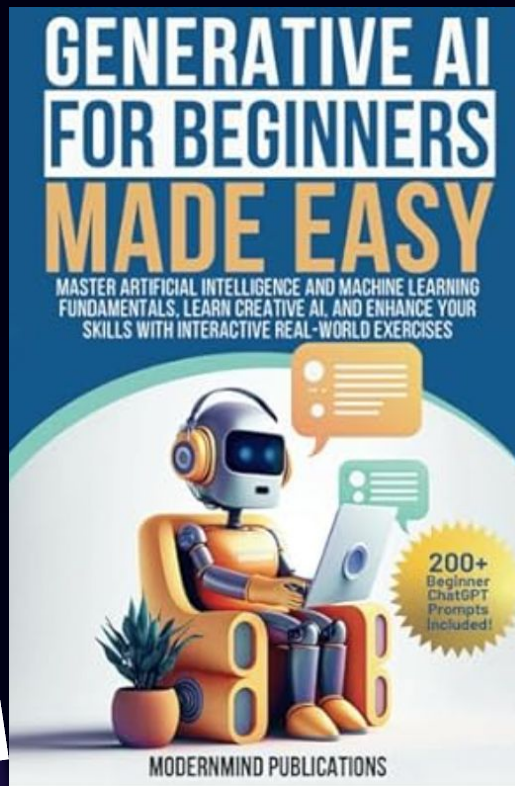

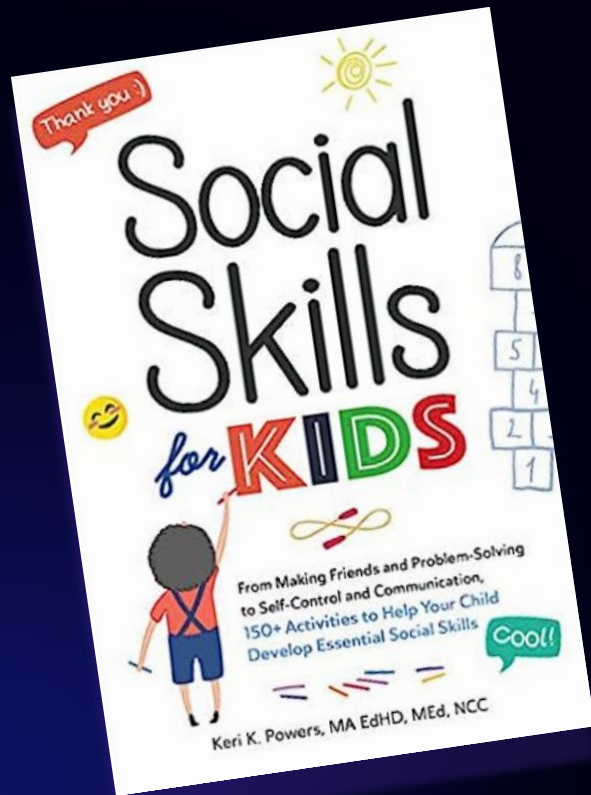

Nataleigh

Hi coaches, could you clarify some things about Amazon ads for me? 1) what is the purpose of the autolow campaign. I have received only one impression for an entire 30 days and it has no data to share. It seems useless to me. Should I just turn it off? 2) Could you explain in a bit more detail how the campaign bid works vs Target bid? I am getting a bit confused as to when to adjust each and how adjustments affect the overall campaign. So far I feel like I'm experimenting and guessing a lot and my campaigns are going backwards (reference previously submitted question) Once again thanks for your help.

Anena

Hi Coaches, I would like clarification. Amazon has been sending me emails offering 100 credits to advertise my book but then they are saying the campaign won't stop. In the lesson, we are thought to have 200 reviews before starting the campaign. At the moment I only have 15 reviews, so I haven't set up a campaign. I have released the main book, workbook, and Journal. Thank you for your advice.
