# OPEN Q&A

Submit your Topic or Proof of Concept questions live on the call in the Zoom Q&A field. We will pick and choose the best questions to answer.

The logo consists of the letters 'FYI' in a bold, white, sans-serif font, centered on a blue rectangular background that has a slightly distressed or torn-edge appearance.

There are many students on this call, all at different points in their publishing journey. We receive many questions and do our best to choose the ones that are applicable and helpful to the majority of attendees on this call.

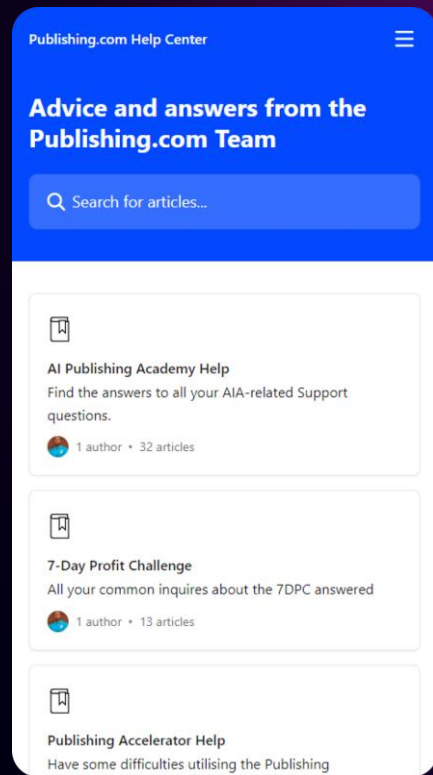

We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

# F.A.Q.

I've selected a book topic and am in the process of outlining. I checked Amazon again and there are now at least five new self-published books since February on the exact same topic. The topic still passes the proof of concept. How much should I worry about competition? Should I pick a new topic?

# Reggie

I believe I have POC for these 4 topics. Please confirm: Survival Homestead. Overcome Negative Thoughts. High-Performing Teams. Life Skills for Teens. THANK YOU.

# Lisa Looney

The topic I chose for my first book is Tarot. It passes proof of concept, but I was wondering what you guys think of it.

# Jarrood

Could you see if the following Book Topic meets POC? Herbal Remedies and Natural Medicine...Thank you

# Kelly

Hi Coaches! Would you please check 2 book topics for POC? 1. Iceland Travel Guide 2. Juicing for Beginners. Thank you so much!
