OPEN Q&A

Submit your questions live on the call in the Zoom Q&A field. We will pick and choose the best the questions to answer.

The logo consists of the letters 'FYI' in a bold, white, sans-serif font, centered on a blue rectangular background that has a slightly distressed or torn-edge appearance.

There are many students on this call, all at different points in their publishing journey. We receive many questions and do our best to choose the ones that are applicable and helpful to the majority of attendees on this call.

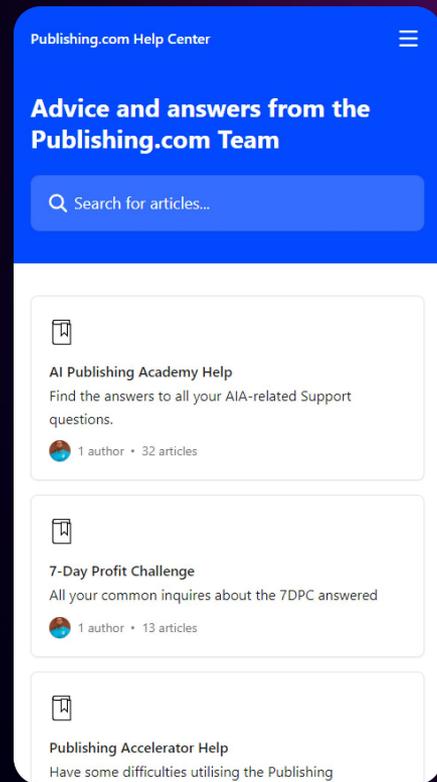

We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

I am VERY new - but B0DNWXRBLP is the ASIN of my first book. I have received a copyright commitment from the USPTO already. I would really really appreciate it if you could just take the book title here and do your own 2-minute test with KDSPYthe \$500.00 or more in \$\$\$, combined with 150 or fewer reviews. If your result shows proof that the book CAN be lucrative and meet the profile that is explained by all of the video training, then I need to know. I don't want to spend more time and money on ads for a book that doesn't have the capacity to sell. I have two AMZN ads running; both the auto and the manual are at high bids, but after 23700 impressions, and spending 200.00 in ads, and only \$76.00 in sales. I have 69 reviews (4.9 stars overall.) I bought the academy education on Nov 5th, I published the book officially on AMZN on Nov 21. Before I keep grinding on the marketing of the book, I just need to know if THIS book has any future - and HOW? Would you do a basic test review for me and suggest any/all changes to make it more lucrative? Thanks

I watched my first QA Sunday. The coaches expressed dislike for title words ending in ***ing.
Using that principle, how then was the title Publishing.com chosen?

Melanie Miller

When is customer research sufficient? Based on the report, should I fix "negative qualities" of the book or will the software take care of that? How do you recommend I add "narrative authenticity" throughout the book? Thank you!

Karen McGraa

My book printout had subtitles with numbers such as 1.1, 1.2, 1.3, etc., but when it got to chapter 2, there were no such numbers. Should I just delete the numbers in Chapter 1 or add them in Chapter?

Karen McGraa

Should we generate citations at the end of each chapter or after the whole book is proofed and edited, then do an overall book citation?

Kathy Burleigh

Please give your advice on the final round of designs for my first 30k book. I have office hours with Coach Janine tonight to select a winner. POC is: Financial Literacy for Kids

Target Audience: Parents & Educators of Kids aged 5 to 12 - to read with the kids

Thanks in advance!

Hello,

I have the below questions in setting up these accounts. I appreciate any help you can give, thanks you!

1. In creating my Reedsy account, how do I answer this question: "Which publishing path are you considering"? Choices are: Self-publishing, traditional publishing, undecided, or I don't plan to publish my work.

2. In setting up my Amazon KDP account, I believe I linked my personal account to my business account. How can I unlink this? Also, if I do create a business account, should I do so before I establish an LLC, because I'm prompted to enter an EIN or SSN number.

3. In setting up my Canva account, how do I answer the question: "What will you be using Canva for?" The choices are: Small business, Teacher, Personal, Non-profit or charity, Large company, or Student?

With the plan to share this program with a friend, does a friend receive not only the training, but everything necessary to create a book?

What is the criteria by which request to add a friend? Is based upon.

I have my topic and proof of concept done, I've generated my sample writing and I like it. Should I now continue and use my manuscript credit?

Hello coaches - It's my first time. I am preparing a very detailed outline in my Word document. I made many changes to the original produced by Publishing AI. Is possible to replace large parts in the AI Outline, in order to produce the custom version I need and with which the manuscript can be produced?

Anna Underwood

I have POC on my topic its medical related. I am a registered nurse but I'm not an expert on this subject and my book would not be to diagnose or treat anything. i was wondering if I still can do this type of topic?

Marcelo Mandelman

Hi everyone! I'm still proof editing my book before I send it to PS (it's taking me a long time 😓, by the way can you remind me how to contact them?

Also in my manuscript made with publishing.ai, when reading it I find this:

(SOURCE 1) or (SOURCE 2)

What does it mean?

Should I do something or leave it like that?

Thank you so much for your support! Working hard on NOT PROCASTINATING
