There are many students on this call, all at different points in their publishing journey. We receive many questions and do our best to choose the ones that are applicable and helpful to the majority of attendees on this call.

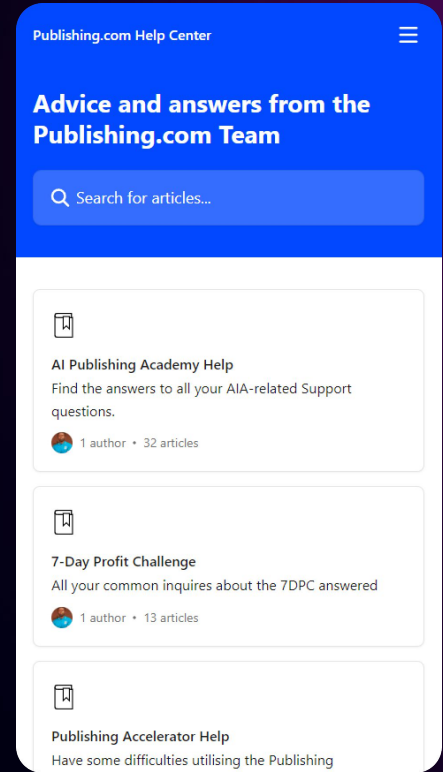

We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

Hi coaches

Using customer research, I have come up with a new title.

[I am also working on the outline, which AI has generated, and I am finding it challenging. How much EXTRA content can you put in?]

My Title:

Norse Mythology

An immersive journey through the rich ancient stories of the heroic race, their powerful gods and Mythic worlds revealed in depth. [137 words, inc spaces.]

Alex Robinson

I am new to publishing. Can you evaluate these title:

The training on cover design said that if we go with 99 designs we will need to give them the title, subtitle, and cover dimensions (or was it cover dimensions for the ebook), please confirm this. Second question, where/how do we determine what the cover dimensions are? I saw the formatting course discussed trim dimensions, are these different?

Laura Topliss

I've registered a a separate KDP account to my personal amazon account, is this ok? I heard someone mention that you can't have more than one account and I had to use a different mobile number in order to sign up.

I really didn't want to get a Facebook account but think I'm going to struggle to get reviews without one now that I'm further down the road. Can I use my pen name as a profile? Or will I have to verify my identity? Can't remember how it works but would be prefer not to have my real name on there.

Do I need my back cover book description when setting up a contest on 99designs?

Laura Topliss

I've been working through my book outline generated from Publishing.AI but there's a couple of sections I'd like to take out completely as I don't think they are relevant enough for the book. If I remove them would it mean my word count would be a lot under? Or would publishing.ai just generate more words in the remaining sections to make up for it?

Debbie Meyers

I used the free Amazon ASIN for my e-book, paperback, and hardcover. I purchased an ISBN from Bowker. Looking for further info on using ASIN for Amazon and ISBN for IS, I found an article that states do NOT use a different ISBN on IngramSpark from what you use on Amazon (use the SAME). Here is a quote from the article, "It doesn't actually matter whether you publish first with IS or KDPP. Provided you use the same ISBN for both, your submission, provided it meets all their publication quality criteria, should be accepted on both platforms without a hitch. However, there are occasionally hiccups where one of the platforms will reject an ISBN as 'already in use'. The most common cause of this is when an author ticks the Extended Distribution box on KDPP, which will disqualify it from being published by IS." I am using the Amazon ASIN and checked the "extended distribution box" on KDP, so what is the implication of using a different ISBN on Ingram Spark? How will that impact my Amazon published books? I haven't published yet on IS.

Legacy Williams

I just ran my ads on Amazon but noticed that they say. "Ads are not delivering". Is that because they are pending/under review or did something go wrong ? I followed every step carefully

Andrew Wolf

Please evaluate these titles. Thank you:

Main Title: Your Cognitive Behavioral Therapy Workbook

Draft Subtitles: Apply Evidence-based CBT Techniques to Manage Depression , Anxiety, & Improve Self-Esteem 15 Minutes A Day

Michael Williams

Can I view a question that asked asked if I cannot make it to the afternoon zoom session? Do you record these zooms for replaying at a later time?

Katia Hadjeb-Rahman

Hello coaches, I submitted my title for review last week, but I did not see it on the call. So i'am sorry if this might sound repetitive. I would appreciate your thoughts on the following title:

Transformative Life Skills For Teens And Young Adults: Take charge of your finances, Balance your time, and build your self-esteem for a future without debt, increased productivity without burnout, and lasting unshakable confidence.

I also have a couple of other questions:

1-I noticed that this topic has been coming up alot. Should I look for a different topic given the high competition? Or should I stick with it?

2-If there are two people working on the business, does it matter who's KDP and ACX account the book is published through? Thank you!

Laura Topliss

Is there a lesson or part of a lesson which explains what needs to go on back cover? Apologies if I've missed it

Laura Topliss

Can you create a book with Gen Z in the title or sub title?

Kitty

My book "Social skills for kids 3 to 10" is not selling very well. I do Amazon ads according to the course and have enough clicks, but it cost me money.

The book also has 215 reviews with 4.7 rate.

<https://www.amazon.com/dp/9083330303>

Is it maybe the cover of the book. Should I change it? What do you think about the cover?

Rainer Klawki

I canceled my Facebook account last year. No need. Is that okay?

Mike Dannenberg

Please provide feedback on my book title. I'm planning a fiction book of stories.

Title: Echoes of the Past – Short Stories for Seniors

SubTitle: Heartwarming, Humorous, and Nostalgic Tales to Spark Joy, Inspire Connection, and Bring Cherished Memories to Life (Large Print for Easy Reading)

(164 characters without spaces, 192 characters including spaces)

cheryl hardesty

When my 7dayPC went through Reedsy it made many errors-IE running words together, labeling the whole book as chapter 1 etc. I went through and corrected mistakes now how do I get this corrected manuscript on KDP instead of the original? (When you do the tutorial it goes way too fast during the Reedsy step, seems like steps were skipped over like copying and pasting the chapter but the only thing it allows is to upload the manuscript. I tried to copy and paste chapters like instructed and it wouldn't let me make any corrections. Yes, I see the menu in the sidebar?)

Lilian Ventura

Is yoga for seniors still an interesting topic?

Daniel Gandara

In the customer research step, would you mind providing guidance around how many and which ASINs to include? Should I only include those that met POC? Is there a benefit to including ASINs for books that are on topic but published by AFs (i.e., >150 reviews)? Thanks in advance!

Judelle Tomaszewska

For the early reviewers, is it necessary to have them include this statement in their review? Why?

“I received a free copy of this book and was asked by the author to leave an honest review.”

Courtney Clark

Title... Intermittent Fasting for Senior Women

Subtitle...Revitalize your Body, Lose Weight, Boost energy and embrace healthy eating for a longer more vibrant life.

Or would

revitalize your body and boost energy be almost the same thing?

Rob Pendell

I'm doing the 7DPC. I've received an EPUB zipped file of my book from Reedsy. Do I have to find a way of unzipping it before uploading it to KDP, or can I upload the zipped file to KDP? Thank you.

1. I have different prices of books on kd spy and amazon, when we are told \$30 and under, is it the current paperback or hardcover price on amazon?
2. When doing the POC, do we still count book titles with only kindles/ audiobooks?
3. When the book says unabridged, what does that mean?

Larry Solesbee

after i've launched my book, both Book and paperback just went live. Is there any reason to not publish the hardback?

I realize the cover must slightly change.

Supposedly ChatGPT was able to make that adjustment.

Brian Nolan

I'm almost ready for pre-launch of my first full-length book. I have 2 questions. 1.) As a college professor, can I use my former students as reviewers (I have a few thousand former student at this point in my career). 2.) I'm concerned about copyrighting and what we need to report to Amazon about AI usage in creating our book. I've heard that Amazon has changed it so that you need to report it as AI content even with extensive editing (my book has definitely had EXTENSIVE editing). Is this true? And then does that interfere with copywriting? Thanks.

Michael Zahner

I started my first book on bee keeping and i wont to make it in to a series of books. From what i have learned so for that i should have five books and if i make it a series and bundle them that it will sell better. People love a package deal.

Hello to the team and everyone please can you tell me at what stage in the publishing process I need to buy a ISBN (based UK) and is the ASIN given on uploading book? I am at the stage of getting my book formatted and writing out next steps. Thank you for your time hope this might help others on their journey with first book too.
