FYI

There are many students on this call, all at different points in their publishing journey. We receive many questions and do our best to choose the ones that are applicable and helpful to the majority of attendees on this call.

We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

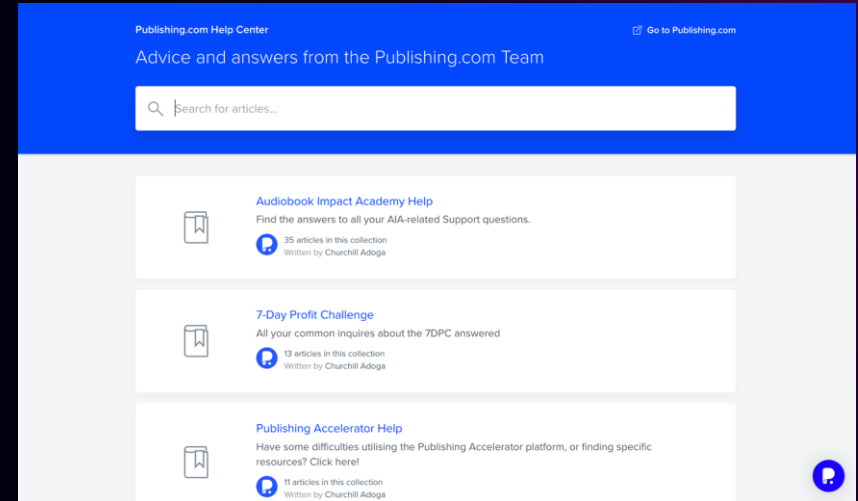

Most Frequently Asked Q&A Questions:

Visit our Help Center

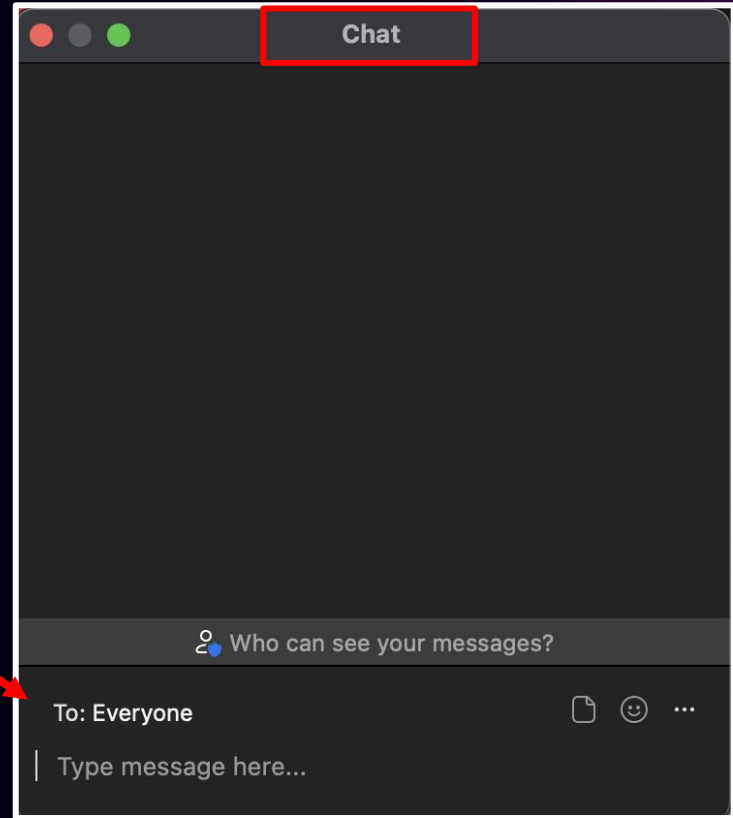

help.publishing.com

- Account related (resetting password, Facebook group, etc.)
- KDSpy, incognito, Chrome etc.
- 7 Day Profit Challenge
- Pen names

In the Help Center, you will find clear answers (with videos) to all of these questions, so we will likely skip all questions related to these topics.

I have watched all the videos on running Amazon Ads and am still pretty lost. Are there workshops for this or someone you can hire to do them for you?

Doreen Moore-Barrett (God's Ambassador)

Hello amazing coaches,

Thanks for the amazing job that you have been doing. I have some questions and look forward to your response. Thanks in advance.

Questions

- (1) What is the difference, if any, between Audible and Author's Republic?
- (2) Can I upload audiobooks on both platforms?
- (3) Is there an implication, for sharing audiobooks on both platforms?

Jay

Is it a bad idea to use photos from Unsplash, Pexels, etc... for our book cover?

Abigail

Hi. I have a more technical question. I'm just getting started, but I'm wondering if I can go through the process without using facebook as a platform, or is that a must to get the book out to the end?

Paulette

Hello Coaches! Thank you so much for being here to answer questions and help us succeed in publishing! Probably everyone has already seen this notification that came up on KDP awhile back. "Printing costs will change on June 20, 2023 ---

"While not required, you may choose to update your list prices to avoid a change in royalties. You can update your list prices at any time individually on the Pricing tab or, until June 19, 2023, you can run a one-time bulk list price update on your live paperback and hardcover list prices to continue earning the same royalties after printing costs change. "

What is your advice on how to handle these changes?
