There are many students on this call, all at different points in their publishing journey. We receive many questions and do our best to choose the ones that are applicable and helpful to the majority of attendees on this call.

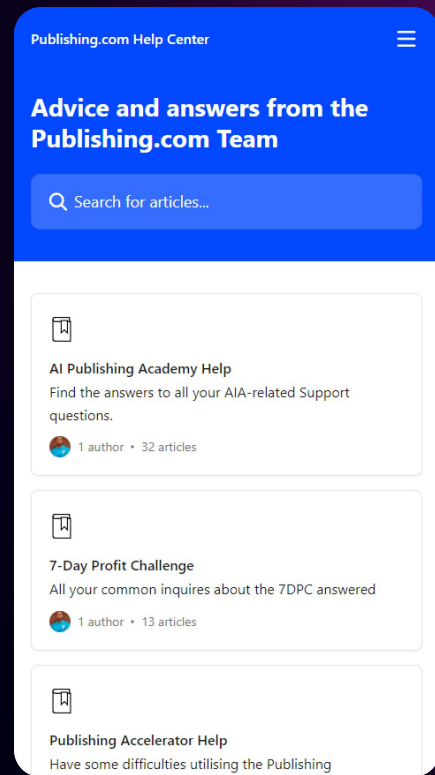

We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

Our manuscript has a reference page but only 3 places that source it - should there be more? and how do I fix that?

I used Reedsy to format my book, but it does not have the option to add a Resources page. My lessons have one of the twins doing his book and the Resources was an option like the Conclusion. However, I don't see that on the current Reedsy version. How do I create a Resources section?

Hello Coaches,

I started the 7-Day Challenge Monday afternoon, February 17, around 3pm. I want to complete the challenge within the 7-day period.

Question: Are we given 7 FULL 24-hour DAYS -- i.e., Monday afternoon, February 16, through Monday afternoon, February 24? Thank you.

Hi! So I type with my eyes on my computer to communicate. Designing is difficult for me to do. I am wondering if anyone can help me to make a book cover and the back? It would save me hours. My title is The Happiness Blueprint: Small Steps to a Brighter Life and it has over 30k words!

I'm going to type in the chat box to communicate. Yes and no questions will help to speed things up.

I appreciate your willing to help!

Linda Grinde

Hello coaches, I submitted book cover designs for review but when I looked through the recordings from the last few days I couldn't find feedback. I wasn't sure it went through, so I've uploaded them again. Thanks so much!

I am confused about the slides for publishing.ai topic search/ the actual topic search (they look different, and the topic results based on the KDSPY and the Publishing.ai result; they do not seem to find any similar results for the same category.

Hello,

My eBook and paperback are ready for publication. I've just completed the Book Launch Strategy and Book Review modules and have a question regarding the timing of my launch.

In my niche, I've noticed that books with no reviews are still generating significant revenue. However, I've also seen an increasing number of competing books entering the market. My goal is to publish my book as soon as possible (without running ads initially) so it can start generating sales while I work on gathering reviews.

I'd like to include a QR code and links in my book before sending out the PDF for reviews. To achieve this, I need to publish the book first in order to generate the necessary code and links.

Once published, my book will be live on Amazon without any advertising. Readers will be able to purchase it if they choose, but my primary focus will be on securing reviews. I will then send out the PDF version to potential reviewers, directing them to the QR code/link to leave their feedback.

Does this approach align with best practices for an effective book launch? I'd appreciate any insights or recommendations you might have.

Wanted to see your thoughts on this title: Chair Yoga for Seniors Over 60: A Simple, Safe, Step by Step 28 Day Guide to Improve Balance, Increase Mobility, Gain Strength, and Feel 10 Years Younger in 10 Minutes a Day

This topic seems to be very saturated but still maintains POC should I still go with it?

And also it seems to require illustrations are there resources for this in AIA? Take my own photos? Hire an illustrator?

Ogonna Nwajiobi

Hello coaches, kindly suggest the best title from the four (4) below. The book topic that passed POC is gut health.

2. The 30-Day Gut Reset: A Simple Plan to Restore Digestion, Boost Energy, and Improve Mood

4. Balance Your Gut, Transform Your Life: A Practical Plan for Lasting Health

I just published ebook and paperback a few days ago.

are there any reasons to NOT go ahead and publish a hardback version?

I realize the cover must be resized and needs a diff ISBN...anything else?

Philip de Jong

Hello coaches,

- 1). I seem to recall there was mention of a more economical option to 99Designs, but of similar standard. If so could you please us know?
- 2). Would you kindly review my title/subtitle? Thank you, as always.

I heard that Amazon is changing its rules on reviews. Is Pubby still the acceptable format for getting and writing reviews for others? Also what are the sources we should be using to get reviews?

Ray Andrews

When a publisher starts receiving royalty checks for multiple publications, are the check stubs itemized for each publication, whether formatted for book or audio?

Jo-Anne Gannon

Wondering if I should spend time formatting my outline into chapters, because I'm not sure if the format will be retained when I generate the full manuscript. What do you recommend? Thank you, as always, your time is appreciated.
