FYI

There are many students on this call, all at different points in their publishing journey. We receive many questions and do our best to choose the ones that are applicable and helpful to the majority of attendees on this call.

We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

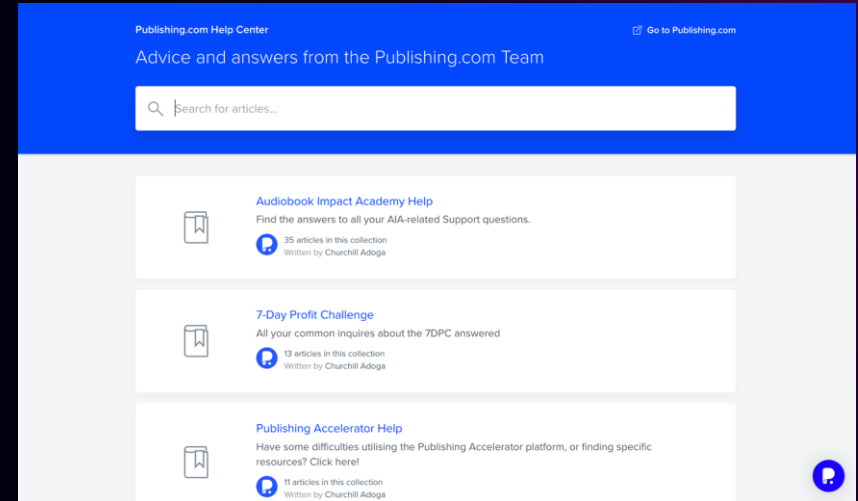

Most Frequently Asked Q&A Questions:

Visit our Help Center

- Account related (resetting password, Facebook group, etc.)
- KDSpy, incognito, Chrome etc.
- 7 Day Profit Challenge
- Pen names

In the Help Center, you will find clear answers (with videos) to all of these questions, so we will likely skip all questions related to these topics.

Ok so Now this is going to be the third or fourth version of this subtitle. I have been working on this for what seems like forever. I do have a meeting with my coach today but wanted to get your input one more time. Pain points are: is it easy, is it affordable, can I make it myself, and how and what to grow?

Dear coaches, thank you for all your help. My book has been formatted, and now am working on the book review. The pdf I received which I should give to potential reviewers, has no book cover or back cover information. Is this how it is supposed to be sent or should I have someone add the book cover and back before sharing?
Thank you.
