# OPEN Q&A

Submit your questions live on the call in the Zoom Q&A field. We will pick and choose the best the questions to answer.

The logo consists of the letters 'FYI' in a bold, white, sans-serif font, centered on a blue rectangular background that has a slightly distressed or torn-edge appearance.

There are many students on this call, all at different points in their publishing journey. We receive many questions and do our best to choose the ones that are applicable and helpful to the majority of attendees on this call.

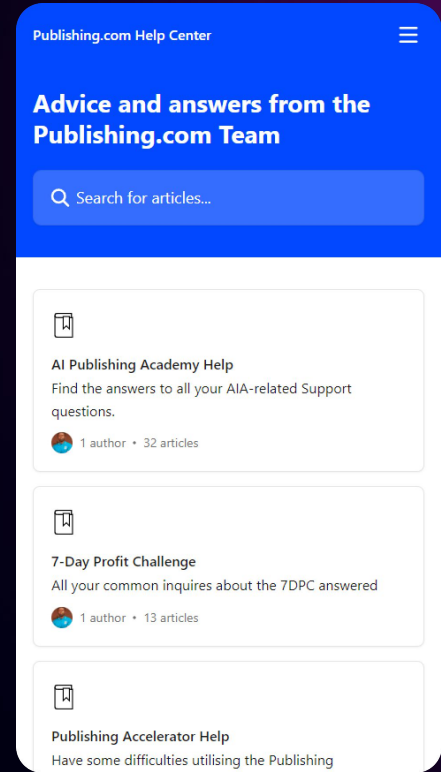

We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

"(Choosing a Topic Question).

NOTE: Q #1 will be Answered on Thursday's Q&A

1. Please help me run POC on Gut health generally vs Gut Health For Women. I am trying to decide which of them will be more profitable for me.

2. If you decide to use a pen name for your books, would you need to include an author page? Because how would this work out if your person (a pen name) is not real

Thanks"

Hi. i rewatched the video on proof of topic. He approved two books for proof of topic that had issues i have been excluding. one was a workbook; one was a book "for dummies". don't we exclude workbooks? and isn't dummies an authority book? he also counted a book that was written by a doctor. any time i see that it's been written by a doctor or an expert in the field, i've been excluding it. i am so confused now and i've excluded so many topics for these reasons...help!

"Can I plagiarize myself?"

In a niche would like to make a couple regional guides i.e. Northwest, SouthEast.. But feel the beginning chapters are going to be repetitive- the other 70% of the book will be location specific.

Am I able to (almost) do a repeat of that 30% on different books without getting in trouble?"

I have my outline for my book. It is 32,160 word count. Does this mean I need to have less chapters or will this be the length of my book.

"Can you please let me know which one of these covers look best? These are my final drafts. The only difference is the size of the title but I'll take any tips.

Also, does the back cover look good? If I get an ok I am off to publishing!!! (after my free quality check review first). YAY!

Thank you"

"Hi Coaches, Thanks for your help

I have have two rough titles for my book. Can I get some feed back please

1)Practical Co- parenting with a Narcissist: Step by step strategies to improve communication, reduce conflict and set boundaries to prevent Toxic abuse and nurture healthy family relationships.

2)Practical Co -parenting with a Narcissist: Step by step strategies for parents to manage manipulation, reduce conflict, and set boundaries to prevent Toxic abuse and nurture healthy family bonds.

Title 1 has one more key word than in Title 2 . Managing manipulation is not an identified key word but inherent in narcissistic behaviour

"Also, when I send my finished book over to my private review group (last step b4 publishing) how do I do that? Right now my print copy of my manuscript (back from formatter) is in my downloads as a PDF document and my cover is on it's way back from fiverr from being made into my paperback version. I heard that when I send it over I should put the cover image on a page before the manuscript What do I do to send it all together? Should it all be put into google docs? Idk... I'm technically challenged, so please explain in simple terms. I'll be on the call today, so if you have any questions I can answer quickly in the chat.

Thanks

"I can't recall. What's your knowledge of [Author Republic]?"

Thanks coaches!"

# Francisca

How do you open Acx accounts. 2) how do you pull word from google docs and attach cover design.

Or can I keep the existing copyright since the content is still the same?

P.S. - The copyright process for the book says it's complete, but I am still awaiting the copyright letter.

Can you let me know if this title is okay for my book on Insomnia." Insomnia Simplified: Drug-Free Strategies to Improve Sleep, Reduce Anxiety and Enhance Daily Functioning in 30 Days." At this point I am not sure if I will be able to attend the Q&A but if not will watch the replays for your response....thanks.

"Hi Stefan, last week I asked for comment on my first post for FB Review method. You were rushed at the end and only advised against asking for email. I can go without that, but would REALLY like your comments on the rest of the post itself. Thanks

I am feeling a bit overwhelmed by the editing and humanizing of the manuscript that the AI software has produced. Is there a video in the course about this? Can there be a special segment on this in one of the zooms? Any tips and help on this would be greatly appreciated. Thanks..

"Hi Coaches,

If you have a few low content books (5000 words) with similar topic, is it a good idea to bundle them up, just like with the 30K books?"

# Allen Stephan

"Hello,

Once I have generated the customer research on publishing AI after selecting my topic, will the system automatically take the advice generated in the customer research and follow the dos and don'ts to create the outline and then the manuscript or do we have to feed some things manually? Thank you "
