OPEN Q&A

Submit your questions live on the call in the Zoom Q&A field. We will pick and choose the best the questions to answer.

The logo consists of the letters 'FYI' in a bold, white, sans-serif font, centered on a blue rectangular background that has a slightly distressed or torn edge effect.

There are many students on this call, all at different points in their publishing journey. We receive many questions and do our best to choose the ones that are applicable and helpful to the majority of attendees on this call.

We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

We have completed the first three modules and were looking for a project flow chart. Is there such a Google Doc?

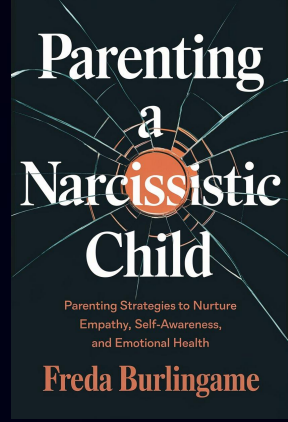

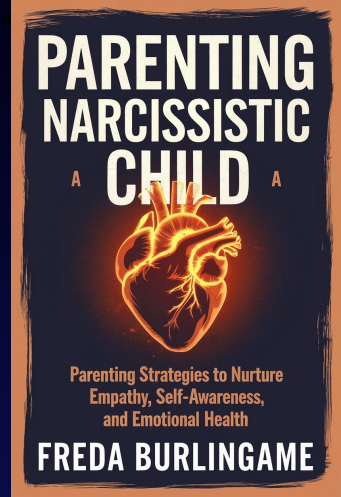

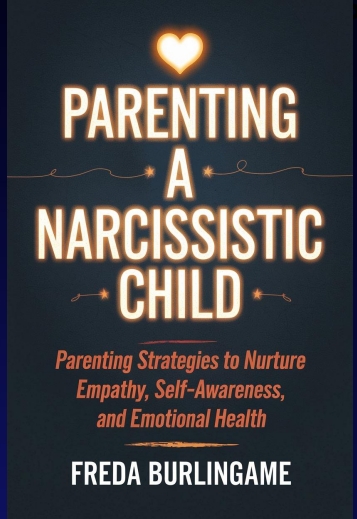

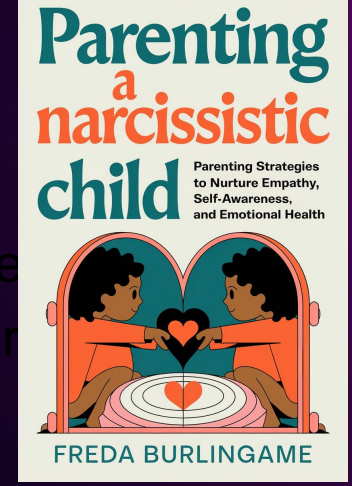

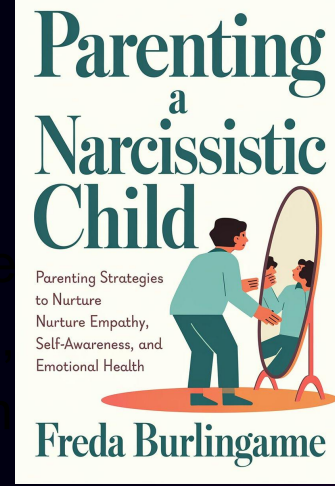

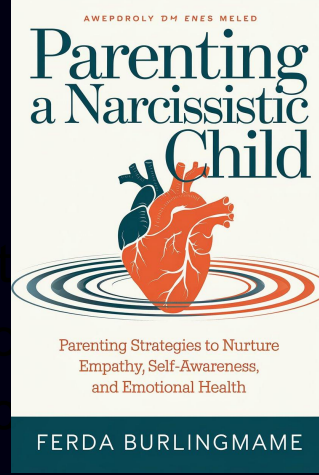

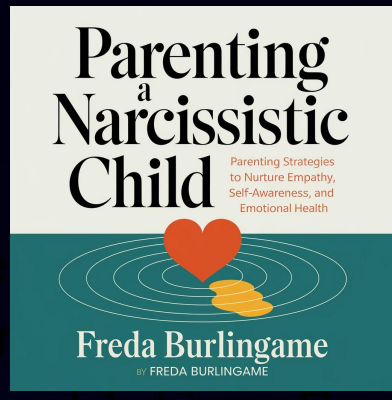

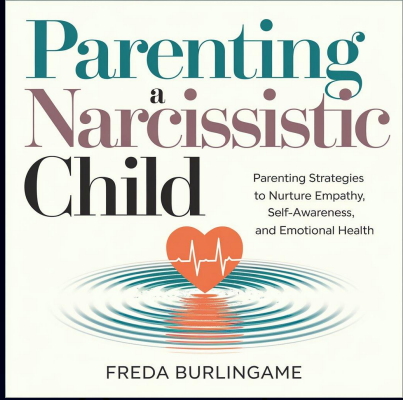

Sieglinde "Sigi" de Francesca

Hi Team, Sigi here. I am still not clear on some things. I understand that since my Fermenting/Pickling book has illustrations it should probably be with 8.5x11 format. But what about the Kindle version? Do I have to reformat it for Kindle? Does that make it 2 books? Also, does the new formatting program you offer do just one style of formatting? Do they format cookbooks? I ask because this is beginning to look like one. Thanks!

Can you please review my book covers? Which one do you like the best? I have 2 audio book covers and the rest are ebook covers. Here is the link that I have shared to anyone with the link.

Is there a different way to do the Facebook method for getting reviews for your first book?

Chad Davis

Is this a good title? Title: How to Replace Capitalism

Subtitle 1. The Cube Economy Decoded A Step-by-Step Guide to Sustainable Wealth, Innovation & Influence for Businesses, Entrepreneurs, Politicians & Students

Subtitle 2 The Cube Economy Blueprint-How to Build Wealth ,Power and Opportunity Beyond Capitalism with Strategies for Business, Leadership & Innovation

My topic was verified and I was told to move on to Module 3, but in resuming my course, I want to know if I need to set up KDP before moving on to Module 3. I have my topic and am still working on my title. I don't have my book finished, of course, so am not sure if I need to set up KDP yet.

Jamsey Scheidell

Hello coaches,

First, I want to express my gratitude for all your guidance throughout this journey. It has truly made a difference to me and many others. I have two book covers to review, and this will be the final round of reviews, as I have already had them assessed multiple times.

Thank you again

Jamsey

It seems like finding a winning topic/title is like trying to win the lottery. Everything I think of has already been thought, what I like is if you could share your journey of your most financially winning book by starting out how you got your topic to how you went about marketing it and everything in between. Please be detailed as to give us fledgling publishers hope that the process can work.

Can you help me with a cover choice and suggestions <http://99d.me/e/s7x0>

Yacoba Quaye

Hi coaches, I'm trying to upload my epub file into KDP. But I'm unable to download the file returned by ultimate publishing as anything but a pfd. I watched the module about it but I'm not sure what I'm doing wrong. Any insight or is this a question for the tech team? Thanks for your help!

Karina Kleiner

what is your stance on gaining reviews through these strategies or sites like: NetGalley, Reedsy Discovery, Goodreads Giveaways, Booksprout, and StoryOrigin? How are they different than a company like BookBounty or Pubby?

Can you provide your opinion as a self-publisher and then separately as the AIA Publishing Coach?
