Submit your questions live on the call in the Zoom Q&A field. We will pick and choose the best the questions to answer.

There are many students on this call, all at different points in their publishing journey. We receive many questions and do our best to choose the ones that are applicable and helpful to the majority of attendees on this call.

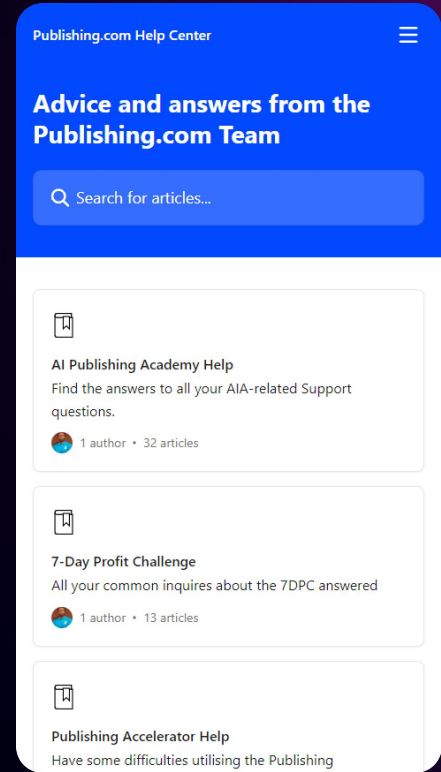

We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

[For Thursday 4/17/2025]

My niche is Self Help, and my topic that passed POC is Self Love.

I have two questions.

[1] Do either of these titles work?

Self Love Secrets: The Key Ingredient to Having Healthy, Happy Relationship -or-

Self-Love: The Secret Ingredient to Having Healthy and Happy Relationships

[2] In my keyword research, I found that the keyword "how to be happy in a relationship" is a really strong keyword (high search, low competition). Because of that, should I try to work this keyword into my title instead of what I have?

Thank you, Coaches

Hi,

Title : Essential Skills for Teens to Succeed in Life

Subtitle: A Step-by-Step Guide to Building Confidence, Responsibility, and Independence: Master Real-World Methods & Empowering Communication for a Thriving Future

I did not have the subtitles on the options because I needed input before. The font size, color, etc are not edited. Suggestions on the text is appreciated.

Hi, I have just finished module 4's lessons about using AI Art.

I would like to know if I write a book about chess moves, yoga, or wall pilates—anything specific like that—how and where the best place to get instructional illustrations is, if Dall-E and other AI art generators pose such limitations that it is not recommended to use them.

Thank you for taking the time to answer my question.

Jane Cardinale

My target audience came out to be: 25–45 age women, often well-educated and open-minded, Interested in self-discovery, healing, and transformation. Therefore I added “for women” to my title.

Shadow Work Evolution for Women : Embrace Your Ability to Heal the Past, Reclaim Your Power, and Awaken the Woman Within

Shadow Work Evolution for Women: A Journey to Healing, Empowerment, and Feminine Wholeness

Shadow Work Evolution for Women: Reclaim Your Light by Embrace the Darkness Within

Please let me know if I should run with this topic and title. I really love it and I hope it will work out.

Oh and the software defaults to 8 chapters do you think 10 chapters is more appropriate?

So, what can a person do if their Facebook account is hacked while running a Facebook ad? If they try to contact support every which way they can but receive no reply or assistance, is there anything that person can do?

I am trying to find a topic that fits the criteria. I have been using KDSpy and Publishing.ai. Using KDSpy on the Kindle setting for the Amazon search bar, I have not found any topic that works. Should I change the setting to Books? Do you have any tips?

Hello Coaches. I'm deciding on cover designs, and, as always, your feedback a couple of weeks ago was helpful. One of your suggestions was to look at the best-selling books in my niche and follow their lead. In doing that, I found that the covers of the most popular books in my niche were bad according to the criteria of our program. So, considering that, is it better to follow the lead of the other books or use a book cover that follows our standard for a good book cover? As always, thank you for your thoughts.

I have submitted my outline and received back a ~1500-word writing sample. I copied the word sample to MS Word and made edits that make the writing sample more consistent with my goals. How do I remove the original writing sample and replace it with the edited writing sample?

This is my first time and my 6months runs out on April 26th. I JUST finished my manuscript and it's April 19th. Does everything (formatting, book cover, etc..) need to be completed by April 26th to get the first 500 Amazon reviews that come with my subscription? I thought just the manuscript had to be completed by April 26th.

Raheel Memon

Hi Coaches

I am at that stage where I am completely happy with my manuscript. Is this the right stage to have my book copyrighted or should I wait till all other aspects of the book are finished, for e.g., book cover etc?

Also, while creating an account and registering my literary work for the US copyright, do I create my account and register the book under the pseudonym or my real name?

Thanks for your help and guidance as always
